Collateral Agent, at the expense of such Grantor, promptly shall redeliver all Certificates and shall execute and deliver to such Grantor all documents requested by such Grantor that are reasonably necessary to release Pledged Collateral of record whenever such Grantor shall be entitled to the release thereof in accordance with this Section.

6. Grantors' Representations, Warranties and Agreements. Each Grantor represents, warrants and agrees that: (a) each Grantor owns the Collateral free and clear of any Lien except as expressly permitted in the Indenture and each Grantor has the right and power to grant the security interests granted hereunder in the Collateral; (b) each Grantor is the sole legal and beneficial owner of the Pledged Collateral in which each Grantor is purporting to grant a security interest to Collateral Agent for the benefit of Secured Party, and the Pledged Collateral is not subject to any Lien other than Liens permitted under the Indenture; (c) each Grantor has the right and power to pledge the Pledged Collateral and grant a security interest in the Collateral to Collateral Agent for the benefit of Secured Party without the consent, approval or authorization of, or notice to, any Person (other than such consents, approvals, authorization or notices which have been obtained or given prior to the date hereof or the approval of the Nevada Gaming Commission as described in Section 29 hereof) and such pledge and security interest constitutes the valid, binding and enforceable obligation of each Grantor, enforceable against such Grantor in accordance with the terms hereof and the other Notes Documents, except as enforcement may be limited by, the NUCC, Debtor Relief Laws or equitable principles relating to the granting of specific performance and other equitable remedies as a matter of judicial discretion; (d) all Equity Interests that constitute a portion of the Pledged Collateral are duly authorized, validly issued in accordance with all applicable Laws, are fully paid and non-assessable (to the extent such concepts are applicable), and represent one hundred percent (100%) of the Equity Interests owned by each Grantor in each Subsidiary of each Grantor; (e) except as not prohibited under the Indenture, each Grantor will not: (i) sell, assign, exchange, transfer, grant a license in, or otherwise dispose of, or contract to sell, assign, exchange, transfer or otherwise dispose of, or grant any option with respect to, any of the Collateral, (ii) create or permit to exist any Lien upon or with respect to any of the Collateral, except for Liens permitted under the Indenture, or (iii) take any action with respect to the Collateral

which is inconsistent with the provisions or purposes of this Agreement or any other Notes Document; (f) each Grantor will pay, prior to delinquency, all material taxes, charges, Liens and assessments against the portion of the Collateral owned by it, except such as are timely contested in good faith, and upon its failure to pay or so contest such taxes, charges, Liens and assessments, Collateral Agent at its option may pay any of them, and Collateral Agent shall be the sole judge of the legality or validity thereof and the amount necessary to discharge the same; (g) the Collateral will not be used for any unlawful purpose or in violation of any Law, regulation or ordinance, nor used in any way that will void or impair any insurance required to be carried in connection therewith; (h) each Grantor will, to the extent consistent with good business practice in its industry, keep the portion of the Collateral owned by it in reasonably good repair, working order and condition, and from time to time make all commercially reasonable repairs, renewals, replacements, additions and improvements thereto and, as appropriate and applicable, will otherwise deal with such portion of the Collateral in all such ways as are considered good practice by owners of like Property; (i) each Grantor will take all reasonable steps to preserve and protect the portion of the Collateral owned by it, including, with respect to the Patents, Trademarks and Copyrights, the filing of any renewal affidavits and applications, but not including any property that is no longer used or useful in such Grantor's business; (j) as of the date hereof, each Grantor has no Trademarks registered, or subject to pending applications, in the USPTO, or to the best knowledge of each Grantor, any similar office or agency in the United States of America other than those described in Schedule 1 attached hereto; (k) as of the date hereof, each Grantor has no Patents registered, or subject to pending applications, in the USPTO, or to the best knowledge of each Grantor, any similar office or agency in the United States of America other than those described in Schedule 2 attached hereto; (l) except as listed in Schedule 5 attached hereto, to the best of each Grantor's knowledge there are no actions, suits, proceedings or investigations pending or threatened in writing against any Grantor before any Governmental Authority which could reasonably be expected to cause any material portion of the IP Collateral to be adjudged invalid or unenforceable, in whole or in part; (m) each Grantor shall notify Secured Party concurrently with delivery of the quarterly financial statements pursuant to the Indenture after filing any application for the registration of a Patent, Trademark or Copyright with the USPTO, USCO (as defined below) or any similar office or agency in the United States of America, or any State therein and deliver to Collateral Agent at such time short-form security agreement with respect to such Patents, Trademarks or Copyrights in appropriate form for filing with the USPTO or USCO, as applicable and file such agreements with the USPTO or USCO, as applicable; (n) each Grantor shall promptly notify Secured Party if it knows or has reason to know of any reason why any applicable registration or recording of any Patent, Trademark or Copyright may become abandoned, canceled, invalidated, or unenforceable; (o) each Grantor will render any assistance, as Collateral Agent may reasonably determine is necessary, to Collateral Agent in any proceeding before the USPTO, the USCO, any federal or state court, or any similar office or agency in the United States of America, or any State therein, to maintain any Patent, Trademark or Copyright and to protect Collateral Agent's security interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings; (p) each Grantor will promptly notify Secured Party if such Grantor learns of any use by any Person of any term or design likely to cause confusion with any of the Trademarks, or of any use by any Person of any other process or product which infringes upon any of the Trademarks, and if requested by Collateral Agent, such Grantor, at its expense, shall join with Collateral Agent in such action as, following an Event of Default, Collateral Agent upon the Trustee's written direction may reasonably deem advisable for the protection of Collateral Agent's interest for the benefit of Secured Party in and to the Trademarks; (q) each Grantor assumes all responsibility and liability arising from the use of the Trademarks, Patents and Copyrights, and each Grantor hereby indemnifies and holds Secured Party harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of any alleged defect in any product manufactured, promoted, or sold by any Grantor (or any Affiliate or Subsidiary thereof) in connection with any Patent, Trademark or Copyright or out

of the manufacture, promotion, labeling, sale, or advertisement of any such product by each Grantor or any Affiliate or Subsidiary thereof; (r) each Grantor shall promptly notify Secured Party in writing of any adverse determination in any proceeding in the USPTO, USCO or any other foreign or domestic Governmental Authority, court or body, regarding such Grantor's claim of ownership in any of the Trademarks, Patents or Copyrights used in the business of such Grantor, and in the event of any infringement of any such Trademark, Patents or Copyrights used in its business owned by each Grantor by a third party, such Grantor shall promptly notify Secured Party in writing of such infringement and sue for and diligently pursue damages for such infringement (and if such Grantor shall fail to take such action within one (1) month after such notice is given to Secured Party, Collateral Agent may, but shall not be required to, itself take such action in the name of such Grantor, and such Grantor hereby appoints Collateral Agent for the benefit of Secured Party the true and lawful attorney-in-fact of such Grantor, for it and in its name, place and stead, on behalf of such Grantor, to commence judicial proceedings in any court or before any other tribunal to enjoin and recover damages for such infringement, any such damages due to such Grantor, net of costs and reasonable attorneys' fees, to be applied to the Secured Obligations); (s) each Grantor will maintain, with responsible insurance companies, insurance covering the Collateral against such insurable losses as is required by the Notes Documents; (t) each Grantor will promptly notify Secured Party in writing or post to a publicly available website (including any filing available on EDGAR or any successor information filing service) notice in the event of any substantial or material damage to the Collateral (considered as a whole) from any source whatsoever; (u) in the event any Grantor changes its name, jurisdiction of organization, identity or corporate structure or its address as either are set forth herein, such Grantor will notify Secured Party of such name and/or address change promptly, but in any event, within thirty (30) days and take all actions necessary to continue the perfection of the security interest created hereunder following any such change with the same priority as immediately prior to such change, and (v) as of the date hereof, each Grantor does not have any Copyrights registered with the United States Copyright Office ("USCO"), or any similar office or agency in the United States of America, or elsewhere other than those described in Schedule 4 attached hereto; (w) Secured Party and each Grantor shall modify this Agreement by amending the Schedules hereto to include any new IP Collateral, renewal thereof or any IP Collateral applied for and obtained hereafter; and each Grantor shall, concurrently with the execution and delivery of any such to the Credit Agreement Collateral Agent at any time while the Credit Agreement remains outstanding, and otherwise concurrently with the delivery of the next quarterly financial statements required to be delivered pursuant to the Indenture after such IP Collateral is obtained, or, during the continuance of an Event of Default, upon the request of Collateral Agent, execute and deliver to Collateral Agent any and all assignments, agreements, instruments, documents and such other papers as may be required or as requested by Collateral Agent to evidence the assignment of a security interest in each such IP Collateral; (x) with respect to the Copyright Collateral, each Grantor shall, at its sole expense, do, make, execute and deliver all such additional and further acts, things, deeds, assurances, and instruments necessary for the creation, validity, and perfection of the security interests provided for in this Agreement in favor of Collateral Agent for the benefit of the Secured Party under 35 U.S.C. Section 261, 15 U.S.C. Section 1051 et seq., 17 U.S.C. Sections 101, 201 et seq., the NUCC or other Law of the United States of America, the State of Nevada, other States in any of the Copyright Collateral and to completely vest in and assure to Collateral Agent its rights hereunder in any of the Copyright Collateral, and each Grantor hereby irrevocably authorizes Collateral Agent or its designee, at such Grantor's expense, to execute such documents, and file such financing statements with respect thereto with or without such Grantor's signature, as Collateral Agent may reasonably deem appropriate (it being understood that Collateral Agent shall have no obligation to do any such filings); and (y) as of the date hereof, Grantors hold no tort claims except as described on Schedule 6 attached hereto. In the event that any recording or refiling (or the filing of any statement of continuation or assignment of any financing statement) or any other action, is required at any time to protect and preserve such security interests in the Copyright Collateral, each Grantor shall, at its sole cost

and expense, cause the same to be done or taken at such time and in such manner as may be necessary. Each Grantor further authorizes Collateral Agent to have this or any other similar agreement recorded or filed with the USCO or other appropriate federal, state or foreign government office. Each Grantor agrees that, in the event any Grantor takes any action pursuant to this Section 6 to grant or perfect a Lien in favor of the Credit Agreement Collateral Agent or the Initial Additional First Lien Collateral Agent, as applicable, in any Collateral or portion thereof, such Grantor shall also take such action to grant or perfect a Lien in respect of such assets (subject to the General Intercreditor Agreement, Section 5 and Section 7) in favor of Collateral Agent to secure the Secured Obligations, whether or not such action was requested by Collateral Agent.

7. Deposit Accounts. For each deposit account included in the Collateral that any Grantor at any time opens or maintains, each Grantor shall cause the depository bank to agree to comply with at any time instructions from Collateral Agent to such depository bank directing the disposition of funds from time to time credited to such deposit account, without further consent of such Grantor, pursuant to an agreement granting "control" (within the meaning of Section 9-104 of the NUCC) (a "Control Account Agreement") in a form reasonably satisfactory to Collateral Agent; provided that the requirements of this Section 7 shall be deemed satisfied for so long as the Credit Agreement Collateral Agent is a party to control agreements with respect to such deposit accounts for the benefit of the Secured Party in accordance with the General Intercreditor Agreement or the Credit Agreement Collateral Agent has agreed not to request a control agreement with respect to such deposit account; and provided, further, that after the Discharge of the Credit Agreement Obligations (as such term is defined in the General Intercreditor Agreement), each Grantor shall use its commercially reasonable efforts to enter into a Control Account Agreement with respect to each deposit account within 30 days after the Discharge of the Credit Agreement Obligations except for any "cage cash," international marketing, deposit accounts used exclusively for payroll and deposit accounts the balance of which is transferred at the end of each business day to another deposit account subject to Collateral Agent's control. Without limitation on the foregoing, Collateral Agent shall also have the right (but not an obligation) at any time, whether or not an Event of Default shall have occurred or be continuing, to make reasonable inquiry of each applicable depository institution at which a deposit account is maintained to verify the account balance of such deposit account.

8. Collateral Agent's Rights Regarding Collateral. Upon the occurrence and during the continuation of an Event of Default, at the expense of each Grantor, Collateral Agent may, to the extent it may be necessary or desirable to protect the security hereunder, but Collateral Agent shall not be obligated to: (a) notify obligors on the Collateral that the Collateral has been assigned to Collateral Agent for the benefit of Secured Party; and (b) at any time and from time to time request from obligors on the Collateral, in the name of each Grantor or in the name of Collateral Agent, information concerning the Collateral and the amounts owing thereon. The foregoing power of attorney is coupled with an interest and is irrevocable. Each Grantor shall maintain books and records pertaining to the Collateral in a manner consistent with Collateral Agent's interests hereunder. Each Grantor shall at any time at Collateral Agent's request mark the Collateral and/or each Grantor's ledger cards, books of account and other records relating to the Collateral with appropriate notations satisfactory to Collateral Agent disclosing that they are subject to Collateral Agent's security interests. Collateral Agent shall at any time during regular business hours on reasonable notice have reasonable access to and the right to audit any and all of any Grantor's books and records pertaining to the Collateral, and to confirm and verify the value of the Collateral and to do whatever else Collateral Agent reasonably may deem necessary or desirable to protect its interests and the interest of Secured Party; provided, however, that any such action which involves communicating with customers of each Grantor shall be carried out by Collateral Agent through each Grantor's independent auditors unless Secured Party shall then have the right directly to notify obligors on the Collateral as provided in Section 12. Collat-

eral Agent shall be under no duty or obligation whatsoever to take any action to preserve any rights of or against any prior or other parties in connection with the Collateral, to exercise any voting rights or managerial rights with respect to any Collateral, whether or not an Event of Default shall have occurred, or to make or give any presentments, demands for performance, notices of non-performance, protests, notices of protests, notices of dishonor or notices of any other nature whatsoever in connection with the Collateral or the Secured Obligations. Collateral Agent shall be under no duty or obligation whatsoever to take any action to protect or preserve the Collateral or any rights of each Grantor therein, or to make collections or enforce payment thereon, or to participate in any foreclosure or other proceeding in connection therewith.

9. Collections on the Collateral. Except as otherwise provided in any Notes Document, each Grantor shall have the right to use and to continue to make collections on and receive dividends and other proceeds of all of the Collateral in the ordinary course of business so long as no Event of Default shall have occurred and be continuing and Collateral Agent has not elected to exercise its rights hereunder. Upon the occurrence and during the continuance of an Event of Default, and after Collateral Agent has elected to exercise its rights hereunder, each Grantor's right to make collections on and receive dividends and other proceeds of the Collateral and to use or dispose of such collections and proceeds shall terminate, and any and all dividends, proceeds and collections, including all partial or total prepayments, then held or thereafter received on or on account of the Collateral will be held or received by each Grantor in trust for Collateral Agent and immediately delivered in kind to Collateral Agent for the benefit of Secured Party. Any remittance received by each Grantor from any Person shall be rebuttably presumed to relate to the Collateral and to be subject to Collateral Agent's security interests. Upon the occurrence and during the continuance of an Event of Default, Collateral Agent shall have the right at all times to receive, receipt for, endorse, assign, deposit and deliver, in the name of Collateral Agent or in the name of each Grantor, any and all checks, notes, drafts and other instruments for the payment of money constituting proceeds of or otherwise relating to the Collateral; and each Grantor hereby authorizes Collateral Agent to affix, by facsimile signature or otherwise, the general or special endorsement of it, in such manner as Collateral Agent shall deem advisable, to any such instrument in the event the same has been delivered to or obtained by Collateral Agent without appropriate endorsement, and Collateral Agent and any collecting bank are hereby authorized to consider such endorsement to be a sufficient, valid and effective endorsement by each Grantor, to the same extent as though it were manually executed by the duly authorized officer of such Grantor, regardless of by whom or under what circumstances or by what authority such facsimile signature or other endorsement actually is affixed, without duty of inquiry or responsibility as to such matters, and each Grantor hereby expressly waives demand, presentment, protest and notice of protest or dishonor and all other notices of every kind and nature with respect to any such instrument.

10. Possession of Collateral by Collateral Agent. Any or all of the Collateral delivered to Collateral Agent will be held in a non-interest-bearing account and may be applied to payment of the Secured Obligations in accordance with the Indenture and the General Intercreditor Agreement. Nothing herein shall obligate Collateral Agent to invest any Collateral or obtain any particular return thereon. Upon the occurrence and during the continuance of an Event of Default, whenever any of the Collateral is in Collateral Agent's possession, custody or control, Collateral Agent may use, operate and consume the Collateral, whether for the purpose of preserving and/or protecting the Collateral, or for the purpose of performing any of any Grantor's obligations with respect thereto, or otherwise in accordance with the Indenture. Collateral Agent may at any time deliver or redeliver the Collateral or any part thereof to each Grantor, and the receipt of any of the same by such Grantor shall be complete and full acquittance for the Collateral so delivered, and Collateral Agent thereafter shall be discharged from any liability or responsibility therefor. So long as Collateral Agent exercises reasonable care with respect to any Collateral in its possession, custody or control, Collateral Agent shall

have no liability for any loss of or damage to such Collateral, and in no event shall Collateral Agent have liability for any diminution in value of Collateral occasioned by economic or market conditions or events. Collateral Agent shall be deemed to have exercised reasonable care within the meaning of the preceding sentence if the Collateral in the possession, custody or control of Collateral Agent is accorded treatment substantially equal to that which Collateral Agent accords its own property, it being understood that Collateral Agent shall not have any responsibility for: (a) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not Collateral Agent has or is deemed to have knowledge of such matters; or (b) taking any necessary steps to preserve rights against any Person with respect to any Collateral.

11. Events of Default. There shall be an event of default hereunder upon the occurrence and during the continuance of an Event of Default.

12. Rights Upon Event of Default. Subject to the terms of the General Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default, Collateral Agent shall have, in any jurisdiction where enforcement hereof is sought, in addition to all other rights and remedies that Collateral Agent and/or Secured Party may have under applicable Law or in equity or under this Agreement (including, without limitation, all rights set forth in Section 9 hereof) or under any other Notes Document, all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction, and, in addition, the following rights and remedies, all of which may be exercised with or without notice (except to the extent notice is required to be given pursuant to applicable Law or this Agreement) to each Grantor and without affecting the obligations of any Grantor hereunder or under any other Notes Document, or the enforceability of the Liens and security interests created hereby: (a) to foreclose the Liens and security interests created hereunder or under any other agreement relating to any Collateral by any available judicial procedure or without judicial process in accordance with applicable Law; (b) to enter any premises where any Collateral may be located for the purpose of securing, protecting, inventorying, appraising, inspecting, repairing, preserving, storing, preparing, processing, taking possession of or removing the same; (c) to sell, assign, lease or otherwise dispose of any Collateral or any part thereof, either at public or private sale or at any broker's board, in lot or in bulk, for cash, on credit or otherwise, with or without representations or warranties and upon such terms as shall be acceptable to Collateral Agent; (d) to notify obligors on the Collateral that the Collateral has been assigned to Collateral Agent for the benefit of Secured Party and that all payments thereon are to be made directly and exclusively to Collateral Agent for the benefit of Secured Party; (e) to notify any Pledged Securities Issuer, and any and all other obligors on any Pledged Collateral, that the same has been pledged to Collateral Agent for the benefit of Secured Party and that all distributions related thereto, interest and other payments thereon are to be made directly and exclusively to Collateral Agent for the benefit of Secured Party; (f) to collect by legal proceedings or otherwise all dividends, distributions, interest, principal or other sums now or hereafter payable upon or on account of the Collateral; (g) to cause the Collateral to be registered in the name of Collateral Agent, as legal owner, for the benefit of Secured Party; (h) to enter into any extension, reorganization, deposit, merger or consolidation agreement, or any other agreement relating to or affecting the Collateral, and in connection therewith Collateral Agent may deposit or surrender control of the Collateral and/or accept other Property in exchange for the Collateral; (i) to settle, compromise or release, on terms acceptable to Collateral Agent, in whole or in part, any amounts owing on the Collateral and/or any disputes with respect thereto; (j) to extend the time of payment, make allowances and adjustments and issue credits in connection with the Collateral in the name of Collateral Agent or in the name of any Grantor; (k) to enforce payment and prosecute any action or proceeding with respect to any or all of the Collateral and take or bring, in the name of Collateral Agent or in the name of each Grantor, any and all steps, actions, suits or proceedings deemed by Collateral Agent necessary or desirable to effect collection of or to realize upon the Collateral, including any judicial or nonjudicial

foreclosure thereof or thereon in accordance with applicable Law, and each Grantor specifically consents to any nonjudicial foreclosure of any or all of the Collateral or any other action taken by Collateral Agent which may release any obligor from personal liability on any of the Collateral, and each Grantor waives any right not expressly provided for in this Agreement or required under the NUCC to receive notice of any public or private judicial or nonjudicial sale or foreclosure of any security or any of the Collateral; and any money or other property received by Collateral Agent in exchange for or on account of the Collateral, whether representing collections or proceeds of Collateral, and whether resulting from voluntary payments or foreclosure proceedings or other legal action taken by Collateral Agent or any Grantor may be applied by Collateral Agent without notice to each Grantor to the Secured Obligations in such order and manner as set forth in the Indenture and the General Intercreditor Agreement; (l) to insure, process and preserve the Collateral; (m) to exercise all rights (including voting rights), remedies, powers or privileges provided to Collateral Agent or Secured Party under any of the Notes Documents; (n) to remove, from any premises where the same may be located, the Collateral and any and all documents, instruments, files and records, and any receptacles and cabinets containing the same, relating to the Collateral, and Collateral Agent may, at the cost and expense of each Grantor, use such of its supplies, equipment, facilities and space at its places of business as may be necessary or appropriate to properly administer, process, store, control, prepare for sale or disposition and/or sell or dispose of the portion of the Collateral owned by each Grantor or to properly administer and control the handling of collections and realizations thereon, and Collateral Agent shall be deemed to have a rent-free tenancy of any premises of each Grantor for such purposes and for such periods of time as reasonably required by Collateral Agent; (o) to receive, open and dispose of all mail addressed to each Grantor and notify postal authorities to change the address for delivery thereof to such address as Collateral Agent may designate; provided that Collateral Agent agrees that it will promptly deliver over to each Grantor such opened mail as does not relate to the Collateral; (p) to exercise all other rights, powers, privileges and remedies of an owner of the Collateral; and (q) to perform any obligation of Grantor under this Agreement or any obligation of any other Person under the Notes Documents should Grantor or such Person fail to perform such obligations; all at Collateral Agent's option and as Collateral Agent in its sole discretion may deem advisable. Each Grantor will, at Collateral Agent's request, assemble the Collateral and make it available to Collateral Agent at places which Collateral Agent may reasonably designate, whether at the premises of each Grantor or elsewhere, and will make available to Collateral Agent, free of cost, all premises, equipment and facilities of each Grantor for the purpose of Collateral Agent's taking possession of the Collateral or storing same or removing or putting the Collateral in salable form or selling or disposing of same.

Upon the occurrence and during the continuance of an Event of Default, Collateral Agent also shall have the right, without notice or demand (except to the extent notice and demand are required to be given pursuant to applicable Law), either in person, by agent or by a receiver to be appointed by a court (and each Grantor hereby expressly consents upon the occurrence and during the continuance of an Event of Default to the appointment of such a receiver), and without regard to the adequacy of any security for the Secured Obligations, to take possession of the Collateral or any part thereof and to collect and receive the rents, issues, profits, income and proceeds thereof. Collateral Agent shall further have the right to use any of the IP Collateral for the sale of goods, completion of work in process or rendering of services in connection with enforcing any of the security interests granted to Collateral Agent for the benefit of Secured Party by each Grantor. Taking possession of the Collateral shall not cure or waive any Event of Default or notice thereof or invalidate any act done pursuant to such notice. The rights, remedies and powers of any receiver appointed by a court shall be as ordered by said court.

Any public or private sale or other disposition of the Collateral may be held at any office of Collateral Agent, or at each Grantor's places of business, or at any other place permitted by

applicable Law, and without the necessity of the Collateral's being within the view of prospective purchasers. Collateral Agent may direct the order and manner of sale of the Collateral, or portions thereof, as it in its discretion may determine, and each Grantor expressly waives any right to direct the order and manner of sale of any Collateral. Secured Party or any Person on Secured Party's behalf may bid and purchase at any such sale or other disposition. The net cash proceeds resulting from the collection, liquidation, sale, lease or other disposition of the Collateral shall be applied, first, to the expenses (including reasonable attorneys' fees and disbursements) of retaking, holding, storing, processing and preparing for sale or lease, selling, leasing, collecting, liquidating and the like, and then to the satisfaction of the Secured Obligations entitled thereto in accordance with the Indenture and the General Intercreditor Agreement, and then to the other Persons entitled thereto in accordance with the Indenture and the General Intercreditor Agreement. Each Grantor and any other Person then obligated therefor shall pay to Collateral Agent on demand any deficiency with regard thereto which may remain after such sale, disposition, collection or liquidation of the Collateral.

Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Collateral Agent will send or otherwise make available to each Grantor, reasonable notice of the time and place of any public sale thereof or of the time on or after which any private sale thereof is to be made. The requirement of sending reasonable notice conclusively shall be met if such notice is mailed, first class mail, postage prepaid, to each Grantor at its address designated below, at least ten (10) days before the date of the sale. Each Grantor expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations except as expressly provided for in this paragraph.

With respect to any Collateral, including the Pledged Collateral, consisting of securities, partnership interests, joint venture interests, Investments or the like, and whether or not any of such Collateral has been effectively registered under the Securities Act of 1933, as amended, or other applicable Laws, Collateral Agent may, in its sole and absolute discretion, sell all or any part of such Collateral at private sale in such manner and under such circumstances as Collateral Agent may deem necessary or advisable in order that the sale may be lawfully conducted. Without limiting the foregoing, Collateral Agent may: (i) approach and negotiate with a limited number of potential purchasers; and (ii) restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing such Collateral for their own account for investment and not with a view to the distribution or resale thereof. In the event that any such Collateral is sold at private sale, each Grantor agrees that if such Collateral is sold for a price which Collateral Agent in good faith believes to be reasonable under the circumstances then existing, then (a) the sale shall be deemed to be commercially reasonable in all respects, and (b) Collateral Agent and Secured Party shall not incur any liability or responsibility to any Grantor in connection therewith, notwithstanding the possibility that a substantially higher price might have been realized at a public sale. Each Grantor recognizes that a ready market may not exist for such Collateral if it is not regularly traded on a recognized securities exchange, and that a sale by Collateral Agent of any such Collateral for an amount substantially less than a pro rata share of the fair market value of the issuer's assets minus liabilities may be commercially reasonable in view of the difficulties that may be encountered in attempting to sell a large amount of such Collateral or Collateral that is privately traded.

Upon the occurrence and during the continuance of an Event of Default, Collateral Agent may for the benefit of Secured Party use any of the Trademarks for the sale of goods, completion of work in process, or rendering of services in connection with enforcing any security interest granted by each Grantor to Collateral Agent for the benefit of Secured Party. Collateral Agent may grant such license or licenses relating to the Trademark Collateral for such term or terms, on such conditions and in such manner, as Collateral Agent shall, in its sole discretion, deem appropriate. Such

license or licenses may be general, special, or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or part of the United States of America, its territories and possessions, and all foreign countries. In connection with any such license or any sale or other disposition of the Trademark Collateral (or any part thereof), each Grantor shall supply to Collateral Agent, or Collateral Agent's designee, such Grantor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Grantor's customer lists and other records relating to the Trademarks and the distribution thereof.

Upon consummation of any sale of Collateral hereunder, Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the Collateral so sold absolutely free from any claim or right upon the part of each Grantor or any other Person, and each Grantor hereby waives (to the extent permitted by applicable Laws) all rights of redemption, stay and appraisal which it now has or may at any time in the future have under any rule of Law or statute now existing or hereafter enacted. If the sale of all or any part of the Collateral is made on credit or for future delivery, Collateral Agent shall not be required to apply any portion of the sale price to the Secured Obligations until such amount actually is received by Collateral Agent, and any Collateral so sold may be retained by Collateral Agent, subject to the terms of the Indenture and the General Intercreditor Agreement, until the sale price is paid in full by the purchaser or purchasers thereof. Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to pay for the Collateral so sold, and, in case of any such failure, the Collateral may be sold again.

13. Voting Rights; Dividends; etc. With respect to any Collateral consisting of securities, partnership interests, joint venture interests, Investments or the like, including any Pledged Collateral (referred to collectively and individually in this Section 13 and in Section 14 as the "Investment Collateral"), so long as no Event of Default occurs and remains continuing and Collateral Agent has not elected to exercise its rights hereunder:

13.1 Voting Rights. Each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Investment Collateral, or any part thereof, for any purpose not inconsistent with the terms of this Agreement, the Indenture, or any of the other Notes Documents; provided, however, that each Grantor shall not exercise, or shall refrain from exercising, any such right if it could reasonably be expected to result in a Default or an Event of Default.

13.2 Interest Dividend and Distribution Rights. Except as otherwise provided in any Notes Document, each Grantor shall be entitled to receive and to retain and use any and all interest and distributions paid in respect of the Investment Collateral; provided, however, that, any and all such interest and such distributions received in the form of capital stock, or other Equity Interests, certificated securities, warrants, options or rights to acquire any Equity Interests forthwith shall be, and the certificates representing such Equity Interests, if any, forthwith shall be delivered to Collateral Agent for the benefit of Secured Party to hold as Pledged Collateral and shall, if received by each Grantor, be received in trust for the benefit of Secured Party, be segregated from the other Property of each Grantor, and forthwith be delivered to Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsements in suitable form for transfer by delivery or accompanied by executed and undated instruments of transfer or assignment in blank, all in form and substance satisfactory to Collateral Agent).

14. Rights During Event of Default. With respect to any Investment Collateral, so long as an Event of Default has occurred and is continuing:

14.1 Voting, Dividend, and Distribution Rights. Upon the election of Collateral Agent, all rights of each Grantor to exercise the voting and other consensual rights which each Grantor would otherwise be entitled to exercise pursuant to Section 13.1 above, and to receive the interest and distributions which each Grantor would otherwise be authorized to receive and retain pursuant to Section 13.2 above, shall cease, and all such rights thereupon shall become vested in Collateral Agent for the benefit of Secured Party which thereupon shall have the sole right to exercise such voting and other consensual rights and to receive and to hold as Pledged Collateral such interest and distributions.

14.2 Dividends and Distributions Held in Trust. In no event shall Collateral Agent have any liability in respect of any such instruction received by it and relied on with respect to any action or omission taken pursuant thereto.

(vii) Neither Collateral Agent nor any of its experts, officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any of the Notes Documents (except for its gross negligence, bad faith or willful misconduct), or (b) responsible in any manner for any recitals, statements, representations or warranties (other than its own recitals, statements, representations or warranties) made in this Agreement or any of the other Notes Documents or in any certificate, report, statement or other document referred to or provided for in, or received by Collateral Agent under or in connection with, this Agreement or any of the Notes Documents or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any of the Notes Documents or for any failure of the Grantors or any other Person to perform their obligations hereunder and thereunder.
