Debtor warrants title to and will defend the Collateral against all claims and demands of persons claiming any interest in the Collateral adverse to Secured Party. Debtor will not permit any liens or security interests other than Secured Party's security interest to attach to any of the Collateral, and will not permit the Collateral to be levied upon, garnished or any legal process, or subjected to any other thing to be done that may impair the value of the Collateral or the security interest granted to Secured Party by Debtor.

Secured Party's consent may be conditioned upon any requirements (including, but not limited to, the application of proceeds to obligations secured by this Agreement) which Secured Party deems to be for the protection of its security interest. Secured Party's consent will not be deemed to be effective unless and until such requirements and conditions have been fulfilled. Neither Debtor's grant of a security interest in the proceeds of the Collateral nor any requirement that Debtor furnish a statement concerning farm products, if applicable, shall be construed to mean that Secured Party consents to sale or any other disposition of the Collateral.

7. **MAINTENANCE AND INSPECTION.** Debtor, at its own expense, shall (a) keep the Collateral in good condition and repair so that its value and operating efficiency shall be maintained and preserved; (b) not permit the Collateral to be misused, abused, wasted or allowed to deteriorate, except for the ordinary wear and tear of its intended primary use; (c) prudently protect the Collateral from the elements; and (d) use the Collateral lawfully and not permit its illegal use or its use in a manner not permitted or covered by the insurance on the Collateral required by this Agreement. 9. **AFIXING TO REAL OR PERSONAL PROPERTY PROHIBITED.** Unless Debtor has also granted Secured Party a first priority mortgage in the Collateral, Debtor shall not permit any of the Collateral which is personal property to become an accession or affixed to other personal property or become attached or affixed to real property without first obtaining Secured Party's written consent. Secured Party's consent may be conditioned upon any requirements (including, but not limited to, the subrogation of other interest owners in and to such other personal or real property to Secured Party's rights and interest in the Collateral) which Secured Party deems to be for the protection of its security interest. Secured Party's consent will not be deemed to be effective unless and until such requirements and conditions have been fulfilled.

10. **INSURANCE ON THE COLLATERAL.** While any of the Indebtedness remains outstanding and throughout the full term of this Agreement, Debtor shall maintain and pay for insurance on all Collateral, wherever located, including but not limited to storage facilities or in transit in vehicles, including goods evidenced by documents. Debtor assigns to Secured Party any returned or unearned premiums which may be due upon cancellation of any such policies for any reason whatsoever, and directs insurers to pay Secured Party any amounts so due. Any balance of insurance proceeds remaining after payment in full of all amounts secured by this Agreement shall be paid to Debtor.

The amount of Debtor's liability for the foregoing shall be the amount of the interest on the debt, plus the annual percentage rate ("APR") or interest rate provided in the instrument secured by this Agreement. Any notice required in connection with this paragraph shall be sufficient if given at Debtor's address set forth in this Agreement by (a) mailing the notice at least 10 days before, or (b) delivering the notice at least 5 days before the commencement of the performance of the duties specified in the notice.

15. **PURCHASE MONEY SECURITY INTEREST.** To the extent Debtor uses the Indebtedness to purchase Collateral, Debtor's repayment of the Indebtedness shall apply on a "first-in-first-out" basis so that the portion of the Indebtedness used to purchase a particular item of Collateral shall be paid in the chronological order the Debtor purchased the Collateral.

16. **DEBTOR'S NAME AND LOCATION.** Debtor's exact legal name is as set forth on the reverse side of this Agreement. Debtor is an individual, Debtor's principal residence is at Debtor's address as set forth herein. Until the Indebtedness is paid in full, Debtor agrees that it will not change its location (or, for example, its state of incorporation) or its legal name without providing Secured Party 30 days' prior written notice.

17. **DEBTOR'S COOPERATION.** In addition to Debtor's other obligations and agreements in this Agreement, and Secured Party's remedies, Debtor agrees and promises to do all acts which Secured Party deems reasonable or necessary to preserve or protect the Collateral, including, without limitation, the following:

(a) **FARM PRODUCTS.** If the Collateral includes "farm products," Debtor agrees to execute and deliver to Secured Party a financing statement containing all information required by law. Debtor also agrees to execute and deliver to Secured Party a statement of the names and buyers, consumption merchants, and selling agents to or through whom Debtor may sell the farm products and agrees to keep such list current. Secured Party may inform persons on such list and others of Secured Party's security interest in the farm products. If any of the farm products are sold to or through any person or entity not on the list, Debtor may be subject to a claim by Secured Party for the proceeds of such sale. Debtor agrees that at least 7 days prior to such sale, or unless all sale proceeds are remitted to Secured Party within 10 days after such sale, Debtor shall execute a certificate containing, in addition to all information required by law, the name of Secured Party and a statement that Secured Party holds a security interest in the farm products listed on the certificate.

Debtor will cooperate with Secured Party and use Debtor's best efforts to allow Secured Party use of all Debtor's right, title and interest in or to all water privileges, all other equipment used in the feeding and handling of the livestock, and all contracts and leases covering land, for pasture and grazing.

Secured Party will hold such proceeds and property in the same manner as the Collateral originally pledged under this Agreement. Secured Party, at its option, may permit such property to be received and retained by Debtor, but Secured Party may at any time terminate such permission. Debtor shall execute all necessary stock powers and other conveyances to pledge to Secured Party any property described in this paragraph. Debtor also shall execute and deliver such financing statements and other documents required by Secured Party to protect or perfect the assignment, pledge, transfer and grant of the security interest granted in this Agreement. Regardless of the form of any assignment, endorsement or other conveyance executed by Debtor, Debtor waives presentment, demand, notice of dishonor, protest or other formalities with respect to such conveyances. If the Collateral includes accounts or other receivables and the right to payment is evidenced by a letter of credit, Debtor agrees to deliver the letter of credit immediately to Secured Party, and not to make demand under it or assign it by way of security or otherwise without Secured Party's prior express consent in writing, which consent Secured Party is under no obligation to give.

(d) **CASH AND OTHER REMITTANCES.** Upon demand of and as specified by Secured Party, when Debtor receives any checks, trade acceptances, drafts, cash, or other remittances, in payment of accounts or other Collateral or as proceeds of inventory or other Collateral, Debtor shall apply the same directly on Debtor's liability to Secured Party, or deposit the same in a special account maintained with Secured Party and from which Secured Party has the power of withdrawal. If Secured Party so requires, Debtor will promptly notify Secured Party of such applications or deposits, identifying in writing the source of same and the Collateral which has been converted into cash. The proceeds of such applications or deposits shall be held by Secured Party as security for all Debtor's liabilities to Secured Party. Said proceeds shall be deposited in precisely the form received, except for Debtor's endorsement when necessary to permit collection of items, which endorsement Debtor agrees to make, and which Secured Party is hereby granted a power of attorney to make on Debtor's behalf if Debtor fails or refuses to make such endorsement. Pending such deposits, Debtor agrees that any such checks, drafts, cash or other remittances shall be considered proceeds of Debtor's liability to Secured Party, but will be held separate and apart and in trust for Secured Party until deposit of same is made in the special account. Secured Party, at intervals to be determined by Secured Party, apply the whole or any part of any monies which are on deposit with Secured Party, whether owned by Debtor or any other party liable under this Agreement, against the principal or interest due on any loans made to Debtor by Secured Party, or against Debtor's other liabilities to Secured Party secured by this Agreement, until Secured Party's sole option, unless so set off by those deposits, without any written agreement between Debtor and Secured Party or any governmental regulation. Debtor shall not apply such proceeds to any other debt until such proceeds are covered by this Agreement. All proceeds where the right to payment has not yet been earned by performance shall be evidenced by a binding written contract between Debtor and Secured Party. Secured Party's security interest in such proceeds shall be provided to Secured Party. Secured Party shall have the right to notify any account debtor or obligor of Debtor's obligation to make payments directly to Secured Party and Secured Party may take control of all proceeds, which right Secured Party may exercise at any time. Until such time as Secured Party elects to exercise such right, Debtor is authorized as Secured Party's agent to collect and enforce such proceeds. The costs of such collection and enforcement, including attorney's fees and other expenses, shall be borne by Debtor, whether incurred before or after Secured Party or Debtor.

(f) **FEDERAL ASSIGNMENT OF CLAIMS ACT.** If the Collateral includes accounts or other receivables with a face value over \$1,000, and which arise out of a contract with the United States of America or any of its departments, agencies, subdivisions or instrumentalities, Debtor shall notify Secured Party promptly in writing of that fact. Debtor shall execute any instruments and take any other action Secured Party requires or requests to perfect Secured Party's security interest in such accounts under the provisions of the Federal Assignment of Claims Act.
