1. Expanding Access to Rate Relief

Popular Title: Expanding Access to Rate Relief

RIN 2140-AB37

Stage: Pre-Rule

Previous Stage: ANPRM served 8/31/2016; End of Comment Period 12/19/2016. Decision served 3/28/2018 waiving the prohibition on ex parte communications in this proceeding. In conjunction with a NPRM in Docket No. EP 755, served 9/12/2019, the Board requested additional comment on this proceeding, including whether to close it; End of Comment Period 1/10/2020. SNPRM served 11/15/2021, including a proposal to close this docket.

Abstract: The Board is considering procedures that could comprise a new rate reasonableness methodology for use in very small disputes, which would be available to shippers of agricultural products and all other commodities. In response to comments received and to ensure parallel consideration of the proposal in Docket Number EP 755, the Board is inviting parties to comment on certain modifications to that rate reasonableness procedure and its proposal to close this docket.

Effects:

None

Prompting action: Board Initiative

Legal Deadline: None

Rulemaking Project Initiated: 08/31/2016

Docket Number: EP 665 (Sub-No. 2) [the decision issuing the SNPRM also requested comments in Final Offer Rate Review, Docket No. EP 755]

Dates for Comments:

Milestone	Scheduled Date	New Projected Date	Actual Date
Comments	1/14/2022	N/A	1/14/2022
Replies	3/15/2022	4/15/2022	N/A

Explanation for any delay: By decision served 12/29/2021, the Board partially granted a request to extend the procedural schedule made in Docket No. EP 765 and extended the deadline for reply comments in this docket and in EP 755 until 4/15/2022 so that the related rulemakings remain on the same schedule.

Federal Register Citation for SNPRM: 86 Fed. Reg. 67,622 (Nov. 26, 2021)

Surface Transportation Board

2. Review of Commodity, Boxcar, and TOFC/COFC Exemptions

Popular Title: Commodity Exemptions

RIN 2140-AB29

Stage: Proposed Rule

Previous Stage: NPRM served 3/23/2016; End of Comment Period 8/26/2016. Decision served 3/19/2019 waiving the prohibition on ex parte communications in this proceeding and providing a 90-day period for meetings with Board members; End of Comment Period in response to memoranda summaries of ex parte meetings 7/16/2019. Decision served 9/30/2020 requesting comments from interested parties. Board staff held technical conference on 12/18/2020 and 1/15/2021. End of Comment Period 3/1/2021.

Abstract: In this proceeding, the Board issued a notice of proposed rulemaking seeking public comment on its proposal to revoke the existing class exemptions under 49 C.F.R. Part 1039 for crushed or broken stone or rip rap; hydraulic cement; and coke produced from coal, primary iron or steel products, and iron or steel scrap, wastes or tailings. The Board is committed to ensuring that a robust analysis be conducted when determining whether to proceed with any commodity exemptions or exemption revocations. Therefore, following the feedback received during the course of this proceeding, the Board's Office of Economics developed an approach for possible use in considering class exemption and revocation issues and the Board is seeking comments on the approach from interested parties.

Effects: Regulatory Flexibility Act

Prompting action: Board Initiative

On 3/28/2018, the Board issued a decision clarifying that a prohibition on ex parte communications in this proceeding is not applicable.

The subject matter of this proceeding was under review by the Board's Rate Reform Task Force. The Task Force issued its findings and recommendations in its 4/25/19 report, which was publicly released on 4/29/2019. The Board held a public hearing on 12/12 and 12/13/2019, to receive input from interested stakeholders on the Task Force's options regarding possible changes to revenue adequacy. The hearing record closed on 2/13/2020.

Please note that, on 12/30/2020, in response to a joint petition for rulemaking, the Board opened a rulemaking proceeding regarding the Board's annual revenue adequacy determinations and requested supplemental information.

Explanation for any delay: Prior quarterly submissions available on the Board's website provide information regarding the status of this matter relevant at the time of each submission.

5. Final Offer Rate Review

Popular Title: FORR, Final Offer

RIN 2140-AB46

Stage: Proposed Rule

Previous Stage: NPRM served 9/12/2019; End of Comment Period 1/10/2020. Decision served 5/15/2020 waiving the prohibition on ex parte communications between 6/1/2020 and 7/15/2020. SNPRM issued 11/15/2021. Decision served 12/29/2021 extending waiver of the Board’s ex parte communications until 3/28/2022.

Abstract: The Board proposes a new procedure for challenging the reasonableness of railroad rates in smaller cases. In this procedure, the Board would decide a case by selecting either the complainant’s or the defendant’s final offer, subject to an expedited procedural schedule that adheres to firm deadlines. In response to comments received and to ensure parallel consideration of the proposal in Docket Number EP 765, the Board is inviting parties to comment on certain modifications to this rate reasonableness procedure. It has also again waived the prohibition on ex parte communication between 11/15/2021 and 02/23/2022.
