HAVE ANY RIGHT TO TERMINATE THIS AGREEMENT OR TO BE RELEASED, RELIEVED OR DISCHARGED FROM ITS OBLIGATION TO MAKE, AND SHALL NOT SUSPEND, REDUCE OR DISCONTINUE, ANY PAYMENT OF OPERATING FEES FOR ANY REASON WHATSOEVER (EXCEPT AS MAY BE EXPRESSLY PROVIDED HEREIN), including, without limitation:

(a) any default, misrepresentation, negligence, misconduct or other action or inaction of any kind by the Owner or any other Person, whether under or in connection with this Agreement or any other agreement relating to this Agreement or in connection with any unrelated transaction;

(b) the insolvency, bankruptcy, reorganization or cessation of existence, or discharge or forgiveness of indebtedness of any Person referred to in clause (a) above;

(c) the invalidity, unenforceability or impossibility of performance of this Agreement for any reason;

(d) any defect in the title, condition, design, operation or fitness for use of, or any Lien or other restriction of any kind upon, all or any part of any Allocated Asset, any loss or destruction of, or damage to, any Allocated Asset or any interruption in or cessation of the ownership, possession, operation or use of any Allocated Asset for any reason whatsoever;

(e) any restriction, prevention or curtailment of or interference with any Allocated Asset or the use thereof or any part thereof for any reason whatsoever, including, without limitation, by any Governmental Authority;

(f) any Applicable Law now or hereafter in force;

(g) any failure to obtain any required Governmental Action for a transfer of rights or title to the Owner, the Operator or any other Person;

(h) any amendment or other change of, or any assignment of any rights under, this Agreement, or any waiver or other action or inaction under or in respect of this Agreement, or any exercise or nonexercise of any right or remedy under or in respect of this Agreement, and

(i) any other cause, circumstance, happening or event whatsoever, foreseen or unforeseen, whether similar or dissimilar to any of the foregoing.

The Operator hereby waives and hereby agrees to waive at any future time at the request of the Owner, to the extent now or then permitted by Applicable Law, any and all rights that the Operator may have or that at any time hereafter may be conferred upon it, by statute, regulation or otherwise, to terminate, cancel, quit or surrender this Agreement other than in accordance with the express terms hereof. Each Operating Fee payment shall be final and the Operator agrees not
to seek to recover all or any part of any such payment (except for amounts paid to the Owner which the Owner in good faith agrees have been paid in error) from the Owner for any reason under any circumstance whatsoever.

SECTION 3.5 Tax Provisions. (a) During the Term and any Renewal Term, the Operator shall pay when due, all Taxes, other than Excluded Taxes (as hereinafter defined), imposed on the Owner, based upon the Allocated Assets or arising out of the use, lease, possession or operation of the Allocated Assets during that period. For purposes of this Section, (i) Owner shall mean the Owner and its Affiliates and (ii) Excluded Taxes shall mean (A) all Taxes based, in whole or in part, on net income or gross income (including, without limitation, any minimum tax) of the Owner or which are in substitution for, or relieve the Owner from, any Tax based upon or measured by the Owner's net income or gross income, together with any interest, penalties, additions to tax or additional amounts that may become payable in respect thereof, (B) business and occupation taxes, and gross receipts taxes of the Owner and Taxes based upon the equity interests of the Owner, and (C) interest, fines and penalties to the extent due to the acts or omissions of the Owner in connection with Excluded Taxes. The Operator shall not be required to pay any Tax it is obligated to pay under the provisions of this Section 3.5 during the time it shall reasonably and in good faith and by appropriate legal or administrative proceedings contest the validity or amount thereof.

(b) The Owner shall have the right and obligation, at its own expense, to prepare and file all Tax returns required to be filed by the Owner under Applicable Law. Prior to the Owner's filing of any Tax returns for Taxes required to be paid by the Operator under paragraph (a) of this Section 3.5, the Owner shall provide such returns to the Operator for its review and approval, which approval will not be unreasonably withheld or delayed.

(c) The Operator and its assignees and designees shall have the right (but only to the extent the Owner shall have such right, by contract or otherwise) to control at its expense any audit or examination by any Governmental Authority, or any judicial proceeding, relating to any Taxes required to be paid by it under paragraph (a) of this Section 3.5.

(d) During the Term and any Renewal Term, the Operator and any of its designees shall be entitled to claim federal, state and local tax benefits (including, without limitation, deductions and credits) arising out of Operator's expenditures in the use, possession or operation of the Allocated Assets by the Operator, or any of its respective assignees or designees, and the improvements thereto, that the Operator, or any of its designees is entitled to claim under federal, state and local laws and regulations. These tax benefits include but are not limited to: (i) deductions for depreciation or amortization attributable to property (both tangible and intangible) owned by the Operator, or any of its assignees or designees, including improvements made to any of the Allocated Assets by any of them, as well as expenditures made by any of them that are required to be capitalized under sections 263 or 263A or some other section of the Code; (ii) deductions for expenditures made by the Operator, or any of its assignees or designees, deductible as ordinary and necessary business expenses under section 162 of the Code; (iii)

The Owner is entitled to deductions for Taxes of the Owner paid by the Operator under paragraph (a) of this Section 3.5 and treated as rent paid by the Operator under this Agreement and taxable income received by the Owner under section 1.162-11(a) of the Income Tax Regulations.

ARTICLE IV

Representations, Warranties and Agreements

SECTION 4.1 Disclaimer of Warranties. AS BETWEEN THE OWNER AND THE OPERATOR, THE EXECUTION OF THIS AGREEMENT SHALL BE CONCLUSIVE PROOF OF ACCEPTANCE BY THE OPERATOR OF EACH ALLOCATED ASSET AS BEING IN COMPLIANCE WITH ALL REQUIREMENTS OF THIS AGREEMENT. THE OWNER AND THE OPERATOR TAKE EACH SUCH ALLOCATED ASSET "AS IS" AND "WHERE IS", AND THE OPERATOR ACKNOWLEDGES THAT THE OWNER HAS NOT MADE, NOR SHALL BE DEEMED TO HAVE MADE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, VALUE, COMPLIANCE WITH SPECIFICATIONS, CONDITION, MERCHANTABILITY, DESIGN, QUALITY, DURABILITY, OPERATION OR FITNESS FOR USE OR PURPOSE OF EACH SUCH ALLOCATED ASSET OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO EACH SUCH ALLOCATED ASSET OR OTHERWISE. IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE, AS BETWEEN THE OWNER AND THE OPERATOR, BY THE OPERATOR IN THE EVENT OF ANY DEFECT OR DEFICIENCY IN ANY SUCH ALLOCATED ASSET, OF ANY NATURE WHETHER PATENT OR LATENT, AND THAT THE OWNER SHALL NOT HAVE ANY RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO, except that the Owner hereby represents, warrants and covenants that each such Allocated Asset shall be free of Owner Liens on the Closing Date and except as otherwise provided in the Transaction Agreement. The provisions of this Section 4.1 have been negotiated, and the foregoing provisions are intended to be a complete exclusion and negation of any other warranties made by the Owner, express or implied, with respect to any Allocated Asset, whether arising pursuant to Applicable Law now or hereafter in effect or otherwise. Nothing contained in this Section 4.1 shall in any way diminish or otherwise affect any right the Operator may have with respect to any Allocated Asset against any third Person. The Owner shall not at any time be required to inspect any Allocated Asset, and any actual inspection by the Owner shall not be deemed to affect or modify the provisions of this Section 4.1.
SECTION 4.2 Operator To Exercise Certain Rights. (a) The Owner hereby authorizes the Operator, at the Operator’s expense, to exercise in the name of and on behalf of the Owner and the Operator, as their interests may appear, the right and power to deal with any third party lessor, lessee, licensor, licensee, seller, manufacturer, shipper or any other Persons (including agents and consultants thereof) with respect to any Allocated Asset or who are party to any Assigned Rights (each a "Third Party Provider") and the right to enforce (by legal action or otherwise) against such Third Party Provider all rights, powers and privileges of the Owner and to receive all benefits of the Owner with respect to such Third Party Provider, under any Contract, express or implied warranty, indemnity or otherwise; provided, that if an Event of Default shall have occurred and be continuing (and until all Events of Default, then outstanding shall no longer be continuing) the Owner may terminate the authority of the Operator under this Section 4.2. Any amount paid to the Owner or Operator pursuant to the Operator's exercise of its authority under this Section 4.2 shall be paid to the Operator. After the end of the Term or any Renewal Term with respect to any Allocated Asset or after the termination of this Agreement with respect to such Allocated Asset pursuant to Article XIV, (a) the Operator shall have no further rights, powers, privileges or benefits under this Section 4.2 and (b) all amounts payable by any Third Party Provider paid with respect to periods arising thereafter shall be paid to, and retained by, the Owner or any other Person as shall then be the owner of the Allocated Asset as to which such payment is made.

(b) The Operator shall, with the Owner's prior consent, have the right and power to execute and deliver on behalf of the Owner, the extension, renewal, amendment or modification of any Assigned Rights or any other Contract in respect of the Allocated Assets.

(c) The Owner shall as expeditiously as possible use its reasonable efforts to obtain or transfer to the Operator any Governmental Action or the consent, authorization, or approval of any private Person required to be made, obtained or transferred to effectuate the purposes of this Agreement and the transactions contemplated herein, which actions shall include furnishing all information required under or in connection with such Governmental Action or the approvals of, or filing with such private Person.

(d) The Operator shall pay, perform and discharge fully all of the obligations of the Owner or its Affiliates under all Assigned Rights and Contracts that are Allocated Assets from and after the Closing Date. The Owner or its Affiliates shall, without further consideration therefor, pay, assign and remit promptly to the Operator, as appropriate, all monies, rights and other consideration received in respect of such performance. The Owner or its Affiliates shall exercise or exploit the rights and options under all such Contracts only as reasonably directed by the Operator.
SECTION 4.3 Representations and Warranties of the Operator. The Operator represents and warrants to the Owner as of the Closing Date as follows:

(a) Due Organization, etc. The Operator (i) is a corporation duly organized and validly existing under the laws of the Commonwealth of Virginia, (ii) has the power and authority to enter into and perform its obligations under this Agreement and (iii) has obtained all Governmental Action required to use or hold the Allocated Assets in accordance with this Agreement, and to enter into and perform its obligations under this Agreement.

(b) Due Authorization, Non-Contravention, etc. The execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of the Operator, do not and will not conflict with, result in any violation of, or constitute any default under, any provision of any Organic Document of the Operator or Applicable Law.

(c) Due Execution. This Agreement has been duly executed and delivered by the Operator, and constitutes the legal, valid and binding obligation of the Operator enforceable against the Operator in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization or other laws of general application relating to or affecting the enforcement of creditors' rights and except that the availability of equitable remedies, including specific performance, is subject to the discretion of the court before which any proceeding therefor may be brought.

SECTION 4.4 Representations and Warranties of the Owner. The Owner represents and warrants to the Operator as of the Closing Date as follows:

(a) Due Organization, etc. The Owner (i) is a limited liability company duly organized and validly existing under the laws of the State of Delaware, (ii) has the power and authority to enter into and perform its obligations under this Agreement and (iii) has obtained all Governmental Action required to enter into and perform its obligations under this Agreement.

(b) Due Authorization, Non-Contravention, etc. The execution, delivery and performance of this Agreement have been duly authorized by all necessary company action on the part of the Owner, do not and will not conflict with, result in any violation of, or constitute any default under, any provision of any Organic Document of the Owner or Applicable Law.

(c) Due Execution. This Agreement has been duly executed and delivered by the Owner, and constitutes the legal, valid and binding obligation of the Owner enforceable against the Owner in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization or other laws of general application relating to or affecting the enforcement of creditors' rights and except that the availability of equitable remedies, including specific performance, is subject to the discretion of the court before which any proceeding therefor may be brought.
ARTICLE V

Liens: Quiet Enjoyment

SECTION 5.1 Liens. The Operator shall not directly or indirectly create, incur, assume or suffer to exist any Lien (other than Permitted Liens) on any Allocated Asset. The Operator will promptly, at its own expense, take such action as may be necessary duly to discharge any such Lien. The Operator's obligations under this Section 5.1 with respect to any such Lien on any Allocated Asset resulting from a claim arising prior to the termination of this Agreement with respect to such Allocated Asset shall survive such termination. The Operator agrees that, upon the termination of this Agreement, the Allocated Assets shall be returned to the Owner free and clear of Liens, other than Owner Liens.

SECTION 5.2 Quiet Enjoyment. Notwithstanding any other provision of this Agreement, so long as no Event of Default shall have occurred and be continuing, as between the Operator and Owner, the Operator shall have the exclusive rights to possession, control and use of all Allocated Assets and neither the Owner nor any Person acting or claiming through the Owner will take any action that shall interfere with the peaceful and quiet enjoyment or the possession and use or nonuse of any Allocated Asset by the Operator, and the Operator shall have the right to possess and use or not use such Allocated Asset in its sole discretion, subject always to the terms and conditions of this Agreement. The foregoing is not intended to limit the inspection rights of the Allocated Assets granted by the Operator pursuant to Section 12.1 hereof.

ARTICLE VI

Settlement Account

SECTION 6.1 Maintenance of Settlement Account. The Operator shall maintain a non-cash book account (the "Settlement Account") to reflect amounts owed by the Operator to the Owner as a result of transactions described in Sections 7.1(e), 8.1 and 10.1(a)(ii) hereof.

SECTION 6.2 Payment of Settlement Account Balance. The Operator shall pay to the Owner an amount equal to the then balance of the Settlement Account upon: (i) the sixth (6th), twelfth (12th), eighteenth (18th) and twenty-fourth (24th) anniversaries of the Closing Date, (ii) the expiration of the Term (or, if earlier, the termination of this Agreement), (iii) the sixth (6th) anniversary of the first day of each Renewal Term, (iv) the end of each Renewal Term (or, if earlier, the termination of this Agreement), (v) the Reversion Date (but only with respect to the Reversion Assets), and (vi) thirty (30) calendar days after the date on which a Substantial Allocated Asset (a) is not repaired or replaced under Section 7.1(e) hereof, (b) is abandoned, sold or otherwise disposed of under Section 8.1 hereof or (c) suffers an Event of Loss and is not replaced under Section 10.1(a)(i) hereof (each, a "Settlement Account Payment Date").
SECTION 6.3 Confirmation of Settlement Account. Within ten (10) days prior to a Settlement Account Payment Date, the Appraisal Procedure shall be used to confirm that credits to the Settlement Account were based on the fair market value of the relevant Allocated Assets consistent with the terms of this Agreement. The Settlement Account shall be adjusted consistent with the outcome of the Appraisal Procedure and the payments made pursuant to Section 6.2 hereof shall reflect any such adjustments.

ARTICLE VII

Operation, Maintenance

SECTION 7.1 Operation and Maintenance. The Operator shall at all times at its own expense during the Term:

(a) use the Allocated Assets in such manner and for such purposes as the Operator considers necessary or appropriate in connection with the operation of its business;

(b) keep and maintain such books, records and title documents relating to the Allocated Assets, and the acquisition, construction and installation of Modifications thereto and the payment of the purchase price of such Modifications, as the Operator considers appropriate consistent with the Operator's customary business practices;

(c) maintain the Allocated Assets in accordance with the Operator's customary practice;

(d) inspect, service, maintain, store, use, operate, repair, replace, modify and improve the Allocated Assets in compliance in all material respects with Applicable Law (including all applicable environmental and occupational safety laws), and in compliance in all material respects with all applicable licenses and permits relating to the Allocated Assets issued by any Governmental Authority; provided, the Operator may in good faith by appropriate proceedings contest the validity or application of any such Applicable Law in any reasonable manner which does not involve any risk of the imposition of criminal liability on the Owner, or any material danger of any fine, penalty, or other imposition upon the Owner for which the Operator has not acknowledged its obligation to indemnify the Owner pursuant to this Agreement, and

(e) in case of any damage to any Allocated Asset, other than damage constituting an Event of Loss, at its election, in either case at its own expense, (i) repair such Allocated Asset so as to restore its utility consistent with the Operator's customary practice with respect to similar assets owned by the Operator (as determined solely by the Operator) or (ii) replace such Allocated Asset with an asset (which will become an Allocated Asset) having a fair market value (as determined solely by the Operator) equivalent to that of the damaged Allocated
Asset immediately prior to the damage (assuming, in either case, such Allocated Asset was then in the condition and state of repair required to be maintained by the terms of this Agreement), with such alterations and additions as may be made at the Operator's election pursuant to and subject to the conditions of Section 7.2 hereof; provided, however, that the Operator need not repair or replace any Allocated Asset to the extent that such Allocated Asset is not necessary to the operation of the Allocated Assets considered as a whole (as determined solely by the Operator), in which event the Operator shall credit to the Settlement Account the fair market value of such Allocated Asset as of the date immediately prior to the damage (assuming such Allocated Asset was then in the condition and state of repair required to be maintained by the terms of this Agreement). Upon the crediting of the Settlement Account with the fair market value of such Allocated Asset, such Allocated Asset shall no longer be subject to this Agreement and the Owner shall convey to the Operator or its designee, ownership of and title to such Allocated Asset. Notwithstanding the foregoing, until payment by the Operator to the Owner of the amount credited to the Settlement Account on the next succeeding Settlement Account Payment Date, such Allocated Asset shall be deemed to continue to be subject to this Agreement solely for the purpose of calculating the Operating Fee.

SECTION 7.2 Modification.

(a) The Operator shall at its expense make any Modification to any Allocated Asset required (i) by Applicable Law or in order to operate, maintain, service, store, or use such Allocated Asset in accordance with Applicable Law, as soon as practicable after any such requirement may arise or (ii) in order for the Operator to comply with the provisions of this Agreement (all such Modifications being referred to herein as "Required Modifications"); provided, that the Operator may, so long as no Event of Default shall have occurred and be continuing, in good faith by appropriate proceedings contest the validity or application of any Applicable Law in any reasonable manner which does not involve any reasonably foreseeable risk of the imposition of criminal liability on the Owner, or any material danger of any fine, penalty or other imposition upon the Owner for which the Operator has not acknowledged its obligation to indemnify the Owner pursuant to this Agreement. The Operator at its expense, from time to time, may make any Modification to any Allocated Asset that the Operator in its discretion may deem desirable in the proper conduct of the Operator's business (all such Modifications which are not Required Modifications being referred to herein as "Optional Modifications"); provided that any construction of new trackage or facilities appurtenant to but not located on such Allocated Assets shall, at Operator's election, be deemed not to be Modifications hereunder and not subject to this Agreement.

(b) Title to each Modification shall vest as follows:

(i) in the case of each (A) Required Modification or (B) other Nonseverable Modification, whether or not the Owner shall have financed or provided financing (in whole or in part) for such Modification, the Owner shall, without further act, effective on the
date such Modification shall have been incorporated into the modified Allocated Asset, acquire title to such Modification free and clear of all Liens other than Permitted Liens, or

(ii) in the case of each Severable Modification, the Operator shall retain title to such Modification and the Operator may (subject to Section 7.2(c) hereof) remove such Modification at its expense at any time so long as the modified Allocated Asset remains in or is restored by the Operator to the condition required by this Agreement.

Immediately upon title to a Modification vesting in the Owner pursuant to this Section 7.2(b), such Modification shall, without further act, become subject to this Agreement and be deemed part of the applicable Allocated Asset for all purposes.

(c) Subject to compliance with Applicable Law, the Operator may remove, at its expense, any Severable Modification, provided, that the Operator, at its expense shall repair any damage to the Allocated Asset from which a Severable Modification has been removed caused by such removal; provided, further, that in the event the Operator shall not have removed any Severable Modification to which the Operator shall have title as provided in Section 6.2(b)(ii) prior to the end of the Term, title to such Severable Modification shall vest in the Owner upon the expiration of such Term.

ARTICLE VIII

Obsolescence Termination: Abandonment

SECTION 8.1 Obsolescence Termination: Abandonment. Except as may otherwise be contemplated in this Agreement, the Operator may not dispose of, or otherwise convey or transfer any interest in the Allocated Assets to any Person. Unless an Event of Default shall have occurred and be continuing, if the Operator has determined that an Allocated Asset is uneconomic or surplus to, or no longer necessary for, the Operator’s operating requirements as determined by the Operator in its sole judgment, the Operator shall have the right, with the Owner’s consent, to terminate the application of this Agreement with respect to such Allocated Asset and, with the Owner’s consent, to abandon or sell or otherwise dispose of such Allocated Asset (as agent for the Owner) in which event the Operator may retain the sale proceeds, if any, received for such Allocated Asset and shall credit to the Settlement Account the fair market value (as of the time of the abandonment, sale or other disposition) of such Allocated Asset (which, in no event, shall be less than the sale proceeds received for such Allocated Asset). Upon the crediting of the Settlement Account with the fair market value of such Allocated Asset, such Allocated Asset shall no longer be subject to this Agreement and the Owner shall convey to the Operator or its designee, ownership of and title to such Allocated Asset. Notwithstanding the foregoing, until payment by the Operator to the Owner of the amount credited to the Settlement Account on the next succeeding Settlement Account Payment Date, such Allocated Asset shall be deemed to continue to be subject to this Agreement solely for the purpose of calculating the Operating Fee.
SECTION 8.2 Conditions of Termination. As a condition to a termination, abandonment or other disposition pursuant to this Article VIII, any necessary Governmental Actions in connection therewith shall have been obtained by and at the expense of the Operator. Upon the Operator's request, the Owner shall cooperate fully with the Operator in seeking and obtaining all necessary Governmental Actions in connection with the termination or abandonment of any Allocated Asset.

ARTICLE IX

Termination

SECTION 9.1 Termination. (a) Unless the Operator exercises its renewal option under Article XVII, upon termination of this Agreement or return of any Reversion Asset pursuant to Section 2.3 hereof, the Operator shall, at its risk, cost and expense, cause the Allocated Assets subject to this Agreement at such time or the Reversion Assets to be (i) free and clear of all Liens other than Owner Liens, (ii) in compliance with the maintenance and operating provisions of this Agreement, and (iii) otherwise capable of being maintained, used and operated substantially in compliance with Applicable Law for the operation of a railroad appropriate to conditions existing at such time.

(b) Upon the termination of this Agreement or return of any Reversion Asset pursuant to Section 2.3 hereof, the Operator will, at the Operator's expense, promptly and duly execute and deliver to the Owner such documents and take such further actions as the Owner may reasonably request in order to effect the return of such Allocated Assets or Reversion Assets, including any Assigned Right to the Owner or its designee.

SECTION 9.2 Owner Assignment, Lease or Sale of Allocated Asset. The Operator agrees that during the last year of the Term or any Renewal Term, it will cooperate in all reasonable respects with efforts of the Owner to lease, sell assign or otherwise transfer any Allocated Asset to any designee of the Owner.

SECTION 9.3 Governmental Approvals. The Operator shall cooperate and assist the Owner, at the expense of the Owner, in transferring or obtaining all Governmental Actions which may be necessary for the Owner or its designee, as the case may be, to operate, lease, purchase, assume or otherwise be a party to or beneficiary of any returned Allocated Asset and any Reversion Asset.

SECTION 9.4 Severable Modifications. At any time after the Operator has notified the Owner that it has determined not to renew this Agreement pursuant to Article XVII, or operational responsibility for the Allocated Assets or Reversion Assets reverts to the Owner, the Operator shall at the Owner's request, advise the Owner of the nature and condition of all Severable Modifications owned by the Operator pursuant to Section 7.2(b)(ii) hereof which the
Operator has removed or intends to remove from the Allocated Assets or Reversion Assets in accordance with Section 7.2(c) hereof. The Operator may (and shall, if so directed by Owner), at its sole cost, expense and risk, remove from any Allocated Asset or Reversion Asset any Severable Modification; provided, that any such Modification not removed pursuant to this Section 9.4 shall be deemed to be part of the Allocated Asset or Reversion Asset to which it relates for all purposes hereof and title to such Modification shall thereupon vest in the Owner free and clear of all Liens, other than Owner Liens.

**ARTICLE X**

**Loss, Destruction, Condemnation, Damage, etc.**

**SECTION 10.1 Replacement, Payment.**

(a) Upon the occurrence of an Event of Loss, or an event which with the passage of time would become an Event of Loss, with respect to any Allocated Asset, the Operator shall:

(i) replace the Allocated Asset which suffered the Event of Loss, with a replacement asset (which will become an Allocated Asset) which has a fair market value equivalent to that of the Allocated Asset which suffered the Event of Loss (as determined solely by the Operator) immediately prior to such Event of Loss (assuming such Allocated Asset was then in the condition and state of repair required by this Agreement); or

(ii) the Operator may retain the sale proceeds, if any, received for the Allocated Asset suffering the Event of Loss and shall credit to the Settlement Account the fair market value of such Allocated Asset immediately prior to such Event of Loss (assuming such Allocated Asset was then in the condition and state of repair required by this Agreement), which fair market value in no event shall be less than the sale proceeds received for such Allocated Asset. Upon the crediting of the Settlement Account with the fair market value of such Allocated Asset, such Allocated Asset shall no longer be subject to this Agreement and the Owner shall convey to the Operator or its designee, ownership of and title to such Allocated Asset. Notwithstanding the foregoing, until payment by the Operator to the Owner of the amount credited to the Settlement Account on the next succeeding Settlement Account Payment Date, the Allocated Asset suffering the Event of Loss shall be deemed to continue to be subject to this Agreement solely for the purpose of calculating the Operating Fee.

(b) Upon compliance by the Operator with Section 10.1(a)(i), (i) this Agreement shall continue with respect to any replacement Allocated Asset as though no Event of Loss had occurred, (ii) the Owner shall convey "as is" "where is", free and clear of all Owner Liens, without recourse or warranty (except as to the ability and authority of the Owner to transfer and convey such Allocated Asset free and clear of Owner Liens), to the Operator or its
designee all right, title and interest of the Owner in and to the Allocated Asset being replaced by executing and delivering to the Operator or its designee such bills of sales and other documents or instruments as the Operator or its designee may reasonably request to evidence such conveyance, and (iii) the Owner shall assign to the Operator all claims it may have against any other Person arising from the event which gave rise to the replacement.

(c) Upon compliance by the parties with Section 10.1(a)(ii), the Owner shall convey "as is" "where is", free and clear of all Owner Liens, without recourse or warranty (except as to the ability and authority of the Owner to transfer and convey such Allocated Asset free and clear of Owner Liens) to the Operator or its designee all right, title and interest of the Owner in and to such Allocated Asset by executing and delivering to the Operator or its designee such bills of sales and other documents or instruments as the Operator or its designee may reasonably request to evidence such conveyance.

SECTION 10.2 Applications During Event of Default. Any amount that shall be payable to the Operator pursuant to this Agreement arising out of any warranty, governmental award or otherwise received in respect of any Allocated Asset shall not be paid to the Operator or, if it shall have been previously paid to the Operator, shall not be retained by the Operator but shall be paid to the Owner, if at the time of such payment any Event of Default shall have occurred and be continuing. In such event, all such amounts shall be paid to and held by the Owner in trust as security for the obligations of the Operator to make payments under this Agreement or applied by the Owner toward payment of any of such obligations of the Operator at the time due hereunder. At such time as there shall not be continuing any Event of Default all such amounts at the time held by the Owner in excess of the amount, if any, that the Owner shall have elected to apply as above provided shall be paid to the Operator.

SECTION 10.3 Application of Article VII. Article VII shall not apply to any Allocated Asset after an Event of Loss has occurred with respect to such Allocated Asset; provided, that the foregoing shall not limit the obligations of the Operator under Article VII hereof with respect to any replacement Allocated Asset.

ARTICLE XI

Indemnities

SECTION 11.1 Indemnity by Operator. (a) The Operator assumes and shall be fully responsible for all liabilities attributable in any way to the Allocated Assets, or to operations on or over the Allocated Assets, except for (i) Retained Liabilities and any other liabilities with respect to which it is the responsibility of any Person other than the Operator under the terms of the Transaction Agreement and the Ancillary Agreements to indemnify the Owner, and (ii) liabilities that arise prior to the Closing Date referred to in Section 2.8(b)(i) or Section 2.8(c) of the Transaction Agreement; provided, that for the purposes of this Section 11.1(a), the term
"Ancillary Agreements" as used in the parenthetical included in Sections 2.8(b) and 2.8(c) of the Transaction Agreement shall be deemed not to include this Agreement. To that end, the Operator agrees to and shall protect, indemnify and hold wholly harmless the Owner and its directors, officers, employees and agents (each an "Owner Indemnified Person") from and against any Damages arising from or attributable to the liabilities assumed by the Operator under the first sentence of this Section 11.1(a).

(b) Upon payment in full of any indemnity pursuant to this Section 11.1, the Operator shall, to the extent of such payment and so long as no Event of Default shall have occurred and be continuing, be subrogated to any rights of the Owner Indemnified Person in respect of the matter against which such indemnity was given (other than with respect to any insurance policies carried by such Owner Indemnified Person).

SECTION 11.2 Indemnity by Owner. (a) The Owner shall be fully responsible for all liabilities which arise prior to the Closing Date which are referred to in Section 2.8(b)(i) or Section 2.8(c) of the Transaction Agreement. To that end, the Owner agrees to and shall protect, indemnify and hold wholly harmless the Operator and its directors, officers, employees and agents (each, an "Operator Indemnified Person") from and against any and all Damages arising from or attributable to (i) Retained Liabilities and any other liabilities with respect to which it is the responsibility of any Person other than the Operator under the terms of the Transaction Agreement and the Ancillary Agreements to indemnify the Owner, and (ii) liabilities that arise prior to the Closing Date referred to in Section 2.8(b)(i) and Section 2.8(c) of the Transaction Agreement; provided, that for the purposes of this Section 11.2(a), the term "Ancillary Agreements" as used in the parenthetical included in Sections 2.8(b) and 2.8(c) of the Transaction Agreement shall be deemed not to include this Agreement.

(b) Upon payment in full of any indemnity pursuant to this Section 11.2, the Owner shall, to the extent of such payment, be subrogated to any rights of the Operator Indemnified Person in respect of the matter against which such indemnity was given (other than with respect to any insurance policies carried by such Operator Indemnified Person).

SECTION 11.3 Indemnification Procedures. (a) If any Action shall be threatened or instituted or any claim or demand shall be asserted against any Indemnified Party in respect of which indemnification may be sought under the provisions of this Agreement, the Indemnified Party shall promptly cause written notice of the assertion of any such claim, demand or Action of which it has knowledge to be forwarded to the Indemnifying Party. Such notice shall contain a reference to the provisions hereof or of such other agreement, instrument or certificate delivered pursuant hereto, in respect of which such claim is being made. The Indemnified Party's failure to give the Indemnifying Party prompt notice shall not preclude the Indemnified Party from obtaining indemnification from the Indemnifying Party under this Article XI unless the Indemnified Party's failure has materially prejudiced the Indemnifying Party's ability to defend the claim, demand or Action.
(b) If the Indemnified Party seeks indemnification from the Indemnifying Party as a result of a claim or demand being made by a third party (a "Third Party Claim"), the Indemnifying Party shall have the right promptly to assume the control of the defense of any Action with respect to such Third Party Claim, including, at its own expense, employment by it of counsel reasonably satisfactory to the Indemnified Party. OPERATING AGREEMENT

This OPERATING AGREEMENT (this "Agreement") is entered into as of [Closing Date], by and between Pennsylvania Lines LLC, a Delaware limited liability company, as Owner and Norfolk Southern Railway Company, a Virginia Corporation, as Operator.

ARTICLE I

Definitions and Usage

SECTION 1.1 Definitions and Usage. Unless the context otherwise requires, capitalized terms used herein shall have the respective meanings assigned to them in Appendix A to this Agreement. Terms used, but not defined, in this Agreement or in Appendix A shall have the respective meanings assigned to them in the Transaction Agreement.

ARTICLE II

Operation of Allocated Assets

SECTION 2.1 Operation of Allocated Assets. (a) The Owner hereby agrees with the Operator, and the Operator hereby agrees with the Owner, that the Operator shall have the license, right and obligation to use and operate the Allocated Assets for the term referred to in Section 2.2 hereof on the terms and conditions set forth in this Agreement. Except as otherwise specifically provided in this Agreement, the Operator may use and operate the Allocated Assets in such manner and for such purposes as the Operator considers necessary or appropriate.

(b) The Owner hereby agrees that the Operator shall, effective as of the Closing Date, have the right to receive and retain for its own benefit and use and in its own name all revenues, tolls, rents, receipts, issues, profits and income of every character arising from or associated with the operation and use of the Allocated Assets.

SECTION 2.2 Term of Agreement. Immediately upon the execution hereof, without necessity of any further act or evidence by either party hereto, the Allocated Assets shall be deemed delivered by the Owner to the Operator for the Term and, if the Operator elects to exercise its renewal option pursuant to Article XVII hereof, for any Renewal Term, in either case, all pursuant to the terms of this Agreement, unless this Agreement shall have been earlier terminated in accordance with its terms.

SECTION 2.3 Reversion Assets. Within one (1) year after the Closing Date, the Owner may, with the consent of the Operator, deliver to the Operator a notice electing to terminate the application of this Agreement to certain Allocated Assets (the "Reversion Notice"). The Reversion Notice shall set forth (i) a list of those Allocated Assets selected by the Owner in its sole discretion which will no longer be subject to this Agreement (the "Reversion Assets"), and (ii) the date as of which such Reversion Assets shall no longer be subject to this Agreement,
which date shall be a Payment Date and shall not be less than sixty (60) calendar days after the
date of the Reversion Notice (the "Reversion Date"), provided, that the fair market value of the
Reversion Assets shall not exceed 25% of the aggregate fair market value of all Allocated Assets
(including the Reversion Assets) as of the Reversion Date. All Allocated Assets other than the
Reversion Assets shall continue after the Reversion Date to be subject to the terms and conditions
of this Agreement.

ARTICLE III

Operating Fee and Certain Expenses

SECTION 3.1 Operating Fee. Supplemental Operating Fees. The Operator shall pay to
the Owner the Operating Fee commencing on the first Payment Date and on each Payment Date
thereafter for the duration of the Term and any Renewal Term. Subject to any applicable
Governmental Action, the Operating Fee shall be recalculated on each Valuation Date to reflect
the Fair Market Rental Value of the Allocated Assets then subject to this Agreement.
Supplemental Operating Fees shall be paid by the Operator when due under the terms of this
Agreement.

SECTION 3.2 Method of Payment. All Operating Fees and Supplemental Operating Fees
shall be paid by the Operator to the Owner at its office set forth in Schedule 1 hereto or at such
other place in the U.S. as the Owner shall specify in a written notice to the Operator at least five
(5) Business Days prior to the date such payment is due. Each payment of Operating Fees and
Supplemental Operating Fees shall be made by the Operator in immediately available funds prior
to 12:00 noon, New York time at the place of payment, on the date when such payment shall be
due.

SECTION 3.3 Late Payment. In the event any Operating Fees or Supplemental
Operating Fees shall not be paid on its due date to the Owner, the Operator shall pay to the
Owner on written demand, interest (to the extent permitted by Applicable Law) on such overdue
amount from the due date thereof (without regard to any grace period) to the date of payment
thereof at the Overdue Rate.

SECTION 3.4 No Set-off, Counterclaims, etc. THIS AGREEMENT IS A NET
AGREEMENT. THE OPERATOR'S OBLIGATION TO PAY ALL PAYMENTS OF
OPERATING FEES AS AND WHEN THE SAME SHALL BECOME DUE AND PAYABLE
IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT SHALL BE ABSOLUTE
AND UNCONDITIONAL AND SHALL NOT BE SUBJECT TO ANY ABATEMENT OR
DIMINUTION BY SET-OFF, DEDUCTION, COUNTERCLAIM, RECOUPMENT,
AGREEMENT, DEFENSE, SUSPENSION, DEFERMENT, INTERRUPTION OR
OTHERWISE, AND UNTIL SUCH TIME AS ALL AMOUNTS REQUIRED TO BE PAID
UNDER THIS AGREEMENT SHALL HAVE BEEN PAID, THE OPERATOR SHALL NOT
HAVE ANY RIGHT TO TERMINATE THIS AGREEMENT OR TO BE RELEASED, RELIEVED OR DISCHARGED FROM ITS OBLIGATION TO MAKE, AND SHALL NOT SUSPEND, REDUCE OR DISCONTINUE, ANY PAYMENT OF OPERATING FEES FOR ANY REASON WHATSOEVER (EXCEPT AS MAY BE EXPRESSLY PROVIDED HEREIN), including, without limitation:

(a) any default, misrepresentation, negligence, misconduct or other action or inaction of any kind by the Owner or any other Person, whether under or in connection with this Agreement or any other agreement relating to this Agreement or in connection with any unrelated transaction;

(b) the insolvency, bankruptcy, reorganization or cessation of existence, or discharge or forgiveness of indebtedness of any Person referred to in clause (a) above;

(c) the invalidity, unenforceability or impossibility of performance of this Agreement for any reason;

(d) any defect in the title, condition, design, operation or fitness for use of, or any Lien or other restriction of any kind upon, all or any part of any Allocated Asset, any loss or destruction of, or damage to, any Allocated Asset or any interruption in or cessation of the ownership, possession, operation or use of any Allocated Asset for any reason whatsoever;

(e) any restriction, prevention or curtailment of or interference with any Allocated Asset or the use thereof or any part thereof for any reason whatsoever, including, without limitation, by any Governmental Authority;

(f) any Applicable Law now or hereafter in force;

(g) any failure to obtain any required Governmental Action for a transfer of rights or title to the Owner, the Operator or any other Person;

(h) any amendment or other change of, or any assignment of any rights under, this Agreement, or any waiver or other action or inaction under or in respect of this Agreement, or any exercise or nonexercise of any right or remedy under or in respect of this Agreement; and

(i) any other cause, circumstance, happening or event whatsoever, foreseen or unforeseen, whether similar or dissimilar to any of the foregoing.

The Operator hereby waives and hereby agrees to waive at any future time at the request of the Owner, to the extent now or then permitted by Applicable Law, any and all rights that the Operator may have or that at any time hereafter may be conferred upon it, by statute, regulation or otherwise, to terminate, cancel, quit or surrender this Agreement other than in accordance with the express terms hereof. Each Operating Fee payment shall be final and the Operator agrees not
to seek to recover all or any part of any such payment (except for amounts paid to the Owner which the Owner in good faith agrees have been paid in error) from the Owner for any reason under any circumstance whatsoever.

SECTION 3.5 Tax Provisions. (a) During the Term and any Renewal Term, the Operator shall pay when due, all Taxes, other than Excluded Taxes (as hereinafter defined), imposed on the Owner, based upon the Allocated Assets or arising out of the use, lease, possession or operation of the Allocated Assets during that period. For purposes of this Section, (i) Owner shall mean the Owner and its Affiliates and (ii) Excluded Taxes shall mean (A) all Taxes based, in whole or in part, on net income or gross income (including, without limitation, any minimum tax) of the Owner or which are in substitution for, or relieve the Owner from, any Tax based upon or measured by the Owner's net income or gross income, together with any interest, penalties, additions to tax or additional amounts that may become payable in respect thereof; (B) business and occupation taxes, and gross receipts taxes of the Owner and Taxes based upon the equity interests of the Owner, and (C) interest, fines and penalties to the extent due to the acts or omissions of the Owner in connection with Excluded Taxes. The Operator shall not be required to pay any Tax it is obligated to pay under the provisions of this Section 3.5 during the time it shall reasonably and in good faith and by appropriate legal or administrative proceedings contest the validity or amount thereof.

(b) The Operator shall have the right and obligation, at its own expense, to prepare and file all Tax returns required to be filed by the Owner under Applicable Law. Prior to the Owner's filing of any Tax returns for Taxes required to be paid by the Operator under paragraph (a) of this Section 3.5, the Owner shall provide such returns to the Operator for its review and approval, which approval will not be unreasonably withheld or delayed.

(c) The Operator and its assignees and designees shall have the right (but only to the extent the Owner shall have such right, by contract or otherwise) to control at its expense any audit or examination by any Governmental Authority, or any judicial proceeding, relating to any Taxes required to be paid by it under paragraph (a) of this Section 3.5.

(d) During the Term and any Renewal Term, the Operator and any of its designees shall be entitled to claim federal, state and local tax benefits (including, without limitation, deductions and credits) arising out of Operator's expenditures in the use, possession or operation of the Allocated Assets by the Operator, or any of its respective assignees or designees, and the improvements thereto, that the Operator, or any of its designees is entitled to claim under federal, state and local laws and regulations. These tax benefits include but are not limited to: (i) deductions for depreciation or amortization attributable to property (both tangible and intangible) owned by the Operator, or any of its assignees or designees, including improvements made to any of the Allocated Assets by any of them, as well as expenditures made by any of them that are required to be capitalized under sections 263 or 263A or some other section of the Code; (ii) deductions for expenditures made by the Operator, or any of its assignees or designees, deductible as ordinary and necessary business expenses under section 162 of the Code; (iii)
deductions for losses attributable to property (both tangible and intangible) owned by the Operator, or any of its assignees or designees, deductible under section 165 of the Code; and (iv) any federal, state or local credits applicable to the use, lease, possession or operation of the Allocated Assets by the Operator, or any of its assignees or designees, and improvements thereto. The Owner is entitled to deductions for Taxes of the Owner paid by the Operator under paragraph (a) of this Section 3.5 and treated as rent paid by the Operator under this Agreement and taxable income received by the Owner under section 1.162-11(a) of the Income Tax Regulations.

ARTICLE IV

Representations, Warranties and Agreements

SECTION 4.1 Disclaimer of Warranties. AS BETWEEN THE OWNER AND THE OPERATOR, THE EXECUTION OF THIS AGREEMENT SHALL BE CONCLUSIVE PROOF OF ACCEPTANCE BY THE OPERATOR OF EACH ALLOCATED ASSET AS BEING IN COMPLIANCE WITH ALL REQUIREMENTS OF THIS AGREEMENT. THE OWNER AND THE OPERATOR TAKE EACH SUCH ALLOCATED ASSET "AS IS" AND "WHERE IS", AND THE OPERATOR ACKNOWLEDGES THAT THE OWNER HAS NOT MADE, NOR SHALL BE DEEMED TO HAVE MADE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, VALUE, COMPLIANCE WITH SPECIFICATIONS, CONDITION, MERCHANTABILITY, DESIGN, QUALITY, DURABILITY, OPERATION OR FITNESS FOR USE OR PURPOSE OF EACH SUCH ALLOCATED ASSET OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO EACH SUCH ALLOCATED ASSET OR OTHERWISE, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE, AS BETWEEN THE OWNER AND THE OPERATOR, BY THE OPERATOR IN THE EVENT OF ANY DEFECT OR DEFICIENCY IN ANY SUCH ALLOCATED ASSET, OF ANY NATURE WHETHER PATENT OR LATENT, AND THAT THE OWNER SHALL NOT HAVE ANY RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO, except that the Owner hereby represents, warrants and covenants that each such Allocated Asset shall be free of Owner Liens on the Closing Date and except as otherwise provided in the Transaction Agreement. The provisions of this Section 4.1 have been negotiated, and the foregoing provisions are intended to be a complete exclusion and negation of any other warranties made by the Owner, express or implied, with respect to any Allocated Asset, whether arising pursuant to Applicable Law now or hereafter in effect or otherwise. Nothing contained in this Section 4.1 shall in any way diminish or otherwise affect any right the Operator may have with respect to any Allocated Asset against any third Person. The Owner shall not at any time be required to inspect any Allocated Asset, and any actual inspection by the Owner shall not be deemed to affect or modify the provisions of this Section 4.1.
SECTION 4.2 Operator To Exercise Certain Rights. (a) The Owner hereby authorizes the Operator, at the Operator's expense, to exercise in the name of and on behalf of the Owner and the Operator, as their interests may appear, the right and power to deal with any third party lessor, lessee, licensor, licensee, seller, manufacturer, shipper or any other Persons (including agents and consultants thereof) with respect to any Allocated Asset or who are party to any Assigned Rights (each a "Third Party Provider") and the right to enforce (by legal action or otherwise) against such Third Party Provider all rights, powers and privileges of the Owner and to receive all benefits of the Owner with respect to such Third Party Provider, under any Contract, express or implied warranty, indemnity or otherwise; provided, that if an Event of Default shall have occurred and be continuing (and until all Events of Default, then outstanding shall no longer be continuing) the Owner may terminate the authority of the Operator under this Section 4.2. Any amount paid to the Owner or Operator pursuant to the Operator's exercise of its authority under this Section 4.2 shall be paid to the Operator. After the end of the Term or any Renewal Term with respect to any Allocated Asset or after the termination of this Agreement with respect to such Allocated Asset pursuant to Article XIV, (a) the Operator shall have no further rights, powers, privileges or benefits under this Section 4.2 and (b) all amounts payable by any Third Party Provider paid with respect to periods arising thereafter shall be paid to, and retained by, the Owner or any other Person as shall then be the owner of the Allocated Asset as to which such payment is made.

(b) The Operator shall, with the Owner's prior consent, have the right and power to execute and deliver on behalf of the Owner, the extension, renewal, amendment or modification of any Assigned Rights or any other Contract in respect of the Allocated Assets.

(c) The Owner shall as expeditiously as possible use its reasonable efforts to obtain or transfer to the Operator any Governmental Action or the consent, authorization, or approval of any private Person required to be made, obtained or transferred to effectuate the purposes of this Agreement and the transactions contemplated herein, which actions shall include furnishing all information required under or in connection with such Governmental Action or the approvals of, or filing with such private Person.

(d) The Operator shall pay, perform and discharge fully all of the obligations of the Owner or its Affiliates under all Assigned Rights and Contracts that are Allocated Assets from and after the Closing Date. The Owner or its Affiliates shall, without further consideration therefor, pay, assign and remit promptly to the Operator, as appropriate, all monies, rights and other consideration received in respect of such performance. The Owner or its Affiliates shall exercise or exploit the rights and options under all such Contracts only as reasonably directed by the Operator.
SECTION 4.3  **Representations and Warranties of the Operator.** The Operator represents and warrants to the Owner as of the Closing Date as follows:

(a)  **Due Organization, etc.** The Operator (i) is a corporation duly organized and validly existing under the laws of the Commonwealth of Virginia, (ii) has the power and authority to enter into and perform its obligations under this Agreement and (iii) has obtained all Governmental Action required to use or hold the Allocated Assets in accordance with this Agreement, and to enter into and perform its obligations under this Agreement.

(b)  **Due Authorization, Non-Contravention, etc.** The execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of the Operator, do not and will not conflict with, result in any violation of, or constitute any default under, any provision of any Organic Document of the Operator or Applicable Law.

(c)  **Due Execution.** This Agreement has been duly executed and delivered by the Operator, and constitutes the legal, valid and binding obligation of the Operator enforceable against the Operator in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization or other laws of general application relating to or affecting the enforcement of creditors' rights and except that the availability of equitable remedies, including specific performance, is subject to the discretion of the court before which any proceeding therefor may be brought.

SECTION 4.4  **Representations and Warranties of the Owner.** The Owner represents and warrants to the Operator as of the Closing Date as follows:

(a)  **Due Organization, etc.** The Owner (i) is a limited liability company duly organized and validly existing under the laws of the State of Delaware, (ii) has the power and authority to enter into and perform its obligations under this Agreement and (iii) has obtained all Governmental Action required to enter into and perform its obligations under this Agreement.

(b)  **Due Authorization, Non-Contravention, etc.** The execution, delivery and performance of this Agreement have been duly authorized by all necessary company action on the part of the Owner, do not and will not conflict with, result in any violation of, or constitute any default under, any provision of any Organic Document of the Owner or Applicable Law.

(c)  **Due Execution.** This Agreement has been duly executed and delivered by the Owner, and constitutes the legal, valid and binding obligation of the Owner enforceable against the Owner in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization or other laws of general application relating to or affecting the enforcement of creditors' rights and except that the availability of equitable remedies, including specific performance, is subject to the discretion of the court before which any proceeding therefor may be brought.
ARTICLE V

Liens, Quiet Enjoyment

SECTION 5.1 Liens. The Operator shall not directly or indirectly create, incur, assume or suffer to exist any Lien (other than Permitted Liens) on any Allocated Asset. The Operator will promptly, at its own expense, take such action as may be necessary duly to discharge any such Lien. The Operator's obligations under this Section 5.1 with respect to any such Lien on any Allocated Asset resulting from a claim arising prior to the termination of this Agreement with respect to such Allocated Asset shall survive such termination. The Operator agrees that, upon the termination of this Agreement, the Allocated Assets shall be returned to the Owner free and clear of Liens, other than Owner Liens.

SECTION 5.2 Quiet Enjoyment. Notwithstanding any other provision of this Agreement, so long as no Event of Default shall have occurred and be continuing, as between the Operator and Owner, the Operator shall have the exclusive rights to possession, control and use of all Allocated Assets and neither the Owner nor any Person acting or claiming through the Owner will take any action that shall interfere with the peaceful and quiet enjoyment or the possession and use or nonuse of any Allocated Asset by the Operator, and the Operator shall have the right to possess and use or not use such Allocated Asset in its sole discretion, subject always to the terms and conditions of this Agreement. The foregoing is not intended to limit the inspection rights of the Allocated Assets granted by the Operator pursuant to Section 12.1 hereof.

ARTICLE VI

Settlement Account

SECTION 6.1 Maintenance of Settlement Account. The Operator shall maintain a non-cash book account (the "Settlement Account") to reflect amounts owed by the Operator to the Owner as a result of transactions described in Sections 7.1(e), 8.1 and 10.1(a)(ii) hereof.

SECTION 6.2 Payment of Settlement Account Balance. The Operator shall pay to the Owner an amount equal to the then balance of the Settlement Account upon: (i) the sixth (6th), twelfth (12th), eighteenth (18th) and twenty-fourth (24th) anniversaries of the Closing Date, (ii) the expiration of the Term (or, if earlier, the termination of this Agreement), (iii) the sixth (6th) anniversary of the first day of each Renewal Term, (iv) the end of each Renewal Term (or, if earlier, the termination of this Agreement), (v) the Reversion Date (but only with respect to the Reversion Assets), and (vi) thirty (30) calendar days after the date on which a Substantial Allocated Asset (a) is not repaired or replaced under Section 7.1(e) hereof, (b) is abandoned, sold or otherwise disposed of under Section 8.1 hereof or (c) suffers an Event of Loss and is not replaced under Section 10.1(a)(i) hereof (each, a "Settlement Account Payment Date").
SECTION 6.3 Confirmation of Settlement Account. Within ten (10) days prior to a Settlement Account Payment Date, the Appraisal Procedure shall be used to confirm that credits to the Settlement Account were based on the fair market value of the relevant Allocated Assets consistent with the terms of this Agreement. The Settlement Account shall be adjusted consistent with the outcome of the Appraisal Procedure and the payments made pursuant to Section 6.2 hereof shall reflect any such adjustments.

ARTICLE VII

Operation; Maintenance

SECTION 7.1 Operation and Maintenance. The Operator shall at all times at its own expense during the Term:

(a) use the Allocated Assets in such manner and for such purposes as the Operator considers necessary or appropriate in connection with the operation of its business;

(b) keep and maintain such books, records and title documents relating to the Allocated Assets, and the acquisition, construction and installation of Modifications thereto and the payment of the purchase price of such Modifications, as the Operator considers appropriate consistent with the Operator's customary business practices;

(c) maintain the Allocated Assets in accordance with the Operator's customary practice;

(d) inspect, service, maintain, store, use, operate, repair, replace, modify and improve the Allocated Assets in compliance in all material respects with Applicable Law (including all applicable environmental and occupational safety laws), and in compliance in all material respects with all applicable licenses and permits relating to the Allocated Assets issued by any Governmental Authority, provided, the Operator may in good faith by appropriate proceedings contest the validity or application of any such Applicable Law in any reasonable manner which does not involve any risk of the imposition of criminal liability on the Owner, or any material danger of any fine, penalty, or other imposition upon the Owner for which the Operator has not acknowledged its obligation to indemnify the Owner pursuant to this Agreement; and

(e) in case of any damage to any Allocated Asset, other than damage constituting an Event of Loss, at its election, in either case at its own expense, (i) repair such Allocated Asset so as to restore its utility consistent with the Operator's customary practice with respect to similar assets owned by the Operator (as determined solely by the Operator) or (ii) replace such Allocated Asset with an asset (which will become an Allocated Asset) having a fair market value (as determined solely by the Operator) equivalent to that of the damaged Allocated
A >set immediately prio. tc the damage (assuming, in either case, such Allocated Asset was then in
the condition and state of repair required to be maintained by the terms of this Agreement), with
such alterations and additions as may be made at the Operator's election pursuant to and subject
to the conditions of Section 7.2 hereof, provided, however, that the Operator need not repair or
replace any Allocated Asset to the extent that such Allocated Asset is not necessary to the
operation of the Allocated Assets considered as a whole (as determined solely by the Operator), in
which event the Operator shall credit to the Settlement Account the fair market value of such
Allocated Asset as of the date immediately prior to the damage (assuming such Allocated Asset
was then in the condition and state of repair required to be maintained by the terms of this
Agreement). Upon the crediting of the Settlement Account with the fair market value of such
Allocated Asset, such Allocated Asset shall no longer be subject to this Agreement and the Owner
shall convey to the Operator or its designee, ownership of and title to such Allocated Asset.
Notwithstanding the foregoing, until payment by the Operator to the Owner of the amount
credited to the Settlement Account on the next succeeding Settlement Account Payment Date,
such Allocated Asset shall be deemed to continue to be subject to this Agreement solely for the
purpose of calculating the Operating Fee.

SECTION 7.2 Modification.

(a) The Operator shall at its expense make any Modification to any Allocated
Asset required (i) by Applicable Law or in order to operate, maintain, service, store, or use such
Allocated Asset in accordance with Applicable Law, as soon as practicable after any such
requirement may arise or (ii) in order for the Operator to comply with the provisions of this
Agreement (all such Modifications being referred to herein as "Required Modifications");
provided, that the Operator may, so long as no Event of Default shall have occurred and be
continuing, in good faith by appropriate proceedings contest the validity or application of any
Applicable Law in any reasonable manner which does not involve any reasonably foreseeable risk
of the imposition of criminal liability on the Owner, or any material danger of any fine, penalty or
other imposition upon the Owner for which the Operator has not acknowledged its obligation to
indemnify the Owner pursuant to this Agreement. The Operator at its expense, from time to time,
may make any Modification to any Allocated Asset that the Operator in its discretion may deem
desirable in the proper conduct of the Operator's business (all such Modifications which are not
Required Modifications being referred to herein as "Optional Modifications"); provided that any
construction of new trackage or facilities appurtenant to but not located on such Allocated Assets
shall, at Operator's election, be deemed not to be Modifications hereunder and not subject to this
Agreement.

(b) Title to each Modification shall vest as follows:

(i) in the case of each (A) Required Modification or (B) other
Nonseverable Modification, whether or not the Owner shall have financed or provided financing
(in whole or in part) for such Modification, the Owner shall, without further act, effective on the
date such Modification shall have been incorporated into the modified Allocated Asset, acquire title to such Modification free and clear of all Liens other than Permitted Liens, or

(ii) in the case of each Severable Modification, the Operator shall retain title to such Modification and the Operator may (subject to Section 7.2(c) hereof) remove such Modification at its expense at any time so long as the modified Allocated Asset remains in or is restored by the Operator to the condition required by this Agreement.

Immediately upon title to a Modification vesting in the Owner pursuant to this Section 7.2(b), such Modification shall, without further act, become subject to this Agreement and be deemed part of the applicable Allocated Asset for all purposes.

(c) Subject to compliance with Applicable Law, the Operator may remove, at its expense, any Severable Modification; provided, that the Operator, at its expense shall repair any damage to the Allocated Asset from which a Severable Modification has been removed caused by such removal; provided, further, that in the event the Operator shall not have removed any Severable Modification to which the Operator shall have title as provided in Section 6.2(b)(ii) prior to the end of the Term, title to such Severable Modification shall vest in the Owner upon the expiration of such Term.

ARTICLE VIII

Obsolescence Termination, Abandonment

SECTION 8.1 Obsolescence Termination; Abandonment. Except as may otherwise be contemplated in this Agreement, the Operator may not dispose of, or otherwise convey or transfer any interest in the Allocated Assets to any Person. Unless an Event of Default shall have occurred and be continuing, if the Operator has determined that an Allocated Asset is uneconomic or surplus to, or no longer necessary for, the Operator's operating requirements as determined by the Operator in its sole judgment, the Operator shall have the right, with the Owner's consent, to terminate the application of this Agreement with respect to such Allocated Asset and, with the Owner's consent, to abandon or sell or otherwise dispose of such Allocated Asset (as agent for the Owner) in which event the Operator may retain the sale proceeds, if any, received for such Allocated Asset and shall credit to the Settlement Account the fair market value (as of the time of the abandonment, sale or other disposition) of such Allocated Asset (which, in no event, shall be less than the sale proceeds received for such Allocated Asset). Upon the crediting of the Settlement Account with the fair market value of such Allocated Asset, such Allocated Asset shall no longer be subject to this Agreement and the Owner shall convey to the Operator or its designee, ownership of and title to such Allocated Asset. Notwithstanding the foregoing, until payment by the Operator to the Owner of the amount credited to the Settlement Account on the next succeeding Settlement Account Payment Date, such Allocated Asset shall be deemed to continue to be subject to this Agreement solely for the purpose of calculating the Operating Fee.
SECTION 8.2 Conditions of Termination. As a condition to a termination, abandonment or other disposition pursuant to this Article VIII, any necessary Governmental Actions in connection therewith shall have been obtained by and at the expense of the Operator. Upon the Operator's request, the Owner shall cooperate fully with the Operator in seeking and obtaining all necessary Governmental Actions in connection with the termination or abandonment of any Allocated Asset.

ARTICLE IX

Termination

SECTION 9.1 Termination. (a) Unless the Operator exercises its renewal option under Article XVII, upon termination of this Agreement or return of any Reversion Asset pursuant to Section 2.3 hereof, the Operator shall, at its risk, cost and expense, cause the Allocated Assets subject to this Agreement at such time or the Reversion Assets to be (i) free and clear of all Liens other than Owner Liens, (ii) in compliance with the maintenance and operating provisions of this Agreement, and (iii) otherwise capable of being maintained, used and operated substantially in compliance with Applicable Law for the operation of a railroad appropriate to conditions existing at such time.

(b) Upon the termination of this Agreement or return of any Reversion Asset pursuant to Section 2.3 hereof, the Operator will, at the Operator's expense, promptly and duly execute and deliver to the Owner such documents and take such further actions as the Owner may reasonably request in order to effect the return of such Allocated Assets or Reversion Assets, including any Assigned Right, to the Owner or its designee.

SECTION 9.2 Owner Assignment, Lease or Sale of Allocated Asset. The Operator agrees that during the last year of the Term or any Renewal Term, it will cooperate in all reasonable respects with efforts of the Owner to lease, sell assign or otherwise transfer any Allocated Asset to any designee of the Owner.

SECTION 9.3 Governmental Approvals. The Operator shall cooperate and assist the Owner, at the expense of the Owner, in transferring or obtaining all Governmental Actions which may be necessary for the Owner or its designee, as the case may be, to operate, lease, purchase, assume or otherwise be a party to or beneficiary of any returned Allocated Asset and any Reversion Asset.

SECTION 9.4 Severable Modifications. At any time after the Operator has notified the Owner that it has determined not to renew this Agreement pursuant to Article XVII, or operational responsibility for the Allocated Assets or Reversion Assets reverts to the Owner, the Operator shall at the Owner's request, advise the Owner of the nature and condition of all Severable Modifications owned by the Operator pursuant to Section 7.2(b)(ii) hereof which the
Operator has removed or intends to remove from the Allocated Assets or Reversion Assets in accordance with Section 7.2(c) hereof. The Operator may (and shall, if so directed by Owner), at its sole cost, expense and risk, remove from any Allocated Asset or Reversion Asset any Severable Modification; provided, that any such Modification not removed pursuant to this Section 9.4 shall be deemed to be part of the Allocated Asset or Reversion Asset to which it relates for all purposes hereof and title to such Modification shall thereupon vest in the Owner free and clear of all Liens, other than Owner Liens.

ARTICLE X

Loss. Destruction. Condemnation. Damage, etc.

SECTION 10.1 Replacement, Payment.

(a) Upon the occurrence of an Event of Loss, or an event which with the passage of time would become an Event of Loss, with respect to any Allocated Asset, the Operator shall:

(i) replace the Allocated Asset which suffered the Event of Loss, with a replacement asset (which will become an Allocated Asset) which has a fair market value equivalent to that of the Allocated Asset which suffered the Event of Loss (as determined solely by the Operator) immediately prior to such Event of Loss (assuming such Allocated Asset was then in the condition and state of repair required by this Agreement), or

(ii) the Operator may retain the sale proceeds, if any, received for the Allocated Asset suffering the Event of Loss and shall credit to the Settlement Account the fair market value of such Allocated Asset immediately prior to such Event of Loss (assuming such Allocated Asset was then in the condition and state of repair required by this Agreement), which fair market value in no event shall be less than the sale proceeds received for such Allocated Asset. Upon the crediting of the Settlement Account with the fair market value of such Allocated Asset, such Allocated Asset shall no longer be subject to this Agreement and the Owner shall convey to the Operator or its designee, ownership of and title to such Allocated Asset. Notwithstanding the foregoing, until payment by the Operator to the Owner of the amount credited to the Settlement Account on the next succeeding Settlement Account Payment Date, the Allocated Asset suffering the Event of Loss shall be deemed to continue to be subject to this Agreement solely for the purpose of calculating the Operating Fee.

(b) Upon compliance by the Operator with Section 10.1(a)(i), (i) this Agreement shall continue with respect to any replacement Allocated Asset as though no Event of Loss had occurred, (ii) the Owner shall convey "as is" "where is", free and clear of all Owner Liens, without recourse or warranty (except as to the ability and authority of the Owner to transfer and convey such Allocated Asset free and clear of Owner Liens), to the Operator or its
designee all right, title and interest of the Owner in and to the Allocated Asset being replaced by executing and delivering to the Operator or its designee such bills of sales and other documents or instruments as the Operator or its designee may reasonably request to evidence such conveyance, and (iii) the Owner shall assign to the Operator all claims it may have against any other Person arising from the event which gave rise to the replacement.

(c) Upon compliance by the parties with Section 10.1(a)(ii), the Owner shall convey "as is" "where is", free and clear of all Owner Liens, without recourse or warranty (except as to the ability and authority of the Owner to transfer and convey such Allocated Asset free and clear of Owner Liens) to the Operator or its designee all right, title and interest of the Owner in and to such Allocated Asset by executing and delivering to the Operator or its designee such bills of sales and other documents or instruments as the Operator or its designee may reasonably request to evidence such conveyance.

SECTION 10.2 Applications During Event of Default. Any amount that shall be payable to the Operator pursuant to this Agreement arising out of any warranty, governmental award or otherwise received in respect of any Allocated Asset shall not be paid to the Operator or, if it shall have been previously paid to the Operator, shall not be retained by the Operator but shall be paid to the Owner, if at the time of such payment any Event of Default shall have occurred and be continuing. In such event, all such amounts shall be paid to and held by the Owner in trust as security for the obligations of the Operator to make payments under this Agreement or applied by the Owner toward payment of any of such obligations of the Operator at the time due hereunder. At such time as there shall not be continuing any Event of Default all such amounts at the time held by the Owner in excess of the amount, if any, that the Owner shall have elected to apply as above provided shall be paid to the Operator.

SECTION 10.3 Application of Article VII. Article VII shall not apply to any Allocated Asset after an Event of Loss has occurred with respect to such Allocated Asset; provided, that the foregoing shall not limit the obligations of the Operator under Article VII hereof with respect to any replacement Allocated Asset.

ARTICLE XI

Indemnities

SECTION 11.1 Indemnity by Operator. (a) The Operator assumes and shall be fully responsible for all liabilities attributable in any way to the Allocated Assets, or to operations on or over the Allocated Assets, except for (i) Retained Liabilities and any other liabilities with respect to which it is the responsibility of any Person other than the Operator under the terms of the Transaction Agreement and the Ancillary Agreements to indemnify the Owner, and (ii) liabilities that arise prior to the Closing Date referred to in Section 2.8(b)(ii) or Section 2.8(c) of the Transaction Agreement; provided, that for the purposes of this Section 11.1(a), the term
"Ancillary Agreements" as used in the parenthetical included in Sections 2.8(b) and 2.8(c) of the Transaction Agreement shall be deemed not to include this Agreement. To that end, the Operator agrees to and shall protect, indemnify and hold wholly harmless the Owner and its directors, officers, employees and agents (each an "Owner Indemnified Person") from and against any Damages arising from or attributable to the liabilities assumed by the Operator under the first sentence of this Section 11.1(a).

(b) Upon payment in full of any indemnity pursuant to this Section 11.1, the Operator shall, to the extent of such payment and so long as no Event of Default shall have occurred and be continuing, be subrogated to any rights of the Owner Indemnified Person in respect of the matter against which such indemnity was given (other than with respect to any insurance policies carried by such Owner Indemnified Person).

SECTION 11.2 Indemnity by Owner. (a) The Owner shall be fully responsible for all liabilities which arise prior to the Closing Date which are referred to in Section 2.8(b)(ii) or Section 2.8(c) of the Transaction Agreement. To that end, the Owner agrees to and shall protect, indemnify and hold wholly harmless the Operator and its directors, officers, employees and agents (each, an "Operator Indemnified Person") from and against any and all Damages arising from or attributable to (i) Retained Liabilities and any other liabilities with respect to which it is the responsibility of any Person other than the Operator under the terms of the Transaction Agreement and the Ancillary Agreements to indemnify the Owner, and (ii) liabilities that arise prior to the Closing Date referred to in Section 2.8(b)(ii) and Section 2.8(c) of the Transaction Agreement; provided, that for the purposes of this Section 11.2(a), the term "Ancillary Agreements" as used in the parenthetical included in Sections 2.8(b) and 2.8(c) of the Transaction Agreement shall be deemed not to include this Agreement.

(b) Upon payment in full of any indemnity pursuant to this Section 11.2, the Owner shall, to the extent of such payment, be subrogated to any rights of the Operator Indemnified Person in respect of the matter against which such indemnity was given (other than with respect to any insurance policies carried by such Operator Indemnified Person).

SECTION 11.3 Indemnification Procedures. (a) If any Action shall be threatened or instituted or any claim or demand shall be asserted against any Indemnified Party in respect of which indemnification may be sought under the provisions of this Agreement, the Indemnified Party shall promptly cause written notice of the assertion of any such claim, demand or Action of which it has knowledge to be forwarded to the Indemnifying Party. Such notice shall contain a reference to the provisions hereof or of such other agreement, instrument or certificate delivered pursuant hereto, in respect of which such claim is being made. The Indemnified Party's failure to give the Indemnifying Party prompt notice shall not preclude the Indemnified Party from obtaining indemnification from the Indemnifying Party under this Article XI unless the Indemnified Party's failure has materially prejudiced the Indemnifying Party's ability to defend the claim, demand or Action.
(b) If the Indemnified Party seeks indemnification from the Indemnifying Party as a result of a claim or demand being made by a third party (a "Third Party Claim"), the Indemnifying Party shall have the right promptly to assume the control of the defense of any Action with respect to such Third Party Claim, including, at its own expense, employment by it of counsel reasonably satisfactory to the Indemnified Party. The Indemnified Party may, in its sole discretion and at its own expense, employ counsel to represent it in the defense of the Third Party Claim, and in such event counsel for the Indemnifying Party shall cooperate with counsel for the Indemnified Party in such defense, provided that the Indemnifying Party shall direct and control the defense of such Third Party Claim or proceeding. The Indemnifying Party shall not consent to the entry of any judgment, except with the written consent of the Indemnified Party, and shall not enter into any settlement of such Third Party Claim without the written consent of the Indemnified Party which does not include as an unconditional term thereof the release of the Indemnified Party from all Liability in respect of such Third Party Claim.

ARTICLE XII

Assignments: Sub-Operating Agreements

SECTION 12.1 Operator Assignments. Except as otherwise provided in this Agreement, the Operator may not, without the prior written consent of the Owner, and subject to any applicable Governmental Actions, assign, transfer, sublease or otherwise grant the right to use any Allocated Asset or its interest therein or rights with respect thereto, including any Assigned Right.

SECTION 12.2 Merger, Consolidation, Etc. The Operator, without the consent of the Owner, may assign all or any part of its rights and obligations under this Agreement to (i) any of its controlled Subsidiaries or (ii) any successor in the event of a merger, consolidation, sale of all or substantially all its assets, liquidation or dissolution, if such assignee executes and delivers to the Owner an agreement reasonably satisfactory in form and substance to the Owner under which such assignee assumes and agrees to perform and discharge all the obligations and liabilities of the Operator; provided that any such assignment shall not relieve the Operator from the performance and discharge of such obligations and liabilities.

SECTION 12.3 Owner Assignments. The Owner shall not transfer or assign any part of its right, title and interest in this Agreement or any Allocated Assets used hereunder without the prior written consent of the Operator.
ARTICLE XIII

Upon the occurrence and during the continuance of an Event of Default, the Owner may inspect such books and records at any time, which inspections shall be at the expense of the Operator. The Operator covenants and agrees to replace any such label, plate or tag which may be removed or destroyed or become illegible, and the Operator shall indemnify each Owner Indemnified Person against any liability, loss or expense incurred by such Owner Indemnified Person as a result of the failure to maintain such markings.

ARTICLE XIV

SECTION 14.1 Events of Default. Each of the following events shall constitute an Event of Default (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any Governmental Authority):

(a) the Operator shall fail to make any payment of (i) the Operating Fee when due and such failure shall continue unremedied for a period of thirty (30) Business Days and (ii) any Supplemental Operating Fees due under this Agreement and such failure shall continue unremedied for a period of thirty (30) Business Days, or

Event of Default if (i) such default is curable but cannot be cured within such one hundred twenty (120) Business Day period and (ii) the Operator is diligently pursuing the cure of such default; provided, further, that any such failure or breach (other than a failure or breach curable by payment of money) shall constitute an Event of Default if such failure is not cured within the earlier of the last Business Day of the Term and four hundred fifty (450) days from the date notice thereof has been given to the Operator; or

(c) The Operator (i) shall commence a voluntary Insolvency Proceeding, (ii) shall seek the appointment of a trustee, receiver, liquidator, sequestrator, custodian or other similar official of the Operator or any substantial part of the Operator's property, (iii) shall acquiesce in or consent to any such relief or to the appointment of or taking possession by any such official in an involuntary Insolvency Proceeding commenced against it, (iv) shall make a general assignment for the benefit of creditors, or (v) shall fail generally to pay its undisputed debts as they become due; or

(d) an involuntary Insolvency Proceeding shall be commenced against the Operator seeking liquidation, reorganization or other relief with respect to such Person or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, assignee, sequestrator, custodian or other similar official of it or any substantial part of its property, and such involuntary case or other proceeding shall remain undischmissed or unstayed for a period of one hundred twenty (120) consecutive Business Days.

ARTICLE XV

SECTION 15.1 Remedies. (a) sell the Allocated Assets at public or private sale, as the Owner may determine, or otherwise dispose of, hold, use, operate, lease to others or keep unused the Allocated Assets as the Owner, in its sole discretion, may determine, all free and clear of any rights of Operator;

(b) whether or not the Owner shall have exercised, or shall thereafter at any time exercise, any of its rights under paragraph (a) above, the Owner, by written notice to the Operator, may demand that the Operator pay to the Owner, and the Operator shall pay to the Owner, any accrued but unpaid Operating Fees (together with interest, if any, on such amount at
the Overdue Rate from such specified payment date until the date of actual payment of such amount);

(c) The Owner may terminate this Agreement and the rights of the Operator to use the Allocated Assets pursuant hereto.

The Owner may exercise one or more remedies in respect of certain Allocated Assets and one or more other remedies in respect of other Allocated Assets.

In addition, the Operator shall be liable for any and all Fees and Expenses and other costs and expenses incurred by the Owner by reason of the occurrence of any Event of Default or the exercise of the remedies of the Owner with respect thereto. At any sale of any Allocated Assets or any part thereof pursuant to this Article XV, the Owner may bid for and purchase such property.

SECTION 15.2 Owner Rights. To the fullest extent permitted by Applicable Law, each and every right, power and remedy herein specifically given to the Owner or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically given herein or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Owner, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Owner in the exercise of any right, power or remedy or in the pursuit of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Operator or to be an acquiescence therein. No express or implied waiver by the Owner of any Event of Default shall in any way be, or be construed to be, a waiver of any future or subsequent Event of Default.

SECTION 15.3 Exercise of Other Rights or Remedies. In addition to all rights and remedies provided in this Article XV, the Owner may exercise any other right or remedy that may be available to it under Applicable Law or proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof.

ARTICLE XVIII

Certain Notices and Information

The Person receiving such request shall provide the Person whose confidential information has been requested, a reasonable opportunity to review such information and to assert any rights it may have with respect to the potential disclosure of such confidential information. Each party shall be deemed to have satisfied its obligation to hold confidential information concerning or supplied by the other party hereto, if it exercises the same care as it takes to preserve confidentiality for its own similar information.

(a) Subject to Section 5.2, the Capital Contribution of the Member may be returned to it, in whole or in part, at any time, at the direction of the Member. Notwithstanding the foregoing, no return of Capital Contribution shall be made hereunder if such distribution would violate applicable state law.

(b) The Member shall receive no interest, salary or drawing with respect to the Capital Contribution or for services rendered on behalf of the Company or otherwise in its capacity as the Member, except as otherwise specifically provided in this Agreement with respect to allocations and distributions.

(c) Except as otherwise provided herein and by the Delaware Act, the Member shall be liable only to make its Capital Contribution pursuant to Section 6.1 hereof, and shall not be required to lend any funds to the Company or, after the Member's Capital Contribution has been made pursuant to Section 6.1 hereof, to make any additional capital contributions to the Company except as provided herein or therein.
ARTICLE VII
DISTRIBUTIONS

Section 7.1 Distributions: Special Distribution. Subject to any provisions regarding Distributions which may be provided in the Transaction Agreement and subject to Section 5.2, the Member may declare and make Distributions of cash or property in such amounts and at such times as it deems appropriate, at its sole discretion, subject to the consent of the Manager.

Section 7.2 Limitations on Distribution. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make any Distribution if such Distribution would violate Section 18-607 of the Delaware Act or other applicable law.

Section 8.3 Annual Audit. The financial statements of the Company shall be audited by an independent certified public accountant, selected by the Member, with such audit to be accompanied by a report of such accountant containing its opinion. The cost of such audit shall be an expense of the Company.
ARTICLE IX

Section 9.1 Taxation as Branch or Division. To the maximum extent permitted by law, the Company shall be disregarded as an entity separate from the Member (i.e., shall be treated as a branch or division of the Member) for United States federal, state, local and foreign tax purposes and will make any necessary elections to achieve such status.

ARTICLE X

LIABILITY MATTERS

Section 10.1 Liability. Except as otherwise provided by the Delaware Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and or the Member shall not be obligated personally for any such debt, obligation or liability of the Company solely by reason of being the Member.

Section 10.2 Exculpation. (a) Neither the Manager, nor any Affiliate of the Manager, nor any officer, director, employee or agent of the Company, the Manager or any Affiliate of the Manager (a "Covered Person") shall be liable to the Company, the Member or any other Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Covered Person in good faith on behalf of the Company and in a manner reasonably believed to be within the scope of authority conferred on such Covered Person by this Agreement, except that a Covered Person shall be liable to the Company for any such loss, damage or claim incurred by reason of such Covered Person's gross negligence, fraud or willful misconduct.

(b) A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any Person as to matters the Covered Person reasonably believes are within such other Person's professional or expert competence, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits or losses or any other facts...
pertinent to the existence and amount of assets from which Distributions to the Member might properly be paid.

Section 10.3 **Insurance.** The Company may purchase and maintain insurance, to the extent and in such amounts as the Manager shall deem reasonable or appropriate, on behalf of such Persons as the Manager shall determine, against any liability that may be asserted against or expenses that may be incurred by any such Person in connection with the activities of the Company or such indemnities, regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement.

Section 10.4 **Outside Businesses.** The Member or an Affiliate of the Member may engage in or possess an interest in other business ventures of any nature or description, independently or with others, similar or dissimilar to the business of the Company, and the Company and the Member shall have no rights by virtue of this Agreement in and to such independent ventures or the income or profits derived therefrom, and the pursuit of any such venture, even if competitive with the business of the Company, shall not be deemed wrongful or improper. The Member or an Affiliate of the Member shall not be obligated to present any particular investment opportunity to the Company even if such opportunity is of a character that, if presented to the Company, could be taken by the Company, and the Member or an Affiliate of the Member shall have the right to take for its own account (individually or as a partner or fiduciary) or to recommend to others any such particular investment opportunity. The provisions of this Section 10.4 shall not in any way limit, modify or amend the terms of any noncompetition, license or employment agreement that may be entered into between the Company and the Member, which terms shall be binding on the parties thereto.

**ARTICLE XI**

**ADMISSION; ASSIGNMENTS**

Section 11.1 **Admission.** Other than in connection with a Restructuring, and subject to Section 5.2, the Company may not admit any new member and may not issue additional membership interests.
Section 11.2 Assignments of Interests Generally. Other than in connection with a Restructuring, and subject to Section 5.2, the Member, on the one hand, and the Manager, on the other hand, may not, directly or indirectly, sell, assign, transfer, pledge, hypothecate, mortgage or dispose of, by gift or otherwise, or in any way encumber ("Assign," and such act, an "Assignment") all or any part of the Member's Interest or the Manager's rights and duties hereunder, respectively.

Section 11.3 Recognition of Assignment by the Company. No Assignment of the Interest in violation of Sections 11.1 or 11.2 shall be valid or effective, and neither the Company nor the Member shall recognize the same for any purpose. Neither the Company nor the Member shall incur any liability as a result of refusing to make any allocations or Distributions to any Person to whom the Interest is purported to be Assigned in violation of Sections 11.1. or 11.2.

ARTICLE XII

DISSOLUTION, LIQUIDATION AND TERMINATION

Section 12.1 No Dissolution. The death, retirement, resignation, expulsion, bankruptcy or dissolution of the Member or the occurrence of any other event that terminates the continued membership of the Member in the Company shall not, in and of itself, cause the dissolution of the Company. In such event, the business of the Company shall be continued by the Member's successor by law or contract.

Section 12.2 Events Causing Dissolution. The Company shall be dissolved and its affairs shall be wound up upon the occurrence of any of the following events:

(a) the written consent of the Member; or

(b) the entry of a decree of judicial dissolution under Section 18-802 of the Delaware Act.

Section 12.3 Liquidation. Upon dissolution of the Company, the Person or Persons approved by the Member to carry out the winding up of the Company shall immediately commence to wind up the Company's affairs; provided, however, that a reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the satisfaction of liabilities to creditors so as to enable the Member to minimize the
normal losses attendant upon a liquidation. The proceeds of liquidation shall be distributed in the following order and priority:

(a) to secured creditors of the Company whether or not the Member, and to unsecured creditors other than the Member, to the extent otherwise permitted by law, in satisfaction of the liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof); and

(b) the remainder, to the Member, first in satisfaction of any amounts due as unsecured credits and, thereafter, in respect of the Interest.

Section 12.4 Termination. The Company shall terminate when all of the assets of the Company, after payment, or due provision for all debts, liabilities and obligations, of the Company, shall have been distributed to the Member in the manner provided for in this Article XII and the Certificate shall have been canceled in the manner required by the Delaware Act.

Section 12.5 Claims of the Member. The Member shall look solely to the Company's assets for the return of the Capital Contributions, and if the assets of the Company remaining after payment of or due provision for all debts, liabilities and obligations of the Company are insufficient to return such Capital Contribution, the Member shall have no recourse against the Company.

ARTICLE XIII

MISCELLANEOUS

Section 13.1 Notices. All notices provided for in this Agreement shall be in writing, duly signed by the party giving such notice, and shall be hand delivered, faxed (with a confirming copy sent by first class mail) or mailed by registered or certified mail or overnight courier service, to the person and at the address (and, if applicable, fax number) set forth opposite its name on Schedule A attached hereto, or at such other address (and, if applicable, fax number) as the Member or the Company, as the case may be, may hereafter designate by written notice to the other. All such notices shall be deemed to have been given when received.
Section 13.2 Failure to Pursue Remedies. The failure of any Person to seek redress for violation of, or to insist upon the strict performance of, any provision of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

Section 13.3 Cumulative Remedies. The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any Person shall not preclude or waive its right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

Section 13.4 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Member and, to the extent permitted by this Agreement, its successors, legal representatives and assigns.

Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or statute as from time to time amended, modified or supplemented, including (in the case of agreements or instruments) by waiver or consent in writing and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. References to a Person are also to its permitted successors and assigns. It is the intent of the parties hereto that this Agreement shall be an effectuation of certain terms of the April 8 Agreement and
Transaction Agreement consistent with such terms of the April 8 Agreement and Transaction Agreement and that the provisions of this Agreement should be interpreted as subject to and interpreted to give effect to the April 8 Agreement and Transaction Agreement.

Section 13.6 Severability. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.

Section 13.7 Integration. This Agreement constitutes the entire agreement pertaining to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto other than the April 8 Agreement, the Transaction Agreement and the Ancillary Agreements.

Section 13.8 Governing Law. This Agreement and the rights hereunder shall be interpreted in accordance with the laws of the State of Delaware, and all rights and remedies shall be governed by such laws without regard to principles of conflict of laws, provided that the arbitration provisions of the Transaction Agreement shall be applicable hereto.

Section 13.9 Amendments. Any amendment to this Agreement shall be adopted and be effective as an amendment hereto upon execution of a written amendment.

Section 13.10 Third Party Beneficiaries. Each of CSX and NSC shall be a third-party beneficiary of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above stated.

AGREEMENT

THIS AGREEMENT, entered into as of this ___ day of
___________ 19__, by and among NEW YORK CENTRAL LLC, a Delaware
limited liability company (hereinafter referred to as "NYC"), CSX
TRANSPORTATION, INC., a Virginia corporation (hereinafter
referred to as "CSXT") and NORFOLK SOUTHERN RAILWAY COMPANY, a
Virginia corporation, including its subsidiaries and affiliates
(hereinafter referred to as "NSR");

WITNESSETH:

WHEREAS, CSX Corporation ("CSX"), parent to CSXT, and
Norfolk Southern Corporation ("NSC"), parent to NSR, entered into
a Transaction Agreement (the "Transaction Agreement") between
themselves; CSXT, a wholly-owned subsidiary of CSX; NSR; Conrail,
Inc. ("CRR"); Consolidated Railroad Corporation ("CRC"), a
wholly-owned subsidiary of CRR; and CRR Holdings LLC; and

WHEREAS, CSX and NSC have indirectly acquired all the
outstanding capital stock of CRR; and
WHEREAS, pursuant to the Transaction Agreement, certain assets of CRC have been allocated to NYC, which is a wholly-owned subsidiary of CRC, to be operated by CSXT under the terms of an Allocated Assets Operating Agreement (the "CSXT Operating Agreement") between NYC and CSXT; and

WHEREAS, pursuant to the Transaction Agreement, certain assets of CRC have been allocated to PRR, which is a wholly-owned subsidiary of CRC, to be operated by NSR under the terms of an Allocated Assets Operating Agreement (the "NSR Operating Agreement") between PRR and NSR;

WHEREAS, under the terms and conditions of the Transaction Agreement, the parties hereto have agreed to grant to each other various trackage rights over the respective former CRC lines of railroad operated by each of the parties, and in the interest of economy and efficiency of operations, the parties hereto desire to enter into a master agreement to cover various trackage rights arrangements granted NSR over the lines of railroad operated by CSXT; and

WHEREAS, the parties hereto intend to enter into separate addendum to this Agreement, indentifying respective segments, specific condition and/or restrictions; and
NOW, THEREFORE, the parties hereto, intending to be legally bound, agree as follows:

ARTICLE 1. GRANT OF TRACKAGE RIGHTS; OPERATING AGREEMENT

Subject to the terms and conditions herein provided, NYC, as owner, and CSXT, as operator, hereby grant to NSR the right to operate its trains, locomotives, cars and equipment with its own crews (hereinafter referred to as the "Trackage Rights") over the lines of railroad owned by NYC and operated by CSXT, under the CSXT Operating Agreement hereinafter referred to as "Subject Trackage", upon execution of the "Form A - Trackage Rights Addendum" identifying specific trackage rights arrangements and relevant provisions to be attached hereto and made a part hereof.

ARTICLE 2. USE OF SUBJECT TRACKAGE

(a) NSR's use of the Subject Trackage shall be in common with CSXT and any other user of the Subject Trackage, and CSXT's right to use the Subject Trackage shall not be diminished by this Agreement. NYC and CSXT, with the consent of NYC, shall retain the exclusive right to grant to other persons rights of any nature in the Subject Trackage.
(b) Except as may otherwise be provided by this Agreement or provided under terms of a Form A - Trackage Rights Addendum to this Agreement, NSR shall not use any part of the Subject Trackage for the purpose of switching, storage or servicing of cars or equipment, or the making or breaking up of trains, or service to an industry, except that nothing contained herein shall, upon prior approval of CSXT, preclude the emergency use by NSR of such auxiliary tracks as may be designated by CSXT for such purposes.

(c) Except as may otherwise be provided in this Agreement or provided under the terms of Form A - Trackage Rights Addendum to this Agreement, NSR shall have the right to enter on and exit from the Subject Trackage only at (i) the endpoints of the Subject Trackage, or (ii) points other than the endpoints where NSR may make a connection with its existing railroad line and joint CSXT/NSR lines (any of the foregoing points being hereinafter referred to as a “Point of Permitted Entry or Exit”).

(d) CSXT shall have exclusive control of the management and operation of the Subject Trackage. NSR shall not have any claim against CSXT for liability on account of loss or damage of any kind in the event the use of the Subject
Trackage by NSR is interrupted or delayed at any time from any cause.

ARTICLE 3. MISCELLANEOUS SPECIAL PROVISIONS

(a) When operating over the Subject Trackage, NSR's locomotives and crews will be equipped to communicate with CSXT on radio frequencies normally used by CSXT in directing train movements on the Subject Trackage.

(b) Procedures for qualification and occupancy of the Subject Trackage will be arranged by the local supervision of each carrier. All control and usage will be subject to the approval of CSXT's representative or his designee.

(c) Before its locomotives enter onto CSXT's trackage, NSR shall request permission from CSXT's dispatcher (or other designated representative) at Jacksonville, Florida or such other location as CSXT may designate. Further, NSR shall ascertain that said trackage is clear and shall await confirmation from said representative that such permission has been issued to allow NSR's movements on or over the Subject Trackage. Upon completing its operations and clearing the Subject Trackage, NSR will notify CSXT's
designated representative that it has completed its
operations and that its equipment has cleared CSXT's
trackage. Once NSR has notified CSXT's representative that
it has cleared the Subject Trackage, NSR shall not reenter
the Subject Trackage without again obtaining permission from
CSXT's representative. NSR shall provide and maintain at
its expense all communication facilities needed and as may
be required by CSXT to permit NSR to use the Subject
Trackage.

ARTICLE 4.        PAYMENT OF BILLS

(a) All payments called for under this Agreement shall be made
by NSR within thirty (30) days after the date of the bills
therefor. No payments shall be withheld because of any
dispute as to the correctness of items in the bills
rendered, and any discrepancies reconciled between the
parties hereto shall be adjusted in the accounts of a
subsequent month. The records of each party hereto, insofar
as they pertain to matters covered by this Agreement, shall
be open at all reasonable times to inspection by the other
party for a period of three (3) years from the date of
billing.

- 6 -
(b) Bills rendered pursuant to the provisions of this Agreement, other than those set forth in Section 3 of Form A - Trackage Rights Addendum, shall include direct labor and material costs, together with the surcharges, overhead percentages and equipment rentals as specified by CSXT at the time any work is performed by CSXT for NSR or shall include actual costs and expense, upon mutual agreement of the parties.

ARTICLE 5. MAINTENANCE OF SUBJECT TRACKAGE

(a) CSXT shall maintain, repair and renew the Subject Trackage with its own supervision and labor. CSXT shall keep and maintain the Subject Trackage in reasonably good condition for the use therein contemplated, but CSXT does not guarantee the condition of the Subject Trackage or that operations thereover will not be interrupted. CSXT shall take all reasonable steps to ensure that any interruptions will be kept to a minimum. Furthermore, except as may be otherwise provided in Article 11, NSR shall not by reason of failure or neglect on the part of CSXT to maintain, repair or renew the Subject Trackage, have or make any claim or demand against CSXT or its parent corporation, subsidiaries or affiliates, or their respective directors, officers, agents or employees for any injury to or death of any person or
persons whomsoever, or for any damage to or loss or
destruction of any property whatsoever, or for any damages
of any nature suffered by NSR resulting from any such
failure or neglect.

(b) CSXT shall perform, at the expense of NSR, such additional
maintenance as NSR may reasonably require or request.

ARTICLE 6. CONSTRUCTION AND MAINTENANCE OF CONNECTIONS

(a) Existing connections or facilities which are jointly used by
the parties hereto under existing agreements shall continue
to be maintained, repaired and renewed by and at the expense
of the party or parties responsible for such maintenance,
repair and renewal under such agreements.

(b) If, in the opinion of NSR, a new or upgraded connection is
required at an existing terminal ("Point of Permitted Entry
or Exit") other than the endpoints, or, if in the opinion of
NSR, other upgrading, including but not limited to switches,
power switches, signals, communications, etc., is required
for operational efficiency, then CSXT will, subject to its
own operational needs, cooperate and NSR will be responsible
for funding that construction/upgrading at actual cost or a
cost mutually agreed to by CSXT and NSR. Such construction/upgrading shall be progressed as follows:

(i) NSR or others shall furnish all labor and material and shall construct such portions of the tracks located on the right-of-way of NSR or others which connect the respective lines of the parties hereto.

(ii) CSXT shall furnish all labor and material and shall construct such portions of the tracks located on the right-of-way operated by CSXT which connect the respective lines of the parties hereto. Upon termination of this Agreement, CSXT may at its option remove any portion of trackage and appurtenances located on right-of-way operated by CSXT, constructed as a result of this Article, at the sole cost and expense of NSR. The salvage material removed shall be released to NSR or, as otherwise agreed upon, CSXT will credit NSR the current fair market value for said salvage.

(iii) CSXT will maintain, repair and renew the constructed/upgraded portions of the tracks located on the right-of-way operated by CSXT which connect the respective
ARTICLE 7. ADDITIONS, RETIREMENTS AND ALTERATIONS

(a) CSXT, from time to time and at its sole cost and expense, may make changes in, additions and betterments to or retirements from the Subject Trackage as shall, in its judgment, be necessary or desirable for the economical or safe operation thereof or as shall be required by any law, rule, regulation, or ordinance promulgated by any governmental body having jurisdiction. Such additions and betterments shall become a part of the Subject Trackage and such retirements shall be excluded from the Subject Trackage.

(b) If the parties agree that changes in or additions and betterments to the Subject Trackage, including changes in communication or signal facilities, are required to accommodate NSR's operations beyond that required by CSXT to accommodate its operations, CSXT shall construct the additional or altered facilities and NSR shall pay to CSXT the cost thereof, including the annual expense of...
maintaining, repairing and renewing such additional or altered facilities.

ARTICLE 8. MANAGEMENT AND OPERATIONS

(a) NSR shall comply with the provisions of the Federal Locomotive Inspection Act and the Federal Safety Appliance Act, as amended, and any other federal and state and local laws, regulations and rules respecting the operation, condition, inspection and safety of its trains, locomotives, cars and equipment while such trains, locomotives, cars, and equipment are being operated over the Subject Trackage. NSR shall indemnify, protect, defend, and save harmless CSXT and its parent corporation, subsidiaries and affiliates, and all of their respective directors, officers, agents and employees from and against all fines, penalties and liabilities imposed upon CSXT or its parent corporation, subsidiaries or affiliates, or their respective directors, officers, agents and employees under such laws, rules, and regulations by any public authority or court having jurisdiction in the premises, when attributable solely to the failure of NSR to comply with its obligations in this regard.
(b) NSR in its use of the Subject Trackage shall comply in all respects with the safety rules, operating rules and other regulations of CSXT, and the movement of NSR's trains, locomotives, cars, and equipment over the Subject Trackage shall at all times be subject to the orders of the transportation officers of CSXT. NSR's trains shall not include locomotives, cars or equipment which exceed the width, height, weight or other restrictions or capacities of the Subject Trackage as published in Railway Line Clearances, and no train shall contain locomotives, cars or equipment which require speed restrictions or other movement restrictions below the maximum authorized freight speeds as provided by CSXT's operating rules and regulations without the prior consent of CSXT.

(c) NSR shall make such arrangements with CSXT as may be required to have all of its employees who shall operate its trains, locomotives, cars and equipment over the Subject Trackage qualified for operation thereover, and NSR shall pay to CSXT, upon receipt of bills therefor, any cost incurred by CSXT in connection with the qualification of such employees of NSR, as well as the cost of pilots furnished by CSXT, until such time as such employees are
deemed by the appropriate examining officer of CSXT to be properly qualified for operation as herein contemplated.

(d) In the event of any investigation or hearing concerning the violation of any operating rule or practice by NSR's employees while on the Subject Trackage, NSR shall be notified in advance of any such investigation or hearing, and such investigation or hearing may be attended by any official designated by NSR, and any such investigation or hearing shall be conducted in accordance with the collective bargaining agreements, if any, that pertain to NSR's employee or employees required to attend such hearings.

(e) CSXT shall have the right to exclude from the Subject Trackage any employee of NSR determined by the above, to be in violation of CSXT's rules, regulations, orders, practices, or instructions issued by CSXT's Timetable or otherwise. NSR shall release, indemnify, defend, and save harmless CSXT and its parent corporation, subsidiaries and affiliates, and all of their respective directors, officers, agents and employees from and against any and all claims and expenses resulting from such exclusion.
(f) The trains, locomotives, cars and equipment of NSR, CSXT, and any other present or future user of the Subject Trackage or any portion thereof, shall be operated without prejudice or partiality to either party and in such manner as will afford the most economical and efficient movement of all traffic.

(g) In the event that a train of NSR shall be forced to stop on the Subject Trackage, due to mechanical failure of NSR's equipment, or any other cause not resulting from an accident or derailment, and such train is unable to proceed, or if a train of NSR fails to maintain the speed required by CSXT on the Subject Trackage, or if in emergencies, crippled or otherwise defective cars are set out of NSR's trains on the Subject Trackage, CSXT shall have the option to furnish motive power or such other assistance as may be necessary to haul, help or push such trains, locomotives or cars, or to properly move the disabled equipment off the Subject Trackage, and NSR shall reimburse CSXT for the cost of rendering any such assistance.

(h) If it becomes necessary to make repairs to or adjust or transfer the lading of such crippled or defective cars in order to move them off the Subject Trackage, such work shall
be done by CSXT, and NSR shall reimburse CSXT for the cost thereof.

(i) In the event CSXT and NSR agree that CSXT should retain employees or provide additional employees for the sole benefit of NSR, the parties hereto shall enter into a separate agreement under which NSR shall bear all cost and expense for any such retained or additional employees provided, including without limitation all cost and expense associated with labor protective payments which are made by CSXT and which would not have been incurred had the retained or additional employees not been provided.

ARTICLE 9. MILEAGE AND CAR HIRE

All mileage and car hire charges accruing on cars in NSR's trains on the Subject Trackage shall be assumed by NSR and reported and paid by it directly to the owner of such cars.

ARTICLE 10. CLEARING OF WRECKS

Whenever NSR's use of the Subject Trackage requires rerailing, wrecking service or wrecking train service, CSXT shall perform or provide such service, including the repair and restoration of roadbed, track and structures. The cost,
liability and expense of the foregoing, including without limitation loss of, damage to, or destruction of any property whatsoever and injury to and death of any person or persons whomsoever or any damage to or destruction of the environment whatsoever, including without limitation land, air, water, wildlife, and vegetation, resulting therefrom, shall be apportioned in accordance with the provisions of Article 11 hereof. All locomotives, cars, and equipment and salvage from the same so picked up and removed which is owned by or under the management and control of or used by NSR at the time of such wreck, shall be promptly delivered to NSR.

ARTICLE 11. LIABILITY

For the purpose of this Article 11, the term “Damage” means all assessments, losses, damages, liabilities, costs and expenses, including without limitation interest, penalties and attorneys’ and consultants’ fees. For the purpose of this Article 11, the term “Railroad Consequential Damages” means consequential, indirect, incidental or other similar damage, injury or loss to either NSR or CSXT. The responsibility between and among CSXT and NSR for all Damage arising out of, incidental to or occurring in connection with this Agreement shall be apportioned as follows:

- 16 -
(a) Sole Responsibility: Subject to Article 11(e), each party shall assume and bear all responsibility for damage to or resulting from its own trains, locomotives and equipment, including but not limited to railcars and lading in its possession or being handled for its account, and for the death of or injury to its own employees.

(b) NSR and CSXT Responsibility: Subject to Article 11(e), the parties shall jointly and equally (50% NSR and 50% CSXT) assume and bear all responsibility for all damage, other than damage which is subject to Article 11(a).

(c) Process: Each party shall be responsible for the payment, handling, administration and disposition of all damage for which it bears exclusive responsibility under Article 11(a), and both parties shall have joint responsibility for the payment, handling, administration and disposition of all damage for which they are jointly responsible under Article 11(b). In assigning joint responsibility to both parties, it is not the intent of this Agreement that the parties will actually act jointly, but rather that the parties will
agree between themselves on the most practical and efficient arrangements for handling, administering, and disposing of Damage for which they bear joint responsibility, with the objective of eliminating unnecessary duplication of effort and minimizing overall costs.

(d) Indemnification: Each party to this Agreement covenants and agrees to (i) fully indemnify and save harmless the other parties to this Agreement from and against any payments which are the responsibility of such party under this Agreement, and all expenses, including attorney’s fees and expenses, and other expenses of any court or regulatory proceeding, incurred by such other parties in defending any claim for which they are liable, and (ii) defend such other parties against such claims with counsel selected by such party and reasonably acceptable to such other parties.

(e) Limitation: Articles 11(a) and (b) shall apply only to the amount of Damage resulting from a single incident which is $25 million or less. Responsibility for Damages resulting from a single incident which exceeds
$25 million shall be allocated to the extent of such excess to CSXT and NSR in proportion to their respective fault or negligence in causing such Damage, subject to the following rules: (1) the total amount of Damage for which each party would otherwise be responsible under Article 11(a) and (b) shall be determined, on a comparative percentage basis; (2) for each party, multiply $25 million by the comparative percentage determined for that party in Article 11(e)(1); (3) the Damage for which each party is responsible in excess of the amount determined in Article 11(e)(2) shall be allocated between or among CSXT and NSR in proportion to their respective fault or negligence in causing the Damage. As used in this Article 11(e) only, the term "Damage" shall exclude Railroad Consequential Damages (which are always borne by the railroad which sustained them) and claims for exemplary and punitive Damages by any party hereto on its own behalf against another party hereto. By way of example, if Damage from a single incident were $100 million, of which CSXT would be responsible for $80 million under Article (11)(a) and (b) and NSR would be responsible for $20 million under Article 11(a) and (b), CSXT would be responsible for $20 million and NSR
would be responsible for $5 million of such Damage under Article 11(e)(1), and the remaining $75 million of Damage would be apportioned between or among CSXT and NSR in proportion to their respective fault or negligence in causing the Damage. Any dispute between or among the parties hereto in computing the comparative percentage, in determining their respective fault or negligence in causing the Damage or otherwise relating to their respective responsibilities for Damage arising out of, incidental to or occurring in connection with any such incident, including any Damage exceeding $25 million, shall be submitted for resolution by binding arbitration pursuant to Article 16. The $25 million amount referred to in this Article 11(e) may be adjusted every five years following the date of this Agreement with the prior approval of all parties, which approval may be given or refused at the sole discretion of each party.

(f) Exceptions: Each party shall assume and bear all responsibility for Damage caused by acts or omissions of any its employees while under the influence of drugs or alcohol and Article 11(b) and (e) shall not apply to any such Damage.
ARTICLE 12. CLAIMS

(a) The parties shall agree between themselves on the most fair, practical and efficient arrangements for handling and administering freight loss and damage claims with the intent that (i) each party shall be responsible for losses occurring to lading in its possession for the account of such party and (ii) the parties shall follow relevant AAR rules and formulas in providing for the allocation of losses which are either of undetermined origin or in Railcars handled in interline service by or for the account of both parties.

(b) Each party shall indemnify and hold harmless the other party against any and all costs and payments, including benefits, allowances, and arbitration, administrative and litigation expenses, arising out of claims or grievances made by or on behalf of or lawsuits brought by or on behalf of its own employees or their collective bargaining representatives, either pursuant to employee protective conditions imposed by a governmental agency upon the agency's approval or exemption of this Agreement and operations hereunder or pursuant to a collective bargaining agreement. It is the parties' intention that each party shall bear the full costs
of protection of its own employees under employee protective conditions that may be imposed, and of grievances filed by its own employees arising under its collective bargaining agreements with its employees.

ARTICLE 13. DEFAULT AND TERMINATION

In the event of any substantial failure on the part of NSR to perform its obligations provided under the terms of a Form A - Trackage Rights Addendum to this Agreement and its continuance in such default for a period of sixty (60) days after written notice thereof by certified mail from CSXT, CSXT shall have the right at its option, after first giving thirty (30) days written notice thereof by certified mail, and notwithstanding any waiver by CSXT of any prior breach thereof, to terminate the Trackage Rights and NSR's use of the Subject Trackage as granted by the respective Form A - Trackage Rights Addendum. The exercise of such right by CSXT shall not impair its rights under this Agreement or any cause or causes of action it may have against NSR for the recovery of damages. Upon termination of any particular Form A - Trackage Rights Addendum, this Agreement (Master Trackage Rights Agreement) and all remaining Form A - Track Rights Addenda shall remain in full force and effect.
ARTICLE 14. REGULATORY APPROVAL

Both parties agree that this Agreement will be jointly submitted to the Surface Transportation Board (STB) for approval as part of the Joint Application in Finance Docket No. 33388.

ARTICLE 15. ABANDONMENT OF SUBJECT TRACKAGE

(a) Notwithstanding the provisions of Section 5 of Form A - Trackage Rights Addendum, CSXT shall have the right, subject to securing any necessary regulatory approval, to abandon the Subject Trackage or any portion thereof. Before filing an application for regulatory approval of such abandonment, CSXT shall give NSR ninety (90) days' advance notice in writing of its intention to do so in order that NSR may determine whether it desires to purchase the Subject Trackage (or portion thereof) or to discontinue its use thereof.

(b) If NSR desires to purchase the Subject Trackage, it shall submit an offer of financial assistance under 49 U.S.C. Section 10904. In the event CSXT receives more than one such offer, CSXT will exercise its statutory right to negotiate with NSR rather than with the other offeror(s). Thereafter, the rights and obligations of the parties in
respect to NSR's acquisition of the Subject Trackage shall be governed by applicable provisions of the law.

(c) In any one of the circumstances listed below NSR shall be deemed to have determined that it does not desire to purchase the Subject Trackage and that it desires to discontinue its use thereof:

(i) NSR fails to submit an offer of financial assistance to purchase the Subject Trackage within the time prescribed by statute and applicable regulations, or

(ii) NSR, having made an offer of financial assistance to purchase the Subject Trackage, but being unable to reach agreement with CSXT as to the sale price, fails within the statutory period to request the proper regulatory authority to establish the terms and conditions of the sale, or

(iii) NSR, having requested the proper regulatory authority to establish the terms and conditions of sale, withdraws its offer of financial assistance, or
(iv) NSR, having requested the proper regulatory authority to establish the terms of the sale, rejects the authority's order establishing said terms or fails to accept said terms within the time prescribed by said order.

In such event NSR shall promptly file an application with the proper regulatory authority seeking approval of the discontinuance of its operations over the Subject Trackage. If NSR does not file an application seeking approval of the discontinuance of NSR's operations over the Subject Trackage within ninety (90) days, CSXT shall be deemed to have been given NSR's power of attorney to take such action on NSR's behalf.

(d) In the event any application filed by CSXT is granted but an application filed by NSR under Subarticle (c) above is denied by the proper regulatory authority, the parties shall cooperate in taking such action as is reasonably necessary to effect a sale of the Subject Trackage to NSR (including securing any necessary regulatory authority) for a price consistent with the principles of 49 U.S.C. Section 10904.
(e) In the event CSXT abandons the Subject Trackage (or portion thereof) under circumstances which (because of changes in the law or otherwise) are not susceptible of handling under the procedures outlined above, the parties shall cooperate and take such action as is necessary to assure that NSR either promptly terminates its operations over the segment to be abandoned or purchases said segment at a price consistent with the principles of 49 U.S.C. Section 10904 as interpreted on the date of this Agreement.

(f) In the event CSXT's application for authority to abandon is denied, NSR will withdraw any application it has filed under Subarticle (c) above.

(g) Except as otherwise expressly agreed in writing, in the event any actions taken by the parties under this Article 15 result in an obligation imposed by any competent authority on either or both parties hereto to protect the interests of affected employees, the responsibility for bearing the cost thereof shall be borne by the party which is the employer of the affected employee or employees, notwithstanding the manner in which said cost may be apportioned in any order or decision imposing the protection.
ARTICLE 16. ARBITRATION

Any dispute, controversy or claim (or any failure by the parties to agree on a matter as to which this Agreement expressly or implicitly contemplates subsequent agreement by the parties, except for matters left to the sole discretion of a party) arising out of or relating to this Agreement, or the breach, termination or validity hereof, shall be finally settled through binding arbitration by a sole, disinterested arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The arbitrator shall be jointly selected by the parties but, if the parties do not agree on an arbitrator within 30 days after demand for arbitration is made by a party, they shall request that the arbitrator be designated by the American Arbitration Association. The award of the arbitrator shall be final and conclusive upon the parties. Each party to the arbitration shall pay the compensation, costs, fees and expenses of its own witnesses, experts and counsel. The compensation and any costs and expenses of the arbitrator shall be borne equally by the parties. The arbitrator shall have the power to require the performance of acts found to be required by this Agreement, and to require the cessation or nonperformance of acts found to be prohibited by this Agreement. The arbitrator shall not have the power to award consequential or punitive
damages. The arbitrator’s award shall be binding and conclusive upon the parties to the fullest extent permitted by law. Judgment upon the award rendered may be entered in any court having jurisdiction thereof, which court may award appropriate relief at law or in equity. All proceedings relating to any such arbitration, and all testimony, written submissions and award, of the arbitrator therein, shall be private and confidential as among the parties, and shall not be disclosed to any third party, except as required by law and except as reasonably necessary to prosecute or defend any judicial action to enforce, vacate or modify such arbitration award.

ARTICLE 17. SUCCESSORS AND ASSIGNS

(a) Except as provided herein, neither this Agreement (including the documents and instruments referred to herein) nor any of the rights, interests or obligations hereunder, shall be assigned by any party, including by operation of law, without the prior written consent of the other parties, except to a controlled subsidiary, or in the case of NYC, to CSXT or any affiliate of CSXT.

(b) Any party without the consent of the other party may assign all of its rights and obligations under this Agreement only
to any successor in the event of a merger, consolidation, sale of all or substantially all its assets, if such assignee executes and delivers to the other party hereto an agreement reasonably satisfactory in form and substance to such other party under which such assignee, which is reasonably satisfactory to the other party, assumes and agrees to perform and discharge all the obligations and liabilities of the assigning party; provided that any such assignment shall not relieve the assigning party from the performance and discharge of such obligations and liabilities.

ARTICLE 18. NOTICE

Any notice required or permitted to be given by one party to the other under this Agreement shall be deemed given on the date sent by certified mail, or by such other means as the parties may agree, and shall be addressed as follows:

If to NYC: (To be furnished)

If to CSXT: Assistant Vice President-Joint Facilities CSX Transportation, Inc. J200 500 Water Street Jacksonville, FL 32202
Either party may provide changes in the above addresses to the other party by personal service or U.S. mail.

ARTICLE 19. GENERAL PROVISIONS

(a) This Agreement and each and every provision hereof is for the exclusive benefit of the parties hereto and not for the benefit of any third party. Nothing herein contained shall be taken as creating or increasing any right of any third party to recover by way of damages or otherwise against any of the parties hereto.

(b) This Agreement contains the entire understanding of the parties hereto and supersedes any and all oral understandings between the parties.

(c) No term or provision of this Agreement may be changed, waived, discharged or terminated except by an instrument in writing and signed by all parties to this Agreement.

(d) All words, terms and phrases used in this Agreement shall be
construed in accordance with the generally applicable
definition or meaning of such words, terms and phrases in
the railroad industry.

(e) All Article headings are inserted for convenience only and
shall not affect any interpretation of this Agreement.

(f) As used in this Agreement, whenever reference is made to the
trains, locomotives, cars or equipment of, or in the account
of, one of the parties hereto, such expression means the
trains, locomotives, cars and equipment in the possession of
or operated by one of the parties and includes such trains,
locomotives, cars and equipment which are owned by, leased
to, or in the account of such party. Whenever such
locomotives, cars or equipment are owned or leased by one
party to this Agreement and are in the possession or account
of the other party to this Agreement, such locomotives, cars
and equipment shall be considered those of the other party
under this Agreement.

(g) This Agreement is the result of mutual negotiations of the
parties hereto, neither of whom shall be considered the
drafter for purposes of contract construction.
(h) Neither party hereto may disclose the provisions of this Agreement to a third party, excluding a parent, subsidiary or affiliate company, without the written consent of the other party, except as otherwise required by law, regulation or ruling.

ARTICLE 20. INDEMNITY COVERAGE

As part of the consideration hereof, each party hereby agrees that each and all of its indemnity commitments in this Agreement in favor of the other party shall also extend to and indemnify the parent corporation, its subsidiaries and affiliates of such other party, and all of their respective directors, officers, agents and employees.
IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.

This Form A - Trackage Rights Addendum entered into this ___ day of _________________, 19___ by and among NEW YORK CENTRAL LLC, a Delaware limited liability company (hereinafter referred to as "NYC"); CSX TRANSPORTATION, INC., a Virginia corporation (hereinafter referred to as "CSXT"); PENNSYLVANIA LINES LLC, a Delaware limited liability company (hereinafter referred to as "PRR"); and NORFOLK SOUTHERN RAILWAY COMPANY, a Virginia Corporation, including its subsidiaries and affiliates (hereinafter referred to as "NSR"), hereby incorporate by reference an addendum to the Master Trackage Rights Agreement among NYC, CSXT and NSR dated _________________, 19___ governing trackage rights between the parties.

SECTION 1. DESCRIPTION:

NYC, as owner, and CSXT, as operator, hereby grant to NSR, subject to the terms and conditions of the referenced Master Trackage Rights Agreement, and as further governed hereinbelow, the right to operate its trains, locomotives, cars and equipment with its own crews (hereinafter referred to as "Trackage Rights") over the following segment of NYC’s railroad (hereinafter referred to as "Subject Trackage"): 253
NYC's railroad, between the connection of the parties at Junction, Fort Wayne, Indiana at or near Milepost 321.2, and connection of the parties to be constructed at Hadley, west of Fort Wayne at or near Milepost 324.8 approximately, a distance of approximately 3.6 miles, as marked on Drawing No. IN02 attached hereto and made a part hereof.

SECTION 2. RESTRICTION ON USE:

(a) The Trackage Rights herein granted are granted for the sole purpose of NSR using same for bridge traffic only between the endpoints of Subject Trackage and NSR shall not perform any local freight service whatsoever at any point located on Subject Trackage.

(b) Should the parties agree during the term of this Agreement, that NYC's single main track between the terminals of Subject Trackage is insufficient to accommodate the combined volume of the parties, then a second main track shall be constructed on the north side of the existing main track between the terminals of Subject Trackage, and NSR and CSXT shall share equally in the cost of such construction. At the conclusion of construction, NYC shall assume ownership of the north track and

A - 2

254
PRR shall assume ownership of the south track. This Agreement shall thereafter be terminated and superseded by a mutually acceptable joint facility agreement.

SECTION 3. COMPENSATION:

(a) The factor to be used in calculating payments to be made by NSR for the Trackage Rights governed by this Addendum shall be 29 cents ($.29) per car mile (hereinafter referred to as the "Current Charge").

(b) NSR will pay CSXT a sum computed by multiplying (i) the Current Charge, as may be revised in Section 4 of this Addendum by (ii) the number of cars (loaded and empty), locomotive and caboose units moved by NSR with its own crews and power over the Subject Trackage by (iii) the miles of Subject Trackage used. Each locomotive unit and caboose, for the purpose of this Addendum, shall be counted as one (1) car. With respect to articulated units, the number of cars shall be determined by the AAR Car Type code as defined in the UMLFR Specification Manual. The second numeric in the Car Type Code field covering codes "Q" and "S" will be the factor in determining the car count for an articulated unit. For example, AAR Car Type code "S566" would equate to a five (5) car count as these type cars have five (5)
wells capable of handling forty-foot (40') to fifty-foot (50')
containers in each well. A single unit of RoadRailer® equipment
(or comparable bimodal freight hauling equipment in either NSR’s
or CSXT’s account) shall count as one-half (1/2) of a Railcar.

(c) CSXT shall on or about the tenth (10th) day of each
month render billing to NSR for NSR’s previous month’s use of the
Subject Trackage computed in accordance with the terms and
conditions of this Addendum.

SECTION 4. REVISION OF CURRENT CHARGE:

(a) The Current Charge shall be subject to change to
reflect any increases or decreases in labor, material and other
costs as hereinafter provided.

(b) The Current Charge shall be revised upward or downward
each year, beginning with the bill rendered for the month of July
first following the “Effective Date” of this Addendum, to
compensate for the increase or decrease in the cost of labor and
material, excluding fuel, as reflected in the annual Indexes of
Charge-Out Prices and Wage Rates (1977=100), included in “AAR
Railroad Cost Indexes” and supplements thereto, issued by the
Association of American Railroads (“AAR”). In making such
determination, the Final "Material prices, wage rates and supplements combined (excluding fuel)" indexes for the East District shall be used. The Current Charge shall be revised by calculating the percent of increase or decrease in the index for the latest calendar year as related to the index for the previous calendar year and applying that percentage to the Current Charge.

(c) In the event the base for the Annual Indexes of Charge-Out Prices and Wage Rates issued by the AAR shall be changed from the year 1977 appropriate revision shall be made. If the AAR or any successor organization discontinues publication of the Annual Indexes of Charge-Out Prices and Wage Rates, an appropriate substitute for determining the percentage of increase or decrease shall be negotiated by the parties hereto. In the absence of agreement, the parties shall submit the matter to binding arbitration under terms of Article 16 of the Master Trackage Rights Agreement.

(d) At the option of either party hereto, the compensation provided for in this Addendum shall be open for renegotiation every five (5) years from the Effective Date, as hereinafter defined. In the event the parties fail to reach agreement upon such renegotiation, such failure shall not constitute a breach of this Addendum, and the parties shall continue to be bound by the
terms of compensation provided in this Addendum until the matter is settled or submitted to binding arbitration.

SECTION 5. TERM AND TERMINATION:

(a) This Addendum shall become effective the latter of the date first above written, or when regulatory approval is received, the date of such approval and following the expiration of any time periods required by the issuance of labor notices by CSXT ("Effective Date") and shall remain in effect until the 25th anniversary of such date, and shall continue in effect thereafter unless and until terminated by NSR upon six (6) months written notice, or until termination of the Master Trackage Rights Agreement.

(b) The rights, benefits, duties and obligations running from or to NSR under this Agreement shall in all events expire (except liabilities incurred prior to termination) upon the earlier of (i) termination of this Agreement or (ii) termination of the NSR Operating Agreement (including any renewals thereof) and the rights, benefits, duties and obligations running from or to CSXT under this Agreement shall in all events expire (except liabilities incurred prior to termination) upon the earlier of (i) termination of this
Agreement or (ii) termination of the CSXT Operating Agreement (including any renewals thereof); provided, however, that upon termination of the NSR Operating Agreement, the rights, benefits, duties and obligations running from or to NSR under this Agreement shall run from or to PRR and upon termination of the CSXT Operating Agreement, the rights, benefits, duties and obligations running from or to CSXT under this Agreement shall run from or to NYC.

(c) Termination of this Addendum shall not relieve or release either party hereto from any obligations assumed or from any liability which may have arisen or been incurred by either party under the terms of this Addendum prior to termination hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum to the Master Agreement between the parties dated _____________, 19___ to be duly executed as of the date first above written.

1. ARTICLE 3 of the General Conditions of said Agreement of December 20, 1984, is hereby amended in its entirety to read as follows:

ARTICLE 3. ADDITIONS, RETIREMENTS AND ALTERATIONS

(a) Owner, from time to time and at its sole cost and expense, may make such changes in, additions and betterments to, or retirements from the Joint Trackage as shall, in its judgment, be necessary or desirable for the economical or safe operation thereof, or as shall be required by any law, rule, regulation, or ordinance promulgated by any governmental body having jurisdiction. Such additions and betterments shall become a part of the Joint Trackage and such retirements shall be excluded from the Joint Trackage.

(b) If the parties agree that changes in or additions and betterments to the Joint Trackage, including changes in communication or signal facilities, are required to accommodate User's operations beyond that required by Owner to accommodate its own operations, Owner shall construct the additional
or altered facilities and User shall pay to Owner the cost thereof, including the annual expense of maintaining, repairing, and renewing such additional or altered facilities.

2. ARTICLE 5 (b) of the General Conditions of said agreement of December 20, 1984, is hereby amended in its entirety to read as follows:

ARTICLE 5. MANAGEMENT AND OPERATION

(b). User in its use of the Joint Trackage will comply in all respects with the operating rules and regulations of Owner, and the movement of User's trains, locomotives, cars, and equipment over the Joint Trackage shall at all times be subject to the orders of the transportation officers of Owner.

User's trains shall not include locomotives, cars or equipment which exceed the width, height, weight or other restrictions or capacities of the Joint Trackage as published in Railway Line Clearances, and no train shall contain
locomotives, cars or equipment which require speed restrictions or other movement restrictions below the maximum authorized freight speeds as provided by Owner's operating rules and regulations without the prior consent of Owner. User shall indemnify, protect, defend, and save harmless Owner and its officers, agents and employees from and against all liabilities when attributable solely to the failure of User to comply with the provisions of this subarticle.

3. ARTICLE 13 of the General Conditions of said Agreement of December 20, 1984, is hereby amended in its entirety to read as follows:

ARTICLE 13. ABANDONMENT OF JOINT TRACKAGE

(a) Notwithstanding the provisions of Section 8 of this Agreement, Owner shall have the right, subject to securing any necessary regulatory approval, to abandon the Joint Trackage or any portion thereof. Before filing an application for regulatory approval of such abandonment, Owner shall give User 90 days' advance notice in writing of its intention to do so in order that User may
determine whether it desires to purchase the Joint Trackage (or portion thereof) or to discontinue its use thereof.

(b) If User desires to purchase the Joint Trackage, it shall submit an offer of financial assistance under 49 U.S.C. Section 10905. In the event the offer meets the requirements of the aforesaid sections and Owner receives more than one such offer, Owner will exercise its statutory right to negotiate with User rather than with the other offeror(s). Thereafter, the rights and obligations of the parties in respect to User's acquisition of the Joint Trackage shall be governed by applicable provisions of the law.

(c) In any one of the circumstances listed below User shall be deemed to have determined that it does not desire to purchase the Joint Trackage and that it desires to discontinue its use thereof:

(1) User fails to submit an offer of financial assistance to purchase the Joint Trackage within the time prescribed by statute and applicable regulations, or
(2) User, having made an offer of financial assistance to purchase the Joint Trackage, but being unable to reach agreement with Owner as to the sale price, fails within the statutory period to request the proper regulatory authority to establish the terms and conditions of the sale, or

(3) User, having requested the proper regulatory authority to establish the terms and conditions of sale, withdraws its offer of financial assistance, or

(4) User, having requested the proper regulatory authority to establish the terms of the sale, rejects the authority's order establishing said terms or fails to accept said terms within the time prescribed by said order.

In such event User shall promptly file an application with the proper regulatory authority seeking approval of the discontinuance of its operations over the Joint Trackage.

(d) in the event any application filed by Owner is granted but an application filed by User under
subsection (c) above is denied by the proper regulatory authority, the parties shall cooperate in taking such action as is reasonably necessary to effect a sale of the Joint Trackage to User (including securing any necessary regulatory authority) for a price consistent with the principles of 49 U.S.C. Section 10905.

(e) In the event Owner abandons any portion (or all) of the Joint Trackage under circumstances which (because of changes in the law or otherwise) are not susceptible of handling under the procedures outlined above, the parties shall cooperate and take such action as is necessary to assure that User either promptly terminates its operations over the segment to be abandoned or purchases said segment at a price consistent with the principles of 49 U.S.C. Section 10905 as interpreted on the date of this Agreement.

(f) In the event Owner's application for authority to abandon is denied, User will withdraw any application it has filed under subsection (c) above.
(g) Except as otherwise expressly agreed in writing, in the event any actions taken by the parties under this Article 13 result in an obligation imposed by any competent authority on either or both parties hereto to protect the interests of affected employees, the responsibility for bearing the cost thereof shall be borne by the party which is the employer of the affected employee or employees, notwithstanding the manner in which said cost may be apportioned in any order or decision imposing the protection.
4. Except as specifically modified or amended herein, all of the terms and conditions of the Agreement dated December 20, 1984, shall be and remain in full force and effect.

IN WITNESS WHEREOF, the parties have caused this Supplemental Agreement to be duly executed the day and year first written above.

Owner agrees that it will, at User's request, commence construction of that portion on the connection located on Owner's right-of-way after
appropriate deposit has been made by User. Said proposed connection is shown on the plan attached hereto, made a part hereof and marked "Exhibit II".

GENERAL CONDITIONS FORM A

DATED: September 1, 1984

TO Trackage Rights Agreement dated as of September 1, 1984 between Seaboard System Railroad, Inc. ("Owner") and Consolidated Rail Corporation ("User") relating to trackage rights between Ames near Crawfordsville and Lafayette, Indiana.

ARTICLE 1. USE OF JOINT TRACKAGE.

(a) User's use of the Joint Trackage shall be in common with Owner and any other user of the Joint Trackage, and Owner's right to use the Joint Trackage shall not be diminished by this Agreement. Owner shall retain the right to grant to other persons rights of any nature in the Joint Trackage.

(b) User shall not use any part of the Joint Trackage for the purpose of switching, storage of cars, or the making or breaking up of trains, except that nothing contained herein shall, upon prior approval of Owner, preclude the emergency use by User of such auxiliary tracks as may be designated by Owner for such purpose.

(c) Owner shall have exclusive control of the management and operation of the Joint Trackage.
(d) Unless otherwise stated in the Agreement to which these conditions pertain, User shall have the right to operate in either direction over the Joint Trackage.

ARTICLE 2.  REVISION OF BASE CHARGE.

(a) The Base Charge shall be subject to change to reflect any increases or decreases in labor, material and other costs subsequent to the base year, as hereinafter provided.

(b) The Base Charge set forth in Section 3 of this Agreement shall be revised effective July 1 of each year, beginning July 1, 1985, to compensate for 75% of the increase or decrease in the cost of labor and material, excluding fuel, as reflected in the Annual Indices of Charge-Out Prices and Wage Rates (1977=100), Series RCR, included in "AAR Railroad Cost Recovery Index" and supplements thereto, issued by the Association of American Railroads. In making such determination, the final "Material prices, wage rates and supplements combined (excl. fuel)" index for the Eastern District shall be used and the final index figure for the calendar year 1983, hereinafter referred to as the "Base Calendar Year" shall be taken as the base. The Base Charge shall be revised by calculating the percentage of increase, or decrease, in the index of the year to be escalated as related to
the Base Calendar Year; then multiplying this percentage of increase or decrease by 75%, and applying that percentage to the Base Charge.

(c) By way of example, assuming "A" to be the "Material prices, wage rates and supplements combined (excl. fuel)" final index figure for the Base Calendar Year; "B" to be the "Material prices, wage rates and supplements combined (excl. fuel)" final index figure for the calendar year to be escalated; "C" to be the Base Charge; "D" to be the percentage of increase or decrease; and "E" to be the adjusted revised percentage of increase or decrease, the revised Base Charge would be determined by the following formula:

\[
\begin{align*}
(1) & \quad \frac{B - A}{A} = D \\
(2) & \quad D \times 75\% = E \\
(3) & \quad (C \times E) + C \quad \text{revised Base Charge rounded to the nearest cent (5 mills or more up to the next cent), effective July 1 of the year being escalated.}
\end{align*}
\]

(d) In the event the base for the annual Indices of Charge-Out Prices and Wage Rates issued by the Association of American Railroads shall be changed from the year 1977, appropriate revision shall be made in the Base Calendar Year. If the Association of American Railroads or any successor
organization discontinues publication of the Annual Indices of Charge-Out Prices and Wage Rates, an appropriate substitute for determining the percentage of increase or decrease shall be negotiated by the parties hereto. In the absence of agreement, the matter will be referred to the Interstate Commerce Commission for determination. In the event said Commission is without jurisdiction to make such a determination, the parties shall submit the matter to binding arbitration under the Commercial Arbitration Rules of the American Arbitration Association. The decision of the arbitrator so appointed by said Association shall be final and binding upon the parties hereto. Each party to the arbitration shall pay the compensation, costs, fees and expenses of its own witnesses, exhibits and counsel. The compensation, costs and expenses of the arbitrator shall be borne equally by such parties.

(e) At the option of either party hereto the compensation provided for in Section 3 and Article 2 of this Agreement shall be open to renegotiation every five (5) years from the Commencement Date, as hereinafter defined. In the event the parties fail to reach agreement upon such renegotiation, such failure shall not constitute a breach of this Agreement and the parties shall continue to be bound by the terms of compensation provided in said Section and Article for the remainder of the term of this Agreement.
ARTICLE 3.  ADDITIONS, RETIREMENTS AND ALTERATIONS.

(a) Owner, from time to time, may make such changes in, improvements, additions and betterments to, or retirements from the Joint Trackage as shall, in its judgment, be necessary or desirable for the economical or safe operation thereof or as shall be required by any law, rule, regulation, or ordinance promulgated by any governmental body having jurisdiction. The gross cost of any such improvements, additions, and betterments shall be divided between Owner and User on the basis of use of the Joint Trackage by each during the twelve (12) months immediately preceding the date that Owner notifies User of the intent to make the changes with the gross cost of any changes made during the first twelve (12) months after the effective date of this agreement to be divided on the basis of estimated use by Owner and User during that initial twelve (12) month period. Such additions and betterments shall become a part of the Joint Trackage and such retirements shall be excluded from the Joint Trackage.

(b) If the parties agree that changes in or additions and betterments to the Joint Trackage, including changes in signal facilities, are required to accommodate User's operations beyond that required by Owner to accommodate its own operations, Owner shall construct the additional or altered facilities and User shall pay to Owner the cost thereof.
including the annual expense of maintaining, repairing and renewing such additional or altered facilities.

ARTICLE 4. MAINTENANCE OF JOINT TRACKAGE.

(a) Owner shall maintain, repair and renew the Joint Trackage at its own expense and with its own supervision and labor. Owner shall keep and maintain the Joint Trackage in reasonably good condition for the use herein contemplated, but Owner does not guarantee the condition of the Joint Trackage or that operations thereover will not be interrupted. Furthermore, except as may be otherwise provided in Article 8 hereof, User shall not by reason of failure or neglect on the part of Owner to maintain, repair or renew the Joint Trackage, have or make any claim or demand against Owner or its officers, agents or employees for any injury or death of any person or persons whomsoever, or for any damage to or loss or destruction of any property whatsoever, or for any damages of any nature suffered by User resulting from any such failure or neglect.

(b) Owner shall also perform, at the expense of User, such additional maintenance as User may require.
ARTICLE 5. MANAGEMENT AND OPERATION.

(a) User shall comply with the provisions of the Federal Boiler Inspection Act and the Federal Safety Appliance Act, as amended, and any other federal and state and local laws, regulations and rules respecting the operation, condition, inspection and safety of its trains, locomotives, cars and equipment while such trains, locomotives, cars, and equipment are being operated over the Joint Trackage. User shall indemnify, protect, defend, and save harmless Owner and its officers, agents and employees from and against all fines, penalties and liabilities imposed upon Owner or its officers, agents, and employees under such laws, rules and regulations by any public authority or court having jurisdiction in the premises, when attributable solely to the failure of User to comply with its obligations in this regard.

(b) User in its use of the Joint Trackage will comply in all respects with the operating rules and regulations of Owner, and the movement of User’s trains, locomotives, cars, and equipment over the Joint Trackage shall at all times be subject to the orders of the transportation officers of Owner.

(c) User shall make such arrangements with Owner as may be required to have all of its employees who shall operate its trains, locomotives, cars, and equipment over the
Joint Trackage qualified for operation thereover, and User shall pay to Owner, promptly upon receipt of bills therefor, any cost incurred by Owner in connection with the qualification of such employees of User, as well as the cost of pilots furnished by Owner, until such time as such employees are deemed by the appropriate examining officer of Owner to be properly qualified for operation as herein contemplated.

(d) In the event Owner conducts an investigation or hearing concerning the violation of any operating rule or practice of Owner by an employee or employees of User, User shall be notified in advance of any such investigation or hearing and such investigation or hearing may be attended by any official designated by User and shall be conducted in accordance with the collective bargaining agreements, if any, that pertain to said employee or employees.

(e) Owner shall have the right to exclude from the Joint Trackage any employee of User, except officers, determined by Owner, as the result of such investigation or hearing described above, to be in violation of Owner's rules, regulations, orders, practices or instructions issued by Timetable or otherwise. User shall release, indemnify, defend and save harmless Owner and its officers, agents and employees from and against any and all claims and expenses resulting from such exclusion.
(f) The trains, locomotives, cars', and equipment of User, Owner, and any other present or future User of the Joint Trackage or any portion thereof, shall be operated without prejudice or partiality to either party and in such manner as will afford the most economical and efficient manner of movement of all traffic.

(g) If by reason of any mechanical failure or for any other cause not resulting from an accident or derailment, a train or locomotive of User becomes stalled and unable to proceed under its own power, or fails to maintain the speed required by Owner on the Joint Trackage, or if in emergencies crippled or otherwise defective cars are set out of User's trains on the Joint Trackage, Owner shall have the option to furnish motive power or such other assistance as may be necessary to haul, help or push such trains, locomotives or cars, or to properly move the disabled equipment off the Joint Trackage, and User shall reimburse Owner for the cost of rendering any such assistance.

(h) If it becomes necessary to make repairs to or adjust or transfer the lading of such crippled or defective cars in order to move them off the Joint Trackage, such work shall be done by Owner, and User shall reimburse Owner for the cost thereof.
(i) In the event Owner and User agree that Owner should provide additional employees for the sole benefit of User, the parties hereto shall enter into a separate agreement under which User shall bear all cost and expense for any such additional employees provided, including without limitation all cost and expense associated with labor protective payments which are made by Owner and which would not have been incurred had the additional employees not been provided.

ARTICLE 6. MILEAGE AND CAR HIRE.

All mileage and car hire charges accruing on cars in User's trains on the Joint Trackage shall be assumed by User and reported and paid by it directly to the owner of such cars.

ARTICLE 7. CLEARING OF WRECKS.

Whenever User's use of the Joint Trackage requires rerailing, wrecking service or wrecking train service, Owner shall perform such service, including the repair and restoration of roadbed, track and structures. The cost, liability, and expense of the foregoing, including without limitation loss of, damage to, or destruction of any property whatsoever and injury to and death of any person or persons
whomsoever resulting therefrom, shall be apportioned in accordance with the provisions of Article 8 hereof. All locomotives, cars, and equipment and salvage from the same so picked up and removed which are owned by or under the management and control of or used by User at the time of such wreck, shall be promptly delivered to it.

ARTICLE 8. LIABILITY.

The responsibility of the parties hereto as between themselves for loss of, damage to, or destruction of any property whatsoever or injury to or death of any person or persons whomsoever, resulting from, arising out of, incidental to, or occurring in connection with this Agreement, shall be apportioned as follows:

(a) Whenever any loss of, damage to, or destruction of any property whatsoever, or injury to or death of any person or persons whomsoever, occurs with the trains, locomotives, cars, or equipment of, or in the account of, only User being involved, User shall assume all liability therefor, and bear all cost and expense in connection therewith, including without limitation all cost and expense referred to in Article 7 hereof, and shall forever protect, defend, indemnify and save harmless Owner and its officers, agents, and employees from and against any such liability, cost, and expense, regardless of
whether caused in whole or in part by the fault, failure, negligence, misconduct, nonfeasance or misfeasance of Owner or its officers, agents or employees.

(b) Whenever any loss of, damage to, or destruction of any property whatsoever, or injury to or death of any person or persons whomsoever, occurs with the trains, locomotives, cars, or equipment of, or in the account of, only Owner being involved, Owner shall assume all liability therefor, and bear all cost and expense in connection therewith, including without limitation all cost and expense referred to in Article 7 hereof, and shall forever protect, defend, indemnify, and save harmless User and its officers, agents and employees from and against any such liability, cost, and expense, regardless of whether caused in whole or in part by the fault, failure, negligence, misconduct, nonfeasance or misfeasance of User or its officers, agents, or employees.

(c) Whenever any loss of, damage to, or destruction of any property whatsoever, or injury to or death of any person or persons whomsoever, occurs with the trains, locomotives, cars or equipment of, or in the account of, both Owner and User being involved, Owner and User shall separately assume and bear all liability, cost, and expense for loss of and damage to said trains, locomotives, cars (including without limitation lading), and equipment operated by each of them and
for injury to and death of their officers, agents and employees
and persons in each of their care and custody, and all
liability, cost, and expense for injury to and death of any
other person or persons whomsoever, and for loss of, damage to,
and destruction of all other property (including without
limitation the Joint Trackage) so occurring, shall be borne
equally by Owner and User, including without limitation all cost
and expense referred to in Article 7 hereof. Whenever any
liability, cost, or expense is assumed by or apportioned to a
party hereto under the foregoing provisions, that party shall
forever protect, defend, indemnify, and save harmless the other
party to this Agreement and its officers, agents, and employees
from and against that liability, cost, and expense assumed by
that party or apportioned to it, regardless of whether caused in
whole or in part by the fault, failure, negligence, misconduct,
nonfeasance or misfeasance of the indemnitee or its officers,
agents and employees.

(d) Except as provided in paragraph (e) below,
whenever any loss of, damage to, or destruction of any property
whatsoever, or injury to or death or any person or persons
whomsoever, occurs with the trains, locomotives, cars or
equipment of, or in the account of, both User and any other user
of the Joint Trackage being involved, regardless of whether
cau sed in whole or in part by the fault, failure, negligence,
misconduct, nonfeasance or misfeasance of Owner, User, or any
other user of the Joint Trackage or their officers, agents or employees, then such other user shall be jointly considered as Owner for the purpose of determining between the parties to this Agreement User's assumption and apportionment of liability, cost and expense under Paragraph (c) above.

(e) Whenever any such loss of, damage to, or destruction of any property whatsoever, or injury to or death of any person or persons whomsoever, occurs with the trains, locomotives, cars or equipment of, or in the account of, Owner, User and any other user being involved, regardless of whether caused in whole or in part by the fault, failure, negligence, misconduct, nonfeasance or misfeasance of Owner, User, or any other user of the Joint Trackage or their officers, agents or employees, then Owner and such other user shall be jointly considered as Owner and a single party to this Agreement for the purpose of determining the assumption and apportionment of liability, cost, and expense between the parties to this Agreement under paragraph (c) above.

(f) Notwithstanding the foregoing provisions, whenever any loss of, damage to, or destruction of any property whatsoever, or injury to or death of any person or persons whomsoever, occurs with the trains, locomotives, cars or equipment of, or in the account of, both parties to this Agreement being so involved, without the trains, locomotives,
cars or equipment of, or in the account of, any other user being
involved, and in the event such loss, damage, destruction,
injury, or death is attributable to the sole negligence of the
employee(s) on the train(s), locomotive(s), car(s), or
caboose(s), of only one of the parties to this Agreement where
such sole negligence is the active or proximate cause of such
loss, damage, destruction, injury, or death, the party hereto
whose employee(s) was (were) solely negligent shall assume and
bear all liability, cost, and expense in connection with the
loss, damage, destruction, injury and death so occurring,
including without limitation all cost and expense referred to in
Article 7 hereof, and said party shall forever protect, defend,
indemnify, and save harmless the other party to this Agreement
and its officers, agents, and employees from and against any
such liability, cost, and expense.

(g) In every case of death or injury suffered
by an employee of either User or Owner, when compensation to
such employee or employee's dependents is required to be paid
under any workmen's compensation, occupational disease,
employer's liability, or other law, and either of said parties,
under the provisions of this Agreement, is required to pay said
compensation, if such compensation is required to be paid in
installments over a period of time, such party shall not be
released from paying any such future installments by reason of
the expiration or other termination of this Agreement prior to
any of the respective dates upon which any such future installments are to be paid.

(h) For purposes of this Article 8, pilots furnished by Owner to User pursuant to Article 5(c) of this Agreement shall be considered as the employees of User while such pilots are on board or getting on or off trains of User.

(i) Notwithstanding the provisions of Article 14(f) of this Agreement, for the purpose of this Article 8 the word "equipment" shall mean and be confined to (i) cabooses, (ii) vehicles and machinery which are capable of being operated on railroad tracks that, at the time of an occurrence, are being operated on the Joint Trackage, and (iii) vehicles and machinery that, at the time of an occurrence, are on the Joint Trackage or its right-of-way for the purpose of the maintenance or repair thereof or the clearing of wrecks thereon.

ARTICLE 9. INVESTIGATION.

(a) Except as provided in Subarticle (b) hereof, all claims, injuries, deaths, property damages, and losses arising out of or connected with this Agreement shall be investigated, adjusted, and defended by the party bearing the liability, cost, and expense therefor under the provisions of this Agreement.
(b) Each party will investigate, adjust, and defend all freight loss and damage claims filed with it in accordance with Section 11707 of the Interstate Commerce Act.

(c) In the event a claim or suit is asserted against Owner or User which is the other's duty hereunder to investigate, adjust, or defend, then, unless otherwise agreed, such other party shall, upon request, take over the investigation, adjustment, and defense of such claim or suit.

(d) All costs and expenses in connection with the investigation, adjustment and defense of any claim or suit under this Agreement shall be included as costs and expenses in applying the liability provisions set forth in this Agreement, except that salaries or wages of full-time claim agents, full-time attorneys and other full-time employees of either party engaged directly or indirectly in such work shall be borne by such party.

(e) Excluding freight loss and damage claims in accordance with Section 11707 of the Interstate Commerce Act, neither party shall settle or compromise any claim, demand, suit, or cause of action for which the other party has any liability under this Agreement without the concurrence of such other party if the consideration for such settlement or compromise exceeds Ten Thousand Dollars ($10,000).
(f) It is understood that nothing in this Article shall modify or waive the conditions, obligations, assumptions, or apportionments provided in Article 8 hereof.

ARTICLE 10. PAYMENT OF BILLS.

(a) All payments called for under this Agreement shall be made by User within thirty (30) days after receipt of bills therefor. No payments shall be withheld because of any dispute as to the correctness of items in the bills rendered, and any discrepancies reconciled between parties hereto shall be adjusted in the accounts of a subsequent month. The records of each party hereto, insofar as they pertain to matters covered by this Agreement, shall be open at all reasonable times to inspection by the other party.

(b) Bills rendered pursuant to the provisions of this Agreement, other than those set forth in Section 3 hereof, shall include direct labor and material costs, together with the surcharges, overhead percentages and equipment rentals as specified by Owner at the time any work is performed by Owner for User.
ARTICLE 11. DEFAULT AND TERMINATION.

In the event of any substantial failure on the part of User to perform its obligations under this Agreement and its continuance in such default for a period of sixty (60) days after written notice thereof by certified mail from Owner, Owner shall have the right at its option after first giving thirty (30) days written notice thereof by certified mail, and notwithstanding any waiver by Owner of any prior breach thereof, to terminate the Trackage Rights and User's use of the Joint Trackage. The exercise of such right by Owner shall not impair its rights under this Agreement or any cause or causes of action it may have against User for the recovery of damages.

ARTICLE 12. REGULATORY APPROVAL.

Should this Agreement require the prior approval of the Interstate Commerce Commission, User at its own cost and expense will initiate and thereafter diligently prosecute an appropriate application or petition to secure such approval and this Agreement shall take effect after such approval has been secured on the date User commences operations over the Joint Trackage (herein referred to as the "Commencement Date"). The Commencement Date shall be evidenced by an exchange of correspondence between the appropriate operating officers of the parties hereto. In the event Interstate Commerce Commission
approval is not required, the Commencement Date shall be the date agreed upon by the parties hereto as evidenced by an exchange of correspondence referred to above. Owner will assist and support efforts of User to secure Interstate Commerce Commission approval of this Agreement.

ARTICLE 13. ABANDONMENT OF JOINT TRACKAGE.

Notwithstanding the provisions of Section 7 of this Agreement, Owner may abandon the Joint Trackage during the term of this Agreement or any renewals, thereof, upon giving User not less than one hundred twenty (120) days notice of Owner's intent to abandon. In the event regulatory authority is required to effect such abandonment, User will not interfere with Owner's actions to seek and to exercise such authority. In the event regulatory authority is required for User to discontinue its own operations over the Joint Trackage, User will seek and exercise such regulatory authority at the same time that Owner seeks regulatory authority to abandon the Joint Trackage. Owner and User will exercise the abandonment and discontinuance authority within thirty (30) days from the date Owner and User obtain the aforementioned regulatory authority. Upon the date established by Owner for abandonment of the Joint Trackage by its aforesaid notice to User or upon the above-specified date of exercise of the regulatory authority to abandon and discontinue operations, whichever is later, this
Agreement shall terminate and be of no further force and effect, except that termination of this Agreement shall not relieve or release either party hereto from any obligations assumed or from any liability which may have arisen or been incurred prior to said termination. The foregoing provisions shall govern the parties hereto notwithstanding the provisions of 49 U.S.C. Sections 10905-10906 or any other provisions of law, and User hereby expressly waives any rights it may possess to subsidize operations on the Joint Trackage or to acquire the Joint Trackage pursuant to said provisions of law. As used herein, Joint Trackage means the entire Joint Trackage or any portion or portions thereof.

ARTICLE 14. GENERAL PROVISIONS.

(a) This Agreement and each and every provision hereof is for the exclusive benefit of the parties hereto and not for the benefit of any third party. ARTICLE 15. SUCCESSORS AND ASSIGNS.

This Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto, including, without limitation, the successors and assigns of Owner's interest in the Joint Trackage or any portion thereof. FORM A  
TRACKAGE RIGHTS ADDENDUM

This Form A - Trackage Rights Addendum entered into this ___ day of ____________, 19___ by and among NEW YORK CENTRAL LLC, a Delaware limited liability company (hereinafter referred to as "NYC"); CSX TRANSPORTATION, INC., a Virginia corporation (hereinafter referred to as "CSXT"), PENNSYLVANIA LINES LLC, a Delaware limited liability company (hereinafter referred to as "PRR"), and NORFOLK SOUTHERN RAILWAY COMPANY, a Virginia Corporation, including its subsidiaries and affiliates (hereinafter referred to as "NSR"), hereby incorporate by reference an addendum to the Master Trackage Rights Agreement among NYC, CSXT and NSR dated ____________, 19___ governing trackage rights between the parties.

SECTION 1. DESCRIPTION:

NYC, as owner, and CSXT, as operator, hereby grant to NSR, subject to the terms and conditions of the referenced Master Trackage Rights Agreement, and as further governed hereinbelow, the right to operate its trains, locomotives, cars and equipment with its own crews (hereinafter referred to as "Trackage Rights") over the following segment of railroad owned by NYC and operated by CSXT (hereinafter referred to as "Subject Trackage"):  

(i) The Crawfordsville Branch owned by NYC and operated by CSXT between the connection with the Indianapolis belt Secondary in Indianapolis, Indiana at CP Woods at or near Milepost 1.6 and
connection with the Indianapolis Line at Milepost 0.0 (approximately 1.6 miles); (ii) the Indianapolis Line operated by CSXT between the connection with the Crawfordsville Branch at Milepost 283.9 and connection with CSXT’s line near Washington Street at or near Milepost 282.8 (approximately 1.1 miles); (iii) CSXT’s line between the connections at Washington Street and the Indianapolis Belt Secondary at Pine (note: this segment is covered by a separate trackage rights agreement); and (iv) the Indianapolis Belt Secondary operated by CSXT between the connection with CSXT’s line at Pine at or near Milepost 9.4 and the entrance to Hawthorne Yard at or near Milepost 8.8 (approximately 0.6 miles), for a total distance of approximately 3.3 miles excluding CSXT’s line between Washington Street and Pine, as marked on Drawing No. IN09B attached hereto and made a part hereof.

SECTION 2. RESTRICTION ON USE:

(a) The Trackage Rights herein granted are granted for the sole purpose of NSR using same for bridge traffic only between the endpoints of Subject Trackage and NSR shall not perform any local freight service whatsoever at any point located on Subject Trackage.

(b) CSXT, at its discretion, shall have the right to route NSR’s trains between CP Woods and Hawthorne Yard over the Indianapolis Belt Secondary route as covered by separate agreement between the parties.
SECTION 3. COMPENSATION:

(a) The factor to be used in calculating payments to be made by NSR for the Trackage Rights governed by this Addendum shall be 29 cents ($0.29) per car mile (hereinafter referred to as the “Current Charge”).

(b) NSR will pay CSXT a sum computed by multiplying (i) the Current Charge, as may be revised in Section 4 of this Addendum by (ii) the number of cars (loaded and empty), locomotive and caboose units moved by NSR with its own crews and power over the Subject Trackage by (iii) the miles of Subject Trackage used. Each locomotive unit and caboose, for the purpose of this Addendum, shall be counted as one (1) car. With respect to articulated units, the number of cars shall be determined by the AAR Car Type code as defined in the UMLER Specification Manual. The second numeric in the Car Type Code field covering codes “Q” and “S” will be the factor in determining the car count for an articulated unit. For example, AAR Car Type code “S566” would equate to a five (5) car count as these type cars have five (5) wells capable of handling forty-foot (40’) to fifty-foot (50’) containers in each well. A single unit of RoadRailer® equipment (or comparable bimodal freight hauling equipment in either NSR’s or CSXT’s account) shall count as one-half (1/2) of a Railcar.

(c) CSXT shall on or about the fifteenth (15th) day of each month render billing to NSR for NSR’s previous month’s use of the Subject Trackage computed in accordance with the terms and conditions of this
 SECTION 4. **REVISION OF CURRENT CHARGE:**

(a) The Current Charge shall be subject to change to reflect any increases or decreases in labor, material and other costs as hereinafter provided.

(b) The Current Charge shall be revised upward or downward each year, beginning with the bill rendered for the month of July first following the "Effective Date" of this Addendum, to compensate for the increase or decrease in the cost of labor and material, excluding fuel, as reflected in the annual Indexes of Charge-Out Prices and Wage Rates (1977=100), included in "AAR Railroad Cost Indexes" and supplements thereto, issued by the Association of American Railroads ("AAR"). In making such determination, the Final "Material prices, wage rates and supplements combined (excluding fuel)" indexes for the East District shall be used. The Current Charge shall be revised by calculating the percent of increase or decrease in the index for the latest calendar year as related to the index for the previous calendar year and applying that percentage to the Current Charge.

(c) In the event the base for the Annual Indexes of Charge-Out Prices and Wage Rates issued by the AAR shall be changed from the year 1977 appropriate revision shall be made. If the AAR or any successor organization discontinues publication of the Annual Indexes of Charge-
Out Prices and Wage Rates, an appropriate substitute for determining the percentage of increase or decrease shall be negotiated by the parties hereto. In the absence of agreement, the parties shall submit the matter to binding arbitration under terms of Article 16 of the Master Trackage Rights Agreement.

(d) At the option of either party hereto, the compensation provided for in this Addendum shall be open for renegotiation every five (5) years from the Effective Date, as hereinafter defined. In the event the parties fail to reach agreement upon such renegotiation, such failure shall not constitute a breach of this Addendum, and the parties shall continue to be bound by the terms of compensation provided in this Addendum until the matter is settled or submitted to binding arbitration.

SECTION 5. TERM AND TERMINATION:

(a) This Addendum shall become effective the latter of the date first above written, or when regulatory approval is received, the date of such approval following the expiration of any time periods required by the issuance of labor notices by CSXT ("Effective Date") and shall remain in effect until the 25th anniversary of such date, and shall continue in effect thereafter unless and until terminated by NSR upon six (6) months written notice, or until termination of the Master Trackage Rights Agreement.
(b) The rights, benefits, duties and obligations running from or to NSR under this Agreement shall in all events expire (except liabilities incurred prior to termination) upon the earlier of (i) termination of this Agreement or (ii) termination of the NSR Operating Agreement (including any renewals thereof) and the rights, benefits, duties and obligations running from or to CSXT under this Agreement shall in all events expire (except liabilities incurred prior to termination) upon the earlier of (i) termination of this Agreement or (ii) termination of the CSXT Operating Agreement (including any renewals thereof); provided, however, that upon termination of the NSR Operating Agreement, the rights, benefits, duties and obligations running from or to NSR under this Agreement shall run from or to PRR and upon termination of the CSXT Operating Agreement, the rights, benefits, duties and obligations running from or to CSXT under this Agreement shall run from or to NYC.

(c) Termination of this Addendum shall not relieve or release either party hereto from any obligations assumed or from any liability which may have arisen or been incurred by either party under the terms of this Addendum prior to termination hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum to the Master Agreement between the parties dated ______________, 19 ___ to be duly executed as of the date first above written.
