Environmental Condition No. 11 of Appendix Q of Decision No. 89\(^1\) (Decision No. 89, slip op. at 401-02) requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: “Applicants shall certify compliance with this condition within 2 years of the effective date of the Board’s final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities’ environmental concerns.”

On November 19, 1999, CSX provided us with a copy of a Negotiated Agreement between CSX and the Town of Etna Green, IN (Etna Green), dated October 27, 1999, and accepted by Etna Green on November 9, 1999. According to CSX, this Negotiated Agreement effectuates the Board’s preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties’ Negotiated Agreement by deleting Etna Green from the list of communities on the Warsaw to Tolleston, IN line segment (C-026), and that the Negotiated Agreement between CSX and Etna Green be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. Etna Green concurs with the request.

---

\(^1\) In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail), and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.
In view of the Negotiated Agreement between CSX and Etna Green, we will: (1) add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89, and (2) amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete Etna Green because the noise mitigation for that community has been superseded by the CSX/Etna Green Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and the Town of Etna Green, IN, executed on November 9, 1999, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

   17. Town of Etna Green, Indiana, dated November 9, 1999.

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to Etna Green, IN, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Clyburn, and Commissioner Burkes.

Vernon A. Williams
Secretary

Records: 360
Environmental Condition No. 11 of Appendix Q of Decision No. 89\(^1\) (Decision No. 89, slip op. at 401-02), requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: "Applicants shall certify compliance with this condition within 2 years of the effective date of the Board's final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities' environmental concerns."\(^2\)

On August 24, 2000, CSX provided us with a copy of a Negotiated Agreement between CSX and Lorain County, OH, dated July 19, 2000, and accepted by Lorain County on July 25, 2000. CSX advises that the Berea, OH, to Greenwich, OH line segment traverses Lorain County and that several of the noise receptors identified in the Final Environmental Impact Statement for

---

\(^1\) In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail's assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and by Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.

\(^2\) Environmental Condition No. 11 required compliance with this provision within 2 years of the effective date of Decision No. 89, or by August 22, 2000. At the request of CSX, by decision served on August 22, 2000, the compliance deadline in Environmental Condition No. 11 was extended 1 year until August 22, 2001, to allow CSX to complete implementation of the condition through additional negotiated solutions with communities and an individualized noise mitigation program.
mitigation are located in unincorporated areas of the county, including Eaton Estates.\(^3\)

According to CSX, the Negotiated Agreement with Lorain County\(^4\) covers the receptors in these unincorporated areas of the county. CSX states that this Negotiated Agreement effectuates the Board's preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties' Negotiated Agreement by deleting Eaton Estates from the list of communities on the Berea, OH, to Greenwich, OH line segment (C-061), and that the Negotiated Agreement between CSX and Lorain County be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. Lorain County concurs with the request.

In view of the Negotiated Agreement between CSX and Lorain County, OH, we will:

1. add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89; and
2. amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete Eaton Estates because the noise mitigation for that community has been superseded by the CSX/Lorain County Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and Lorain County, OH, dated July 19, 2000, and accepted by Lorain County on July 25, 2000, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

\(\text{3\ CSX states that it has settled, or is in the process of settling, with several incorporated communities in Lorain County (including Grafton, Lagrange, Wellington, and Rochester).}\)

\(\text{4\ Because Environmental Condition No. 11 identifies Eaton Estates as a community that is to receive noise mitigation, but does not specifically reference Lorain County, a Board representative contacted county officials and CSX to confirm that Lorain County is the appropriate party to sign the Negotiated Agreement. On November 9, 2000, CSX submitted information from the State of Ohio that Eaton Estates, located in Eaton Township, Lorain County, is not a municipal corporation under Ohio law, and that, therefore, Lorain County is the appropriate party to sign this Negotiated Agreement with CSX.}\)
41. Lorain County, Ohio, Negotiated Agreement dated July 19, 2000, and accepted by Lorain County on July 25, 2000.

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to Eaton Estates, Lorain County, OH, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams
Secretary

Records: 348
In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and by Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as applicants.

With respect to Environmental Condition No. 8(A) of Appendix Q of Decision No. 89, on February 10, 1999, NS advised the Board that it had entered into a “Railroad Corridor Safety Agreement” (Agreement) with the Ohio Rail Development Commission (ORDC) and the Public Utilities Commission of Ohio (PUCO) regarding at-grade crossing safety improvements in Ohio. In Decision No. 131, served July 13, 1999, the Board acknowledged the adoption of the Agreement by adding that Agreement to the NS Subsection of Environmental Condition No. 51, and deleted the nine NS crossings in Ohio from Environmental Condition No. 8(A).

On October 17, 2000, however, NS submitted an Amendment (2000 Amendment) to the February 10, 1999 Agreement that NS entered into with ORDC and PUCO, as it pertains to three at-grade crossings in Ohio: York Street, Bellevue, OH; Kilbourne Street, Bellevue, OH; and Hopley Avenue, Bucyrus, OH. NS advises that Section I-A, Schedule E, Section I-B, and Section II-A of the Agreement are modified by the 2000 Amendment. NS requests that the Board include the 2000 Amendment to the February 10, 1999 Agreement in Environmental Condition No. 51 of Appendix Q in Decision No. 89. ORDC and PUCO concur with the request.

In view of the 2000 Amendment agreed to by NS, ORDC, and PUCO modifying the Agreement, we will add a reference to the 2000 Amendment in Environmental Condition No. 51 of Appendix Q to Decision No. 89.
This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the 2000 Amendment agreed to by NS, ORDC, and PUCO modifying the February 10, 1999 Agreement, the following is added to the NS Subsection of Environmental Condition No. 51 of Appendix Q to Decision No. 89:

   20. The Ohio Rail Development Commission and the Public Utilities Commission of Ohio, October 17, 2000 Amendment to the February 10, 1999 "Railroad Corridor Safety Agreement."

3. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burke, and Commissioner Clyburn.

Environmental Condition No. 11 of Appendix Q of Decision No. 89\(^1\) requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: “Applicants shall certify compliance with this condition within 2 years of the effective date of the Board’s final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities’ environmental concerns.”\(^2\)

On October 5, 2000, CSX provided us with a copy of a Negotiated Agreement between CSX and the Village of Rochester, OH, dated July 26, 2000, and accepted by the Village of Rochester on August 29, 2000. According to CSX, this Negotiated Agreement effectuates the Board’s preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties’ Negotiated

---

\(^1\) In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.

\(^2\) Environmental Condition No. 11 required compliance with this provision within 2 years of the effective date of Decision No. 89, or by August 22, 2000. At the request of CSX, by decision served on August 22, 2000, the compliance deadline in Environmental Condition No. 11 was extended 1 year until August 22, 2001, to allow CSX to complete implementation of the condition through additional negotiated solutions with communities and an individualized noise mitigation program.
Agreement by deleting the Village of Rochester from the list of communities on the Berea, OH, to Greenwich, OH line segment (C-061), and that the Negotiated Agreement between CSX and the Village of Rochester be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. The Village of Rochester concurs with the request.

In view of the Negotiated Agreement between CSX and the Village of Rochester, OH, we will: (1) add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89, and (2) amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete the Village of Rochester because the noise mitigation for that community has been superseded by the CSX/Village of Rochester Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and the Village of Rochester, OH, dated July 26, 2000, and accepted by the Village of Rochester on August 29, 2000, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to the Village of Rochester, OH, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams
Secretary

Records: 348
Decision No. 132, served in these proceedings on September 22, 1999, provided that the Board would withhold action, until at least November 1, 1999, on certain issues that had been raised concerning enforcement of the “east-of-the-Hudson” condition adopted earlier in the proceedings. Decision No. 132 was issued to permit sufficient time for CSX Corporation and its railroad affiliates (collectively CSX) and Canadian Pacific Railway Company and its railroad affiliates (collectively, CP) -- the carriers involved with implementing the east-of-the-Hudson condition -- to negotiate a resolution of the disputes at issue.

A letter filed on November 2, 1999, by CSX, with the concurrence of CP, advises that the parties are close to reaching a resolution, but that certain matters remain unresolved. Therefore, the November 2 letter asks the Board to extend, through and including November 15, 1999, the period of time within which action on this matter will be held in abeyance.

Because the Board generally supports private resolution of disputes, and because cooperation among carriers is particularly critical in situations such as this one, where track and terminal facilities must be shared, the request to withhold action in this matter will be granted.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.
It is ordered:

1. Action on the CP petition raising these issues (designated CP-32) will be withheld until at least November 15, 1999.

2. This decision will be effective on the date of service.

By the Board, Vernon A Williams, Secretary.

Vernon A. Williams
Secretary

Records: 362

11/04/1999
In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as applicants.

On April 9, 1998, NS provided us with a copy of a Memorandum of Understanding (MOU) between NS and the City of Erie, PA, which described the agreements reached between the City of Erie and NS with regard to the Conrail transaction and the Erie Relocation Project. Accordingly, we included a requirement that NS comply with the terms of that Negotiated Agreement in Environmental Condition No. 51 of Appendix Q to Decision No. 89.

On October 4, 2000, however, NS submitted a letter agreement dated June 9, 2000 (2000 Amendment), between NS and the City of Erie, modifying some of the terms of the parties’ original agreement. Therefore, NS requests that the Board include the 2000 Amendment to the April 9, 1998 MOU in Environmental Condition No. 51 of Appendix Q to Decision No. 89. The City of Erie concurs with the request.

In addition, Environmental Condition No. 42(A) of Appendix Q of Decision No. 89 requires applicants to comply with the terms and conditions of their agreement, as described in their Primary Application filed June 23, 1997, to relocate NS traffic onto new tracks in the CSX right-of-way through Erie.

NS advises that the 2000 Amendment replaces Paragraph 1, replaces the milestones contained in Paragraph 3, deletes Paragraph 4, and replaces Paragraph 5 and Paragraph 9 of the MOU.
In view of the 2000 Amendment agreed to by NS and the City of Erie modifying the MOU, we add a reference to the 2000 Amendment in Condition No. 51 of Appendix Q of Decision No. 89.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between NS and the City of Erie, PA, dated June 9, 2000, amending the MOU, the following is added to the NS Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

3. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

10/27/2000
Environmental Condition No. 11 of Appendix Q of Decision No. 89\(^1\) (Decision No. 89, slip op. at 401-02), requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: “Applicants shall certify compliance with this condition within 2 years of the effective date of the Board’s final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities’ environmental concerns.”

On August 21, 2000, CSX provided us with a copy of a Negotiated Agreement between CSX and the City of Perrysburg, OH, dated June 20, 2000, and accepted by the City of Perrysburg on July 27, 2000. According to CSX, this Negotiated Agreement effectuates the Board’s preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties’ Negotiated Agreement by deleting the City of Perrysburg from the list of communities on the Deshler, OH, to Toledo, OH line segment (C-065), and that the Negotiated Agreement between CSX and the City of Perrysburg be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. The City of Perrysburg concurs with the request.

1 In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.
In view of the Negotiated Agreement between CSX and the City of Perrysburg, OH, we will: (1) add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89, and (2) amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete the City of Perrysburg because the noise mitigation for that community has been superseded by the CSX/City of Perrysburg Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and the City of Perrysburg, OH, dated June 20, 2000, and accepted by the City of Perrysburg on July 27, 2000, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to the City of Perrysburg, OH, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams
Secretary

Records: 353
Environmental Condition No. 11 of Appendix Q of Decision No. 89 (Decision No. 89, slip op. at 401-02), requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: "Applicants shall certify compliance with this condition within 2 years of the effective date of the Board's final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities' environmental concerns."

On August 4, 2000, CSX provided us with a copy of a Negotiated Agreement between CSX and the Borough of Glassport, PA, dated July 3, 2000, and accepted by the Borough of Glassport on July 27, 2000. According to CSX, this Negotiated Agreement effectuates the Board's preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties' Negotiated Agreement by deleting the Borough of Glassport from the list of communities on the Sins, PA, to Brownsville, PA line segment (C-085), and that the Negotiated Agreement between CSX and the Borough of Glassport be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. The Borough of Glassport concurs with the request.

1 In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail's assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.
In view of the Negotiated Agreement between CSX and the Borough of Glassport, we will: (1) add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89, and (2) amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete the Borough of Glassport because the noise mitigation for that community has been superseded by the CSX/Borough of Glassport Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and the Borough of Glassport, PA, dated July 3, 2000, and accepted by the Borough of Glassport on July 27, 2000, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to the Borough of Glassport, PA, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams
Secretary

Records: 354
Environmental Condition No. 11 of Appendix Q of Decision No. 89\(^1\) (Decision No. 89, slip op. at 401-02), requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: “Applicants shall certify compliance with this condition within 2 years of the effective date of the Board’s final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities’ environmental concerns.”

On August 4, 2000, CSX provided us with a copy of a Negotiated Agreement between CSX and the Borough of Newell, PA, dated June 23, 2000, and accepted by the Borough of Newell on July 10, 2000. According to CSX, this Negotiated Agreement effectuates the Board’s preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties’ Negotiated Agreement by deleting the Borough of Newell from the list of communities on the Sinns, PA, to Brownsville, PA line segment (C-08\(^5\)), and that the Negotiated Agreement between CSX and the Borough of Newell be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. The Borough of Newell concurs with the request.

\(^1\) In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.
In view of the Negotiated Agreement between CSX and the Borough of Newell, we will: (1) add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89, and (2) amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete the Borough of Newell because the noise mitigation for that community has been superseded by the CSX/Borough of Newell Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and the Borough of Newell, PA, dated June 23, 2000, and accepted by the Borough of Newell on July 10, 2000, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to the Borough of Newell, PA, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams
Secretary

Records: 354
Environmental Condition No. 11 of Appendix Q of Decision No. 89\(^1\) (Decision No. 89, slip op. at 401-02), requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: "Applicants shall certify compliance with this condition within 2 years of the effective date of the Board's final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities' environmental concerns."

On July 11, 2000, CSX provided us with a copy of a Negotiated Agreement between CSX and the Borough of Lincoln, PA, dated June 7, 2000, and accepted by the Borough of Lincoln on June 12, 2000. According to CSX, this Negotiated Agreement effectuates the Board's preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties' Negotiated Agreement by deleting the Borough of Lincoln from the list of communities on the Sinns, PA, to Brownsville, PA line segment (C-085), and that the Negotiated Agreement between CSX and the Borough of Lincoln be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. The Borough of Lincoln concurs with the request.

\(^{1}\) In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc. and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail's assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.
In view of the Negotiated Agreement between CSX and the Borough of Lincoln, we will: (1) add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89, and (2) amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete the Borough of Lincoln because the noise mitigation for that community has been superseded by the CSX/Borough of Lincoln Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and the Borough of Lincoln, PA, dated June 7, 2000, and accepted by the Borough of Lincoln on June 12, 2000, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to the Borough of Lincoln, PA, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams
Secretary

09/05/2000
Environmental Condition No. 8(A) of Appendix Q of Decision No. 891 (Decision No. 89, slip op. at 393-94), requires Applicants, in order to address potential safety impacts at highway/rail at-grade crossings, to upgrade existing warning devices at 86 public highway/rail at-grade crossings as listed in the decision. As pertinent here, NS is required to install “Flashing Lights” at the at-grade crossing of Encks Mill Road in Cumberland County, Mechanicsburg, PA. See Decision No. 89, slip op. at 398. Alternatively, as provided in Environmental Condition No. 8(A), NS may satisfy this requirement by entering into a negotiated agreement with the affected local jurisdiction and the state department of transportation to provide for alternative safety improvements in the vicinity of the identified highway/rail at-grade crossing that achieve at least an equivalent level of safety enhancement. Environmental Condition No. 8(A) requires compliance with this provision within 2 years of the effective date of Decision No. 89, or by August 22, 2000.

By letter received on August 15, 2000, NS has requested a 6-month extension of the deadline provided for in Environmental Condition No. 8(A), until February 22, 2001. NS states that it has completed the work to install lights at the Encks Mill Road at-grade crossing but that the Pennsylvania Fish & Game Commission (PA Fish & Game) has just completed negotiations to permit the local electric company (GPU) to install a utility pole on their property that will help provide the AC power required for operation of the warning devices at this crossing. NS further

---

1 In Decision No. 89, served July 23, 1998, the Board approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc. and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.

2 In Environmental Condition No. 8(A) of Appendix Q of Decision No. 89, this crossing was designated as “Mill.” The full name for this crossing is “Encks Mill Road.”
advises that, until PA Fish & Game and GPU complete their access agreement, the flashing lights at the crossing cannot be placed in service. NS states that the Pennsylvania Public Utilities Commission has informed NS of the progress of the agreement between PA Fish & Game and GPU but that no definite date has been established as to when the pole will be set and electrical power provided.

NS advises that, because the property access issue must be resolved by PA Fish & Game and GPU rather than NS, it is unable, at this time, to certify completion of the Environmental Condition No. 8(A) requirement with regard to the Encks Mill Road at-grade crossing. NS therefore is seeking an extension of time of 6 months in which to certify completion of the Environmental Condition No. 8(A) requirement for this crossing.

The request for a 6-month extension to February 22, 2001, is reasonable and will be granted.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The compliance deadline for NS in Environmental Condition No. 8(A) of Appendix Q of Decision No. 89 with respect to the Encks Mill Road at-grade crossing in Cumberland County, Mechanicsburg, PA, is extended 6 months until February 22, 2001.

2. This decision is effective on the date of service.

By the Board, Vernon A. Williams, Secretary.

Vernon A. Williams
Secretary

Records: 357
Environmental Condition No. 11 of Appendix Q of Decision No. 89\(^1\) (Decision No. 89, slip op. at 401-02), requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: "Applicants shall certify compliance with this condition within 2 years of the effective date of the Board’s final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities' environmental concerns." Environmental Condition No. 11 requires compliance with this provision within 2 years of the effective date of Decision No. 89, or by August 22, 2000.

By letter received on August 11, 2000, NS has requested a 1-year extension of the deadline provided for in Environmental Condition No. 11, until August 22, 2001. NS states that it has conferred with the responsible local governments of all communities located within the designated locations on NS rail line segments. NS further states that, to date, it has submitted to the Board Negotiated Agreements with two local governments and the Board has approved those agreements by issuing decisions incorporating those agreements under Environmental Condition No. 51. In addition, NS advises that negotiations with the local governments of several additional communities within the rail corridor locations designated by the Board are pending, and the local governments are currently considering the Negotiated Agreements proposed by NS. NS states that it does not expect that those negotiations will be completed by August 22, 2000, but that Negotiated Agreements with some of those governments will be reached later. In this

\(^1\) In Decision No. 89, served July 23, 1998, the Board approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc. and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.
regard, NS states that it has been informed by certain other local governments that they would prefer that NS address noise mitigation in the community by contacting individual property owners. NS advises that, in light of the Board’s general preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153, and the specific requirement of Environmental Condition No. 11 for concurrence by responsible local governments, NS has focused its efforts on negotiations with communities. NS states that an extension to August 22, 2001, would allow it to complete implementation of the condition through additional settlements with communities and an individualized noise mitigation program.

The request for a 1-year extension to August 22, 2001, is reasonable and will be granted.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The compliance deadline for NS in Environmental Condition No. 11 of Appendix Q of Decision No. 89 is extended 1 year until August 22, 2001.

2. This decision is effective on the date of service.

By the Board, Vernon A. Williams, Secretary.
