Liliana Pereira  
Jonathan Lamb  
Alex Beckmann (Teamsters Rail Conference, attending to prepare to serve as alternate for Aaron at next PRAC meeting)

#### **From FRA**

Wynne Davis  
Barbara Moreno  
Zeb Schorr

#### **Meeting Summary**

The second meeting of the Subcommittee on Expansion was held via Teams Video call. One of the topics discussed during the first Subcommittee meeting was the recommendation to look at what has already been done and the FRA Corridor ID program to identify areas for potential passenger rail growth. Following that recommendation, several staff members from FRA's Corridor ID program kindly made themselves available, briefed the Subcommittee on the program, and answered questions.
