SURFACE TRANSPORTATION BOARD ANNOUNCES ADDITIONAL DAY AND SPEAKERS LIST FOR HEARING ON REVENUE ADEQUACY

The Surface Transportation Board today announced that the public hearing in *Railroad Revenue Adequacy*, Docket No. EP 722, and *Hearing on Revenue Adequacy*, Docket No. EP 761, will now be a two-day long hearing to take place on December 12-13, 2019, due to the number of notices of intent to participate filed with the Board.

The STB also announced the speakers, their affiliations, and their allotted speaking times for the hearing; instructions to speakers intending to make computer presentations; and public-attendance instructions. The hearing will commence at 9:30 a.m. on both December 12 and 13, 2019, in the James E. Webb Memorial Auditorium of the National Aeronautics and Space Administration (NASA), located at 300 E Street, S.W., Washington, DC, across the street from the Board's headquarters.

Today's decision may be viewed and downloaded at the Board's website [here](#).
