## STB ISSUES DRAFT EA FOR CONSTRUCTION AND OPERATION OF A RAIL LINE IN EFFINGHAM COUNTY, GA

The Surface Transportation Board's Office of Environmental Analysis (OEA) today issued a Draft Environmental Assessment (Draft EA) for Savannah Industrial Logistics and Savannah Industrial Transportation's construction and operation of an 11,404-foot rail line in Effingham County, Georgia.

The Draft EA analyzes the environmental impacts that could have resulted from construction of the rail line, where possible, and the potential impacts from the continued operation of the rail line. OEA will be accepting comments on all aspects of the Draft EA until the close of the comment period on May 12, 2025.

The Draft EA, in Savannah Industrial Transportation, LLC—Operation Exemption—In Effingham County, Georgia Docket No. FD 36723 and Savannah Industrial Logistics, LLC—Construction Exemption—In Effingham County, Georgia Docket No. FD 36723 (Sub-No. 1), may be viewed and downloaded from the following links: [Draft EA](#), [Appendices](#).

For more information on the environmental review process for the project or to submit a written comment, visit the Board's website at [www.stb.gov](http://www.stb.gov).
