Sec. 20(6). The Commission or any duly authorized special agent, accountant, or examiner thereof shall at all times have authority to inspect and copy any and all accounts, books, records, memoranda, correspondence, and other documents, of persons which furnish cars or protective service against heat or cold to or on behalf of any carrier by railroad or express company subject to this part: *Provided, however,* That such authority shall be limited to accounts, books, records, memoranda, correspondence, or other documents which pertain or relate to the cars or protective service so furnished. The Commission shall further have authority, in its discretion, to prescribe the forms of any or all accounts, records, and memoranda which it is authorized by this paragraph to inspect and copy, and to require the persons furnishing such cars or protective service, as aforesaid, to submit such reports and specific and full, true, and correct answers to such questions, relative to such cars or service, as the Commission may deem necessary. Persons furnishing such cars or protective service shall submit their accounts, books, records, memoranda, correspondence, or other documents, to the extent above provided, for inspection or copying to any duly authorized special agent, accountant, or examiner of the Commission upon demand and the display of proper credentials.

Sec. 20(7) (a). In case of failure or refusal on the part of any carrier, lessor, or other person to keep any accounts, records, and memoranda in the form and manner prescribed, under authority of this section, by the Commission, or to submit any accounts, books, records, memoranda, correspondence, or other documents to the Commission or any of its authorized agents, accountants, or examiners for inspection or copying, as required under this section, such carrier, lessor, or person shall forfeit to the United States not to exceed \$500 for each such offense and for each day during which such failure or refusal continues.

Sec. 20(7) (b). 2. The instructions in this Form should be carefully observed, and each question should be answered fully and accurately. Where dates are called for, the month and day should be stated as well as the year. Customary abbreviations may be used in stating dates.

3. If it be necessary or desirable to insert additional statements, type written or other, in a report, they should be legibly made on durable paper and, wherever practicable, on sheets not larger than a page of the Form. Inserted sheets should be securely attached, preferably at the inner margin; attachment by pins or clips is insufficient.

Pension costs are charged to operating expenses on an accrual method, which includes normal costs and amortization of prior service cost over a 35-year period ending January 1, 2001, plus interest on the recorded unfunded pension liability. Pension charges are funded over a 30-year period ending January 1, 2006.

The pension plan was amended, effective January 1, 1976, and now includes substantially all "non-scheduled" (non-union) employees and conforms the plan to the requirements of the Employee Retirement Income Security Act of 1974.

The pension plan and fund includes the Missouri Pacific Railroad and the following affiliated companies - ART, DK&S, MO. IMPV., MP TRK. LINES, MP AIR-FREIGHT, WMW&NW and CHTT. The actuary determines costs and contributions of each of the participating companies. There is no separation of the fund by companies. The actuarially computed value of vested benefits and benefits pertaining to retired employees exceeds the market value of the pension fund for the Missouri Pacific Railroad and its affiliates by approximately \$17,752,000 at December 31, 1979.

**Schedule 205.-COMPENSATING BALANCES AND SHORT-TERM BORROWING ARRANGEMENTS**

Using the following notes as a guideline, show the requirements of compensating balances and short-term borrowing arrangements if operating revenues are \$10 million or more. Footnote disclosure is required even though the arrangement is not reduced to writing.

1. Disclose compensating balances not legally restricted, lines of credit used and unused, average interest rate of short-term borrowings outstanding at balance sheet date, maximum amount of outstanding borrowings during the period and the weighted average rate of those borrowings.

2. Time deposits and certificates of deposit constituting compensating balances not legally restricted should be disclosed.

3. Compensating balance arrangements need only be disclosed for the latest fiscal year.

4. Compensating balances under an agreement which legally restricts the use of such funds, and which constitute support for short-term borrowing arrangements, should be included in Schedule 206, account 703, Special deposits.

5. Compensating balances under an agreement which legally restricts the use of such funds and which constitute support for long-term borrowing arrangements and are reported in account 717, Insurance and other funds, should also be separately disclosed below.

6. Compensating balance arrangements are sufficiently material to require disclosure in footnotes when the aggregate of written and oral agreement balances amount to 15 percent or more of liquid assets (current cash balances, restricted and unrestricted plus marketable securities).

7. When a carrier is not in compliance with a compensating balance requirement, that fact should be disclosed along with stated and possible sanctions whenever such possible sanctions may be immediate (not vague or unpredictable) and material.

## Schedule 206.—SPECIAL DEPOSITS

For other than compensating balances, state separately each item of \$10,000 or more reflected in account 703. Special deposits, at the close of the year. Items of less than \$10,000 may be combined in a single entry and described as "Minor items less than \$10,000." ## Schedule 219.—RENTAL EXPENSE OF LESSEE

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) if gross rental expense in the most recent fiscal year exceeds one percent of operating revenue.

Otherwise, show total rental expense (reduced by rentals from subleases) entering into the determination of results of operations for each period for which an income statements is presented. Rental payments under short-term leases for a month or less which are not expected to be renewed need not be included. Contingent rentals, such as those based on usage or sales, shall be reported separately from the basic or minimum rentals.

## Schedule 220.—MINIMUM RENTAL COMMITMENTS

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) gross rental expense in the most recent fiscal year exceeds one percent of operating revenue.

Show the minimum rental commitments under all noncancellable leases, as of the date of the latest balance sheet presented, in the aggregate (with disclosure of the amounts applicable to noncapitalized financing leases) for (a) each of the five succeeding fiscal years; (b) each of the next three five-year periods; and, (c) the remainder as a single amount. The amounts so determined should be reduced by rentals to be received from existing noncancellable subleases (with disclosure of the amounts of such rentals). For purposes of this rule, a noncancellable lease is defined as one that has an initial or remaining term of more than one year and is noncancellable, or is cancellable only upon the occurrence of some remote contingency or upon the payment of a substantial penalty.

## Schedule 222.—LEASE COMMITMENTS—PRESENT VALUE

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) if the present value of the minimum lease commitments are more than five percent of the sum of the long-term debt, stockholders' equity and the present value of the minimum lease commitments, or if the impact on net income (as computed in schedule 223, Income impact—Lessee) is three percent or more of the average net income for the most recent three years.

## Schedule 223.—INCOME IMPACT—LESSEE

Complete this schedule only if carrier operating revenues are \$10 million or more.

If the impact on net income is less than three percent of the average net income for the most recent three years, a statement to this effect will suffice to complete this schedule. Otherwise, show the impact on net income for each period for which an income statement is presented if all noncapitalized financing leases were capitalized, related assets were amortized on a straight-line basis and interest cost was accrued on the basis of the outstanding lease liability. The amounts of amortization and interest cost shall be separately identified.

In calculating average net income, loss-years should be excluded. If losses were incurred in each of the most recent three years, the average loss shall be used for purposes of this test.
