# Schedule 400.—COMPETITIVE BIDDING — CLAYTON ANTITRUST ACT

Section 10 of the Clayton Antitrust Act 115 U.S.C. 201 states that "no common carrier engaged in commerce shall have any dealings in securities, supplies or other articles of commerce, or shall make or have any contracts for construction or maintenance of any kind, to the amount of more than \$50,000, in the aggregate, in any one year, with another corporation, firm, partnership or association when the said common carrier shall have upon its board of directors or as its president, manager or as its purchasing or selling officer, or agent in the particular transaction, any person who is at the same time a director, manager, or purchasing or selling officer of or who has any substantial interest in, such other corporation, firm, parinership or association, unless and except such purchases shall be made from, or such

dealings shall be made with, the bidder whose bid is the most favorable to such common carrier, to be ascertained by competitive bidding under regulations to be prescribed by rule of otherwise by the Interstate Commerce Commission. The specification for competitive bids is found in the Code of Federal Regulations, Part 1010-Competitive Bids through Part 1010.7 Carriers Subject to the Interstate Commerce Act.

Carriers Subject to the Interstate Commerce Act. In column (g), identify the company awarded the bid by including company name and address, name and title of respondent officers, directors, selling officer, parchasting officer and/or general manager that has an affiliation with the seller.
