to the
Interstate Commerce Commission
for the year ended December 31, 1976

GENERAL INSTRUCTIONS

1. Under order of the Commission, railroads are required to file on or before June 30 of each year a report listing account by account totals of aggregate revenue, cost and service unit data for all branch lines for which it must maintain a system of accounts. Only such data as is required by Parts 1121 or 1125 must be reported.

2. The data shall be accumulated for the year calendar year or portion thereof and reported in the format set forth in account 940. On-branch cost shall be separated in a branch, materials, and other.

3. Separate reports for each branch line are not required; however, the railroad must list and describe each branch line using the format set forth in 49 CFR 1121.21. (Copies of this format are enclosed for carrier's use.)

4. Reports should be filled out in triplicate and the original and one copy should be returned to the Interstate Commerce Commission, Bureau of Accounts, Washington, D. C. 20423. The other copy should be retained in respondents' files. Figures should be reported in whole dollars.

Copies of the report shall be filed with and made available for public inspection at the Commission's field offices in the state or states in which the branch line is situated. Addresses of field offices enclosed.

5. Records, accounts, working papers, and other documents reflecting the revenue, cost and service unit data for each branch line for which the railroad must maintain data shall be made available for inspection and examination by the Commission and for lines situated within its state, by the designated state agency at a time and place mutually agreeable to the parties. The railroad shall also reproduce such records for the designated state agency, provided the agency pays the reasonable cost thereof.

List and describe each branch line separately using the following format as set forth in 49 CFR 121.21. (See No. 3 General Instructions.)
