FOLLOW ALL INSTRUCTIONS CAREFULLY

- 1. Remove the mailing label from the cover and attach the label to the top of page 1 of the report form to be filed. The mailing label should NOT be altered. If the name and address on the mailing label are incorrect, insert your correct name and address in the space provided to the left. The carrier mailing address is the company address where correspondence regarding accounting and reporting matters is to be directed, but not the address of an independent auditor or CPA.
- 2. Three copies of this form for annual report should be filled out and two copies returned, the original of which must be the copy containing the mailing label, to the Bureau of Accounts, Interstate Commerce Commission, Washington, D. C. 20423, by March 31 of the year following the year for which the report is made; one copy should be retained by the carrier for reference. The report is required of water carriers whose average annual operating revenues are \$100,000 or less, in accordance with the provisions of Section 313(a) of Part III of the Interstate Commerce Act.
- 3. For those water carriers subject to the jurisdiction of the Interstate Commerce Act having average annual operating revenues exceeding \$100,000 annual report Form W-1 and Maritime carriers annual report Form W-4 have been provided.
 - 4. Unless otherwise explained, the carrier should report its

- entire operations for the year of the report including intrastate and exempt interstate transportation. If operations are for a period less than a year, the report should so indicate
- 5. Full and accurate replies should be made to all items and schedules. If an item is not applicable to the respondent, or if the word "none" fairly and completely applies, the report should so indicate. If records are not available for any item or part thereof, which give the information called for, respondent should report the best estimate possible and mark such items "estimated."
- 6. Wherever the space provided is insufficient to permit full and complete reply to the requested information, such replies should be prepared on inserts, appropriately referenced and securely attached to the report or the reply can be continued in the space in the report for "Remarks."
- 7. If respondent prepares statements of its income, surplus, general balance-sheet or operations for the year or any part thereof of the report, one copy of each such statement shall be filed with this report or submitted to the Commission as and when available.
- 8. Inquiries relative to the preparation and filing of the report should be addressed to the Bureau of Accounts at above address.

FOLLOW ALL INSTRUCTIONS CAREFULLY

- 1. Remove the mailing label from the cover and attach the label to the top of page 1 of the report form to be filed. The mailing label should NOT be altered. If the name and address on the mailing label are incorrect, insert your correct name and address in the space provided to the left. The carrier mailing address is the company address where correspondence regarding accounting and reporting matters is to be directed, but not the address of an independent auditor or CPA.
- 2. Three copies of this form for annual report should be filled out and two copies returned, the original of which must be the copy containing the mailing label, to the Bureau of Accounts, Interstate Commerce Commission, Washington, D. C. 20423, by March 31 of the year following the year for which the report is made; one copy should be retained by the carrier for reference. The report is required of water carriers whose average annual operating revenues are \$100,000 or less, in accordance with the provisions of Section 313(a) of Part III of the Interstate Commerce Act.
- 3. For those water carriers subject to the jurisdiction of the Interstate Commerce Act having average annual operating revenues exceeding \$100,000 annual report Form W-1 and Maritime carriers annual report Form W-4 have been provided.
 - 4. Unless wise explained, the carrier should report its

- entire operations for the year of the report including intrastate and exempt interstate transportation. If operations are for a period less than a year, the report should so indicate
- 5. Full and accurate replies should be made to all items and schedules. If an item is not applicable to the respondent, or if the word "none" fairly and completely applies, the report should so indicate. If records are not available for any item or part thereof, which give the information called for, respondent should report the best estimate possible and mark such items "estimated."
- should be prepared on inserts, appropriately referenced and securely attached to the report or the reply can be continued in the space in the report for "Remarks."
- 7. If respondent prepares statements of its income, surplus, general balance-sheet or operations for the year or any part thereof of the report, one copy of each such statement shall be filed with this report or submitted to the Commission as and when available.
- 8. Inquiries relative to the preparation and filing of the report should be addressed to the Bureau of Accounts at above address.
