17.-COMPENSATING BALANCES AND SHORT-TERM BORROWING ARRANGEMENTS

Using the following notes as a guideline, show the requirements of compensating balances and short-term borrowing arrangements if operating revenues are \$10 million or more. Footnote disclosure is required even though the arrangement is not reduced to writing.

- 1 Disclose compensating balances not legally restricted, lines of credit used and unused, average interest rate of short-term borrowings outstanding at balance sheet date, maximum amount of outstanding borrowings during the period and the weighted average rate of those borrowings.
 - 2. Time deposits and certificates of deposit constituting compensating bilances not legally restricted should be disclosed.
 - 3. Compensating balance arrangements need only he disclosed for the latest fiscal year.
- 4. Compensating balances under an ogreement which legally restricts the use of such funds, and which constitute support for short-term borrowing arrangements, should be included in section 18, account 101, Special cash deposits.
- 5. Compensating halances under an agreement which legally restricts the use of such funds and which constitute support for long-term horrowing arrangements and are reported in account 121. Special deposits, should also be separately disclosed below.
- b. Compensating balance arrangements are sufficiently material to require disclosure in footnotes when the aggregate of written and oral agreement balances amount to 15 percent or more of liquid assets (current cash halances, restricted and unrestricted plus marketable recurities).
- 7. When a carrier is not in compliance with a compensating balance requirement, that fact should be disclosed along with stated and possible sanctions whenever such possible sanctions may be immediate (not vague or unpredictable) and material.

18.-SPECIAL CASH DEPOSITS

For other than compensating balances, state separately exch isem of \$10,000 or more reflected in account 101. Special cash deposits, at the close of the year. Items of less than \$10,000 may be combined in a single entry and described as "Minor items less than \$10,000". For compensating balances, state separately the total amounts beld on behalf of respondent and held on behalf of others.

24,-RENTAL EXPENSE OF LESSEE

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) if gross rental expense in the most recent fiscal year exceeds one percent of operating revenue.

Otherwise, show total rental expense (reduced by rentals from subleases) entering into the determination of results of operations for each period for which an income statement is presented. Rental payments under short-term leases for a month or less which are not expected to be renewed need not be included. Contigent rentals, such as those based on usage or sales, shall be reported separately from the basic or minimum rentals.

9	Total rental expense of lessee		L

NOTE: As used in sections 24 through 28, a "financing lease" is defined as a leave which, during the noncancellable lease period, either (a) covers 75% or more of the economic life of the property or (b) has terms which assure the lessage a uil recovery of the lair market value (which would normally be represented by his investment) of the property at the inception of the lease plus a reasonable cetain in the use of the assets invested subject only to limited risk in the realization of the residual interest in the property and the credit risks generally associated with secured loans.

25.-MINIMUM RENTAL COMMITMENTS

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) gross rental expense in the most recent fiscal y are exceeds one percent of operating revenue.

Show the minimum rental commitments under all noncancellable leases, as of the date of the latest balance sheet presented, in the aggregate limit disclosure of the amounts applicable to noncapitalized financing leases) for (a) each of the five succeeding fiscal years, (b) each of the next three five-year periods; and, (c) the remainder as a single amount. The amounts so determined should be reduced by rentals to be received from three five-year periods; and, (c) the remainder as a single amount. The amounts so determined should be reduced by rentals to be received from three five-year periods; and, (c) the remainder as a single amount of such rentals). For purposes of this rule, a noncancellable lease is defined as existing noncancellable or remaining term of norz than one year and is noncancellable, or is cancellable only upon the occurrence of some remote one that has an initial or remaining term of norz than one year and is noncancellable, or is cancellable only upon the occurrence of some remote one that has an initial or remaining term of norz than one year and is noncancellable, or is cancellable only upon the occurrence of some remote one that has an initial or remaining term of norz than one year and is noncancellable, or is cancellable only upon the occurrence of some remote of the amounts of such rentals.

27.--LEASE COMMITMENTS--PRESENT VALUE

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) if the present value of the minimum lease commitments are more than five percent of the sum of the long-term debt, stockholders' equity and the present value of the minimum lease commitments, or if the impact on net income (as computed in section 28, Incom. impact—Lessee) is three percent or more of the average net income for the most recent three years.

Show all noncapitalized financing leases, the present value of the minimum lease commitments in the aggregate and by major categories of properties. Present values shall be computed by discounting net lease payments (after subtracting, if practicable, estimated, or actual amounts, if any, applicable to taxes, insurance, maintenance and other one sing expenses) at the interest rate implicit in the terms of each lease at the time of entering into the lease.

Show either the weighted average interest rate (based on present value) and range of rates or specific interest rates for all lease commitments.

28.—INCOME IMPACT—LESSEE

Complete this schedule only if carrier operating revenues are \$10 million or more.

If the impact on net income is less than three percent of the average net income for the most recent three years, a statement to that effect will suffice to complete this schedule. Otherwise, show the impact on net income for each period for which an income statement is presented if all noncapitalized financing leases were capitalized, related assets were amortized on a straight-line basis and interest cost was accrued on the basis of the outstanding lease liability. The amounts of amortization and interest cost shall be separately identified.

In calculating average net income, loss-years should be excluded. If losses were incurred in each of the most retent three years, the average loss shall be used for purposes of this test.

40.-COMPENSATION OF OFFICERS, DIRECTORS, ETC.

Give the name, position, salary, and other compensation, such as bonus, commission, gift, reward, or fee, of each of the five persons named in Section 5, item (b) and (c) of this report to whom the respondent paid the largest amount during the year covered by this report as compensation for current or past service over and above necessary expenses incurred in discharge of duties and in addition, all other officers, directors, pensioners or employees, if any, to whom the respondent similarly paid \$40,000 or more. If more convenient, this schedule may be filled out for a group of companies considered as one system and shown only in the report of the principal company in the system, with references thereto in the reports of the other companies. Any large "Other compensation" should be explained in a footnote. If an officer, director, etc., receives compensation from another transportation company (whether a subsidiary or not), reference to this fact should be made if his aggregate compensation amounts to \$40,000 or more, and the details as to division of the salary should be stated. By salary column (c) is meant the annual rate at which are employee is paid, rather than the amount actually paid. If salary of an individual was changed during the year, show salary before each change as well as at close of year.

41.-COMPETITIVE BIDDING - CLAYTON ANTITRUST ACT

Section 10 of the Clayton Antitrust Act (If US.C. 20) states that "no common carrier engaged in commerce shall have any dealings in accurities, supplies or other articles of commerce, or shall make or have any contracts for construction or maintenance of any kind, to the amount of more than \$59,000, in the aggregate, in any one year, with another corporation, firm, parinership or association when the said common carrier shall have upon its board of directors or as its president, manager or as its purchasing or selling office,, or agent in the particular transaction, any person who is at the same time a director, manager, or purchasing or selling officer of or who has any substantial interest in, such other corporation, firm, partinership or association, unless and except such purchases shall be made from, or such

dealings shall be made with, the bidder whose bid is the most favorable to each common carrier, to be ascertained by competitive bidding under regulations to be prescribed by rate or otherwise by the interstate Commerce Commission. The specification for competitive bids is found in the Code of Federal Regulations, Part 1010-Competitive Bids through Part 1010-Carriers Subject to the Interstate Commerce Act.

In column (g), identify the company awarded the bid by including company name and address, name and title of respondent officers, directors, selling officer, purchasing officer and/or general manager that has an affiliation with the seller.

Schedule 42.-SUMMARY OF FREIGHT LOSS AND DAMAGE CLAIMS

This schedule was adopted by the Commission in No. 35345 (Sub-No. 2) July 1, 1977

Approved by GAO Effective 12-23-77

Exclude from this schedule the revenues and claims insurred in connection with freight forwarder services and shipments which have a prior or subsequent movement by air. Line I should show all freight forwarder revenue in Account 501. Line 2 should show the number of claims paid during the year for robbery, theft and pilferage, and other shortage as defined below:

Robbery - Failure to deliver all or part of a shipment as the result of stealing, including hijacking, with the use of force or threat of force against a person or persons.

Claims for physical damage to freight in the same or other shipments resulting from robbery should be reported under

Robbery .

Theft and Pilfereage - Failure to deliver all or part of a shipment as the result of known stealing, or under circumstances indicating the probable cause was stealing, without use of force or threat of force against a person or persons, when it is known the freight was in the carrier's custody. Claims for physical damage to freight in the same or other shipments resulting directly from theft or pilferage should be reported under theft and Pilferage.

Other Shortage - Failure to deliver all or part of a shipment for unknown reasons. This includes the unexplained disappearance of all or part of a shipment for reasons other than robbery or theft and pilferage as defined above.

Line 3 should show the number of all other claims paid in full or in part during the year not reported on line 2.

Line 4 should include the net dollar amount of claims paid during the year. This includes claims paid in full or paid in part, less amounts recovered from underlying carriers, salvage, insurance, and claim refund cancellations.

Line 5 should show the ratio in percentage form (two decimal places).

Line	Item
1	Freight revenue (Account 501)
2 3	Number of theft related claims paid————————————————————————————————————
4	Net dollars paid (See instructions)
5	Claims expense/revenue ratio (line 4 + 1)
