SPECIAL NOTICE

The attention of the respondent is directed below to certain particulars, if any, in which this report form differs from the corresponding form for the preceding year. It should be understood that mention is not made of necessary substitutions of dates or, in general, such other things as simple modifications intended to make requirements clearer, other minor adjustments, and typograpical corrections.

This form is revised to (1) improve the disclosure of information for both ratemaking and financial (eporting purposes (2) eliminate unnecessary reporting and (3) conform with the new Uniform System of Accounts for Railroads, effective January 1, 1978. Other significant modifications include revisions to conform with reporting under generally accepted accounting principles and the rearrangement of schedules in a more orderly fashion to make them easier to complete and use.

ESTIMATE OF REPORTING BURDEN

In order to montitor carrier reporting burden and to satisfy GAO requirements pursuant to Section 409 of Public Law 93-153, it is requested that you voluntarily furnish your best estimate of the number of hours required to complete this report.

In making + s estimate, please include the number of hours attributable to preparing the report and for any special compilations contained in this report that would not generally be maintained or used by management for purposes other than reporting to this Commission

INSTRUCTIONS REGARDING THE USE OF THIS REPORT FORM

This annual report is arranged in columnar form so that it may include returns for a single lessor company, or for several lessor companies whose properties are leased to the same operating railway, provided that the books of account are under the general supervision of the same accounting office.

Separate returns are required to be shown for each lessor, the name of the reporting company to be entered in the box heading or in the column on the left of the several schedules, as may be applicable.

If the report is made for a single company, the exact corporate name should appear on the cover, title page, page 2, and in the oath and supplemental oath.

Names of lessor companies included in this report EAST ST. LOUIS HUNCTION RAILROAD COMPANY	Name of lessor companies that file separate reports

STOCKHOLDERS REPORTS

- 1. The respondent is required to send to the Bureau of Accounts, immediately upon preparation, two copies of its latest annual report to stockholders.

 Check appropriate box
 - Two copies are uttached to this report
 - Two copies will be submitted
 - No annual report to stockholders is prepared.

In completing the various schedules in this report form, list the information concerning the lessor companies in the order in which their names appear on the balance sheet. Such additional pages as may be necessary will be furnished by the Commission on request.

Give hereunder the exact corporate name and other parties along concerning each lessor company included in this report. The corporate name should be given in full, exactly as it appears in the articles of incorporation using the words possession of it is and "Company" only when they are parts of the corporation their names and their names and

Schedule 400.—COMPETITIVE BIDDING — CLAYTON ANTITRUST ACT

Section 16 of the Clayton Antitrust Act (15-U.S.C. 20) states that "no common carrier engaged in commerce shall have any dealings in securities, supplies or other articles of commerce, or that make or have any contracts for construction or maintenance of any kind to the amount of more than \$50,000, in the aggregate, in any one year, with another corporation, firm, partnership or association when the xaid common carrier shall have upon its board of directors or as its president, manager or as its purchasing or selling officer, or agent in the particular transaction, any person who is at the same time a director, manager, or purchasing or selling officer of, or who has any substantial interest in, such other corporation, firm, partnership or association, unless and except such purchases shall be made from, or such

dealings shall be made with, the bidder whose bid is the most tavorable to such common carrier to be ascertained by competitive bidding under regulations to be prescribed by rule or otherwise by the Interstate Commerce Commission. The specification for competitive bids is from the force of Federal Regulations, Part 1010-Competitive Bids through Part 1010.7

Carriers Subject to the Interstate Commerce Act. In column (g), identify the company warded the bid by including company name and address, name and title of respondent officers, directors, selling officer, purchasing officer andott general manager that has an affiliation with the seller.

600, EMPLOYEES AND COMPENSATION

- 1. Give the average number of employees in the service of the lessor companies included in this report and the total compensation paid to them. General officers who served without compensation or were carried on the payrolls of another company, and pensioners rendering no service, are not to be included.
- Averages called for in columns (b), (c), and (d) should be the average of 12 middle-of-month counts.
- 3. This schedule does not include oid-age retirement, and unemployment insurance taxes. See schedule 450 for such taxes.
