APR 2 1979

PCOGODZO EVERGREFREI 1 O 1 9523 EVERGREEN FREIGHT CAR CORPORATION SOUTHERN PACIFIC BLD ONE MARKET PLAZA RM SAN FRANCISCO CA 96105

Correct name and address if different than shown

Full name and address of reporting carrier.
(Use mailing labbel on original, copy in rull on duplicate.)

Interstate Commerce Commission

FOR THE YEAR ENDED DECEMBER 31, 1978

SPECIAL NOTICE

The attention of the respondent is directed below to certain particulars, if any, in which this report form differs from the corresponding form for the preceding year; but it should be understood that mention is not made... coessars substitutions of dates, or in general, of such other things as simple modifications intended to make requirements clearer, other minor adjustments, and typographical corrections.

Page 4: Schedule 200. Comparative General Balance Sheet - Asset Side

Provision is made for reporting allowances for net unrealized loss on noncurrent marketable equity securities.

Page 5: Schedule 200. Comparative General Balance Sheet, Liability Side

Provision is made for reporting "unamortized discount and interest on long-term debt," and "unrealized loss on noncarrier marketable equity securities."

Page 6: Comparative Balance Sheet - Explanatory Notes

A new note has been added providing for reporting marketable equily securities. This note is to be completed only by carriers earning \$10 million or more in gross operating revenues.

Schedule 205. COMPENSATING BALANCES AND SHORT-TERM BORROWING ARRANGEMENTS

Using the following notes as a guideline, show the requirements of compensating balances and short-term horrowing arrangements if operating revenues are \$10 million or more Footnote disclosure is required even though the arrangement is not reduced to writing

- 1. Disclose compensating balances not legally restricted lines of credit used and unused average interest rate of short-term borrowings outstanding at balance sheet date, maximum amount of outstanding borrowings during the period and the weighted average rate of those
 - 2. Time deposits and certificates of deposit constituting compensating balances not legally restricted should be disclosed. 3. Compensating balance arrangements need only be disclosed for the latest fiscal lear.
- 4. Compensating balances under an agreement which legally restricts the use of such funds, and which constitute support for short-term borrowing arrangements, should be included in Schedule 206, account 703. Special deposits.
- 5. Compensating balances under an agreement which legally restricts the use of such funds and which constitute support for long-term borrowing arrangements and are reported in account 717. Insurance and other funds, should also be separately disclosed below
- 6. Compensating balance arrangements are sufficiently material to require disclosure in footnotes when the aggregate of written and oral agreement balances amount to 15 percent or more of liquid assets (current cash balances, restricted and unrestricted plus marketable securities)
- 7. When a carrier is not in compliance with a compensating balance requirement, that fact should be disclosed along with stated and possible sanctions whenever such possible sanctions may be immediate (not vague or unpredictable) and material

Schedule 206. -SPECIAL DEPOSITS

For other than compensating balances, state separately each item of \$10,000 or nore reflected in account 703. Special deposits, at the close of the year. Items of less than \$10,000 may be combined in a single entry and described as "Minor items less than \$10,000." For compensating balances, state separately the total amounts held on behalf of respondent and held on behalf of others.

NOTES AND REMARKS

211. PROPERTY AND EQUIPMENT

Give particulars of balances at the beginning and close of the year and of all changes during the year in Account [1]. "Cars or prosecute service property." The bulances by primary accounts should be stated in columns (h) and (f) and all changes made during the year should be analyzed in columns (c) to (e), inclusive

2. The entries made in column (a) of this schedule should represent the cost to the respondent of constructing or acquiring cars or protective service property and equipment during the year and of making additions thereto and improvements therefor, as well as the cost during the year of making additions and improvements to physical property owned by the respondent and used for furnishing cars of protective service at or before, the beginning of the year, and the amounts which represent the cost to the respondent during the year of additions and improvements to

Give particulars of balances at the beginning and close of the year and of all | transportation property leased from others under long-term constructs, in cases, nges during the year in Account 731. "Cars or protective service property." The | where such cost is not chargeable to the owning company.

3. Both the debit and credit involved in each trainfer, adjustment, or clearance between cars or protective service property and equipment accounts should be included in the column in which the nem was instally included. Also the transfer of prior years debits or credits from investment in cars or protective service property and equipment to operating expenses or other accounts, or vice versa, should be included in the column applicable to current items of like nature. Important adjustment items should be fully explained in a footnote.

NOTE. As used in schedules 219 through 223, a "financing lease" is defined as a lease which, during the noncancellable lease period, either (a) covers 75 of the equationic life of the property or (8) has been which assure the least of full the next of the lan market value (which would increally be investment of the property at the inequinity of the lease plus a reasonable return on the use of the assets invested subject only to the residual interest in the property and the credit risks generally associated with secured toans.

Schedule 220.-MINIMUM RENTAL COMMITMENTS

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) gross rental expense in the most recent fiscal year exceeds one percent of operating revenue.

Show the minimum rental commitments under all noncancellable leases, as of the date of the latest balance sheet presented, in the aggregate (with disclosure of the amounts applicable to noncapitalized financing leases) for (a) each of the five succeeding fiscal years, (b) each of the next three five-year periods, and, (c) the remainder as a single amount. The amounts so determined should be reduced by rentals to be received from existing noncancellable subleases (with disclosure of the amounts of such rentals). For purposes of this rule, a noncancellable lease is defined as one that has an initial or remaining term of more than one year and is noncancellable, or is cancellable only upon the occurrence of some remote contingency of upon the payment of a substantial penalty.

Schedule 222.—LEASE COMMITMENTS-PRESENT VALUE

Complete this schedule only if (a) carrier operating revenues are \$10 million or more and (b) if the present value of the minimum lease commitments are more than five percent of the sum of the long-term debt, stockholders' equity and the present value of the minimum lease commitments, or if the impact on net income (as computed in schedule 223. Income impact—Lessee) is three percent or more of the average net income for the most recent three years.

Show all noncapitalizes financing leases, the present value of the minimum lease commitments in the aggregate and by major categories of properties. Present values shall be computed by discounting net lease payments (after subtracting, if practicable, estimated, or actual amounts, if any, applicable to taxes, insurance, maintenance and other operating expenses) at the interest rate implicit in the terms of each lease at the time of entering into the lease.

Show either the weighted average interest rate (based on present value) and range of rates or specific interest rates for all lease commitments.

Schedule 123.-INCOME IMPACT-LESSEE

Complete this schedule only if carrier operating revenues are \$10 million or more.

If the impera on net income is less than three percent of the average net income for the most recent three years, a statement to this effect will suffice to complete this schedule. Otherwise, show the impact on net income for each period for which an income statement is presented if all noncapitalized financing leases were capitalized, related asiets were amortized on a straight-line basis and interest cost was accrued on the basis of

the outstanding lease liability. The intouries of amortization and interest cost shall be separately identified.

In calculating average net income, loss-years should be excluded. It losses were incurred in each of the most recent three years, the average loss. shall be used for purposes of this text
