This schedule was adopted by the Commission in No. 35345 (Sub-No. 2) July 1, 1977.

Approved by GAO Effective 12-23-77

Exclude from this schedule the revenues and claims incurred in connection with freight forwarder services and shipments which have a prior or subsequent movement by air. Line 1 should show all freight forwarder revenue in Account 501. Line 2 should show the number of claims paid during the year for robbery, theft and pilferage, and other shortage as defined below.

Robbery - Failure to deliver all or part of a shipment as the result of stealing, including hijacking, with the use of force or threat of force against a person or persons. Claims for physical damage to freight in the same or other shipments resulting from robbery should be reported under Robbery.

Theft and Pilferage - Failure to deliver all or part of a shipment as the result of known stealing, or under circumstances indicating the probable cause was stealing, without use of force or threat of force against a person or persons, when it is known the freight was in the carrier's custody. (Note: Claims for physical damage to freight in the same or other shipments resulting directly from theft or pilferage should be reported under Theft and Pilferage.)

Other Shortage - Failure to deliver all or part of a shipment for unknown reasons. This includes the unexplained disappearance of all or part of a shipment for reasons other than robbery or theft and pilferage as defined above.

Line 3 should show the number of all other claims paid in full or in part during the year not reported on line 2.

Line 4 should include the *net* dollar amount of claims paid during the year. This includes claims paid in full or paid in part, less amounts recovered from underlying carriers, salvage, insurance, and claim refund cancellations.
