NOTICE

All switching and terminal companies will be designated class III railroads.

Switching and terminal companies are further classified as:

Class 1. Exclusively switching. This class of companies includes all those performing switching service only, whether for joint account or for revenue.

Class 2. Exclusively terminal. This class of companies includes all companies providing terminal trackage or terminal facilities only. Such as union (passenger or freight) stations, stockyards, etc., for which a charge is made, whether operated for joint account or for revenue. In case a bridge or ferry is part of the facilities operated by a terminal company, it should be included under this heading.

Class 3. Both switching and terminal. Companies which perform both a switching and a terminal service. This class of companies includes all companies whose operations cover both switching and terminal service as defined above.

Class 4. Bridge and ferry. This class of companies is confined to those whose operations are limited to bridges and ferries exclusively.

Class 5. Mixed. Companies performing primarily a switching or a terminal service, but which also conduct a regular freight or passenger traffic. The revenues of this class of companies include, in addition to switching or terminal revenues, those derived from local passenger service, local freight service, participation in through movement of freight or passenger traffic, other transportation operations, and operations other than transportation.

7. Give the date of incorporation of the respondent. **Not incorp- Class III** **diese)**
8. Class of switching and terminal company.
9. Under the laws of what Government, State, or Territory was the respondent organized? If more than one, name all. Give reference to each statute and all amendments thereof, effected during the year. If previously effected, show the statute of the report(s) setting forth details. If in bankruptcy, give court of jurisdiction and date of beginning of receivership or trusteeship, and of appointment of receiver or trustees.

Florida Chapter 67-1681

11. State whether or not any corporation or association or group of corporations had, at the close of the year, the right to name the major part of the board of directors, managers, or trustees of the respondent, and if so, give the names of all such corporations and state whether such right was derived through (a) title to capital stock or other securities issued or owned by the respondent, (b) title to advances of funds made for the construction of the road and equipment of the respondent, or (c) express agreement in some other manner. **The Port Authority consists of the County Commissioners who appoint the managing director.**

12. Give heretofore a history of the respondent from its inception to date, showing all consolidations, mergers, reorganizations, etc., and if a consolidated or merging corporation give like particulars for all consolidated and sub-consolidated corporations. Describe also the course of construction of the road of the respondent, and its financing. **No consolidations, mergers or re-organizations, financed by Bond Issue**

Use the word "road" when it is only when it is a part of the name, and distinguish between the words "road" and "railway" and between "company" and "corporation."

107. STOCKHOLDERS

List the names of the 30 security holders of the respondent who, at the date of the latest closing of the stock book or compilation of list of stockholders of the respondent (within 1 year prior to the actual filing of this report) had the highest voting powers in the respondent, showing for each his address, the number of votes which he would have had a right to cast on that date had a meeting then been in order, and the classification of the number of votes to which he was entitled, with respect to securities held by him, such securities being classified as common stock, second preferred stock, first preferred stock, and other securities, stating in a footnote the names of such other securities (if any). If any such holder held in trust, give in a footnote the particulars of the trust. In the case of voting trust agreements give in supplemental information on schedule No. 70N, the names and addresses of the 30 largest holders of the voting trust certificates and the amount of their individual holdings. If the stock book was not closed or the list of stockholders compiled within each year, show such 30 security holders as of the close of the year.

209. COMPARATIVE STATEMENT OF FINANCIAL POSITION - EXPLANATORY NOTES

The notes listed below are provided for the purpose of disclosing supplementary information concerning matters which have an important effect on the financial condition of the carrier. The carrier shall give the particulars called for herein and where there is nothing to report, insert the word "none", and in addition thereto shall enter in separate notes with suitable particulars other matters involving material amounts of the character commonly disclosed in financial statements under generally accepted accounting and reporting principles, except as shown in other schedules. This includes explanatory statements explaining (1) service interruption insurance policies and indicate the amount of indemnity to which respondent will be entitled for work stoppage losses and the maximum amount of additional premium respondent may be obligated to pay, in the event such losses are sustained by other railroads; (2) particulars concerning obligations for stock purchase options granted to officers and employees; and (3) what entries have been made for net income or retained income restricted under provisions of mortgages and other arrangements.

1. Amount (estimated, if necessary) of net income or retained income which has to be provided for capital expenditures, and for sinking and other funds pursuant to provisions of reorganization plans, mortgages, deeds of trust, or other contracts. None 5

2. Estimated amount of future earnings which can be realized before paying Federal income taxes because of unused and available net operating loss carryover on January 1 of the year following that for which the report is made. None 5

3. (a) Explain the procedure in accounting for pension funds and recording in the accounts the current and past service pension costs, indicating whether or not consistent with the prior year.

N/A Participate in State of Florida Fund

(b) State amount, if any, representing the excess of the actuarially computed value of vested benefits over the total of the pension fund. 5

(c) Is any part of pension plan funded? Specify: Yes ☐ No ☐

(i) If funding is by insurance, give name of insuring company.

(ii) If funding is by trust agreement for trustees:

Date of trust agreement or latest amendment.

If respondent is affiliated in any way with the trustees, explain affiliation.

(d) List affiliated companies which are included in the pension plan funding agreement and describe basis for allocating charges under the agreement. None

(e) Is any part of the pension plan fund invested in stock or other securities of the respondent or any of its affiliates? Specify: Yes ☐ No ☐

If yes, give number of the shares for each class of stock or other security.

(f) Are voting rights attached to any securities held by the pension plan? Specify: Yes ☐ No ☐ If yes, who determines how stock is voted?

4. State whether a segregated political fund has been established as provided by the Federal Election Campaign Act of 1971 (18 U.S.C. 610). YES ☐ NO ☐

210. RESULTS OF OPERATIONS

INSTRUCTIONS

Disclose the requested information for the respondent pertaining to the results of operations for the year.

1. List dividends from investments accounted for under the cost method on the appropriate line, under subsection "Other Income." List dividends accounted for under the equity method on the appropriate line under the "Income from Affiliated Companies" subsection of this schedule.

2. All contra entries hereunder should be indicated in parentheses.

705. IMPORTANT CHANGES DURING THE YEAR

Respondent state the following matters, numbering the statements in accordance with the inquiries, and if no changes of the character below indicated occurred during the year state that fact. Changes in mileage should be stated in the nearest hundredth of a mile. If any changes reported in this schedule occurred under authority granted by the Commission in certificates of convenience and necessity issued under paragraphs (1)(b) or (1)(c) of section 1 of the Interstate Commerce Act or otherwise, specific reference to such authority should in each case be made by checker number or otherwise, as may be appropriate.

1. All portions of road put in operation or abandoned, giving notations, the length of road, and the dates of beginning operations or of abandonment.
2. All other important physical changes, including build of all new tracks built.
3. All trackbeds acquired or surrendered, giving notations, the length of track, the names of parties, the costs, and the other conditions.
4. All agreements for trackage rights acquired or surrendered, giving notations, the length of track, the names of parties, the costs, and the other conditions.
5. All consolidations, mergers, and reorganizations effected, giving particulars.
6. All stocks issued, giving for purposes for which issued, the names of stocks, and if common stock, and describing all the actual consideration received, giving the amount, and the value, give similar information concerning all stocks sold or used.
7. All bonds sold or issued, giving for purposes for which issued, the names of securities and the amounts issued, and describing all the actual consideration received, giving the amount and the value, also give particulars concerning any bond sold or otherwise received, stating the date acquired, the date issued or collected, the par value of amount received.
8. All other important financial changes.
9. All changes in and all additions to franchise rights, describing fully the actual consideration given therefor, and stating if the parties were wholly acquired, if no consideration was given, state that fact.
10. In case the respondent has not yet begun operation, and no construction has been started or during the year, state fully the reasons therefor.
11. All additional matters of fact upon which have presented facts which the respondent may desire to include in its report.

If answers under items 1 and 2 include any first main track owned by respondent representing new construction or permanent abandonment, give the following information:

Miles of road constructed

Miles of road abandoned

The word "Miles of road constructed" is intended to show the mileage of first main track and in certain respondent's road, and should not include tracks subleased and tracks laid to shorten the distance between two points without serving any new territory.

710. INVENTORY OF EQUIPMENT

INSTRUCTIONS

1. Give particulars of **RR** of the various classes of equipment which respondent owned or leased during the year.
2. In column (c) give the number of units of equipment purchased, built in company shops, or otherwise acquired.
3. Units leased to others for a period of one year or more are reportable in column (c); units temporarily out of respondent's service and rented to others for less than one year are to be included in column (c); units rented from others for a period less than one year should not be included in column (d). Units installed during the year and subsequently leased to others for a year or more should be shown as added in column (c) as retired in column (d), and included in column (d).
4. For reporting purposes a "locomotive unit" is a self-propelled vehicle generating or converting energy into motion, and designed solely for moving other equipment. An "A" unit is the least number of wheel boxes with superstructure designed for use singly or as a lead locomotive unit in combination with other locomotive units. A "B" unit is similar to an "A" unit but not equipped for use singly or as a lead locomotive unit. A "B" unit may be equipped with remote controls for independent operating at terminals.
5. A "self-propelled car" is a rail motor car propelled by electric motors receiving power from third rail or overhead, or internal combustion engines located on the car itself. Trailers equipped for use only in trains of cars that are self-propelled are to be included as self-propelled equipment.
6. A "Diesel" unit includes all units propelled by diesel internal combustion engines irrespective of final drive, and whether power may at times be supplied from external conductor. Units other than diesel electric, e.g., diesel hydraulic, should be identified in a footnote giving the number and a brief description. An "Electric" unit includes all units which receive electric power from an overhead contact wire or third rail, and use the power to drive one or more electric motors that propel the vehicle. An "Other self-powered unit" includes all units other than diesel or electric, e.g., steam, gas turbine. Show the type of unit, service and number, as appropriate, in a brief description sufficient for positive identification. An "Auxiliary unit" includes all units used in conjunction with locomotives but which draw their power from the "mother" unit, e.g., boosters, slugs, etc.
7. Column (h) should show aggregate capacity for all units reported in column (g), as follows: For locomotive units, report the manufacturer's rated horsepower (the maximum continuous power output from the diesel engine or engines delivered to the main generator or generators for tractive purposes, or tractive effort of steam locomotive units; for freight-train cars report the nominal capacity (in tons of 2,000 lbs.) provided for in Rule 86 of the AAR Code of Rules Governing Cars in Interchange. Convert the capacity of tank cars to capacity in tons of the commodity which the car is intended to carry customarily.
