NOTICE

All switching and terminal companies will be designated class III railroads.

Switching and terminal companies are further classified as:

Class I. Exclusively switching. This class of companies includes all those performing switching service only, whether for joint account or for revenue.

Class II. Exclusively terminal. This class of companies includes all companies furnishing terminal trackage or terminal facilities only. Such as union passenger or freight stations, stockyards, etc., for which a charge is made, whether operated for joint account or for revenue. In case a bridge or ferry is part of the facilities operated by a terminal company, it should be included under this heading.

Class III. Both switching and terminal. Companies which perform both a switching and a terminal service. This class of companies includes all companies whose operations cover both switching and terminal service, as defined above.

Class IV. Bridge and ferry. This class of companies is confined to those whose operations are limited to bridges and ferries exclusively.

Class V. Mixed. Companies performing primarily a switching or a terminal service, but which also conduct a regular freight or passenger traffic. The revenues of this class of companies include, in addition to switching or terminal revenues, those derived from local passenger service, local freight service, participation in through movement of freight or passenger traffic, other transportation operations, and operations other than transportation.

209. COMPARATIVE STATEMENT OF FINANCIAL POSITION - EXPLANATORY NOTES

The notes listed below are provided for the purpose of disclosing supplementary information concerning matters which have an important effect on the financial condition of the carrier. The carrier shall give the particulars called for herein and where there is nothing to report insert the word "none", and in addition thereto shall enter in separate notes with suitable particulars other matters involving material amounts of the character commonly disclosed in financial statements under generally accepted accounting and reporting principles, except as shown in other schedules. This includes explanatory statements explaining (1) service interruption insurance policies and indicate the amount of indemnity to which respondent will be entitled for work stoppage losses and the maximum amount of additional premium respondent may be obligated to pay in the event such losses are sustained by other railroads, (2) particulars concerning obligations for stock purchase options granted to officers and employees, and (3) when entries have been made for net income or retained income restricted under provisions of mortgages and other arrangements.

1. Amount estimated, if necessary, of net income or retained income which has to be provided for capital expenditures and for sinking and other funds pursuant to provisions of reorganization plans, mortgages, deeds of trust, or other contracts. None

2. Estimated amount of future earnings which can be realized before paying Federal income taxes because of unused and available net operating loss carryover on January 1 of the year following that for which the report is made. None

3. (a) Explain the procedure in accounting for pension funds and recording in the accounts the current and past service pension costs, indicating whether or not consistent with the prior year.

(b) State amount, if any, representing the excess of the actuarially computed value of vested benefits over the total of the pension fund. None

(c) Is any part of pension plan funded? Specify: Yes ☐ No ☒

(i) If funding is by insurance, give name of insuring company.

(ii) If funding is by trust agreement (or trustee):

Date of trust agreement or latest amendment.

If respondent is affiliated in any way with the trustee(s), explain affiliation.

(d) List affiliated companies which are included in the pension plan funding agreement and describe basis for allocating charges under the agreement.

(e) Is any part of the pension plan fund invested in stock or other securities of the respondent or any of its affiliates? Specify: Yes ☐ No ☒

If yes, give number of the shares for each class of stock or other security.

(f) Are voting rights attached to any securities held by the pension plan? Specify: Yes ☐ No ☒ If yes, who determines how stock is voted?

4. State whether a segregated political fund has been established as provided by the Federal Election Campaign Act of 1971 (116 U.S.C. 1101). YES ☐ NO ☒
