| Net consolidated income for the year                    | \$ 107,090            | \$ 89,241                       |
| Per average share of common stock outstanding           | \$7.04                | \$5.85                          |

The company reporting to the Interstate Commerce Commission in this report is a part of the Southern Railway Company and Consolidiated Subsidiaries, which is comprised of 37 regulated carriers and 18 other companies. Financial reporting to shareholders and the general public is made on a consolidated basis and the following income statement is included in this report in order to put the financial data of the reporting company into proper perspective relative to the Southern Consolidated System.

### Schedule 203.—SPECIAL DEPOSITS

For other than compensating balances, state separately each item of \$10,000 or more reflected in account 703, Special deposits, at the close of the year. Items of less than \$10,000 may be combined in a single entry and described as "Minor items less than \$10,000". For compensating balances, state separately the total amounts held on behalf of respondent and held on behalf of others.

### 211. ROAD AND EQUIPMENT PROPERTY

1. Give particulars of changes during the year in accounts 731. "Road and equipment property," and 732. "Improvements on leased property," classified in accordance with the Uniform System of Accounts for Railroad Companies. Enter the names of the lessor companies in the column headings.

2. Gross charges during the year should include disbursements made for the specific purpose of purchasing, constructing, and equipping new lines, extensions of vid lines, and for additions and betterments. This column should also include both the debits and credits involved in each transfer, adjustment, or ciearance between road and equipment accounts and all adjustments applica-

ble to expenditures for new lines and extensions and additions and betterments. Adjustments in excess of \$100,000 should be explained. Net charges is the difference between gross charges and credits for property whole. All changes made during the year should be analyzed by primary accounts.

3. If during the year an individual charge of \$100,000 or more was made to account No. 2. "Land for transportors of purposes," state in a footnote the cost, location, area, and other details which will identify the property.

### 211. ROAD AND EQUIPMENT PROPERTY—Continued

4. If during the year property was acquired from some other company, state in a footnote the name of the company, the mileage acquired, and the date of acquisition, giving termini and the cost of the property to the respondent. Also furnish a statement of the amount included in each primary account representing such property acquired, referring to the column or columns in which the entries appear.
5. Notes referring to entries in this schedule should be shown on page 22.
6. Report on line 35 amounts not includable in the primary road accounts. The items reported

should be briefly identified and explained in a footnote on page 22. Amounts should be reported on this line only under special circumstances, usually after permission is obtained from the Commission for exceptions to prescribed accounting. Reference to such authority should be made when explaining the amounts reported. Respondents must not make arbitrary changes to the printed stub or column headings without specific authority from the Commission.

### 212. PROPRIETARY COMPANIES

Give particulars called for regarding each inactive proprietary corporation of the lessor companies included in this report (i.e., one all of whose outstanding stocks or obligations are held by or for the respondent without any accounting to the said proprietary corporation). It may also im-

clude such line when the actual title to all of the outstanding stocks or obligations rests in a corporation controlled by or controlling the respondent; but in the case of any such inclusion, the facts of the relation to the respondent of the corporation holding the securities should be fully set

|     |     |            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                   |     | 18        |
|     |     | N.         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                   |     | 19        |

### GENERAL INSTRUCTIONS CONCERNING RETURNS IN SCHEDULFS 217 AND 218

- 1. Schedules 217 and 218 should give particulars of stocks, bonds, other secured obligations, unsecured notes, and investment advances of affiliated companies and other investments held by the lessor companies included in this report at the close of the year specifically as investments, including the obligations of a State or local government, or of an individual, so held; investments made, disposed of, or written down during the year; and dividends and interest credited to income. They should exclude securities issued or assumed by respondents. For definition of affiliated companies, see the rules governing account No. 721, "Investments in affiliated companies." in the Uniform System of Accounts for Railroad Companies.
- 2. These investments should be subdivided to show the book value pledged, unpledged, and held in fund accounts. Under "pledged" include the book value of securities recorded in accounts Nos. 721, "Investments in affiliated companies." and 722, "Other investments," which are deposited with some pledgee or other trustee, or held subject to the lien of a chattel mortgage, or subject to any other restriction or condition which makes them unavailable for general corporate purposes. "Unpledged" should include all securities held by or for the respondent free from any lien or restriction, recorded in the accounts mentioned above. Under "In sinking, insurance, and other funds" include the book value of securities recorded in accounts Nos. 715, "Sinking funds": 716. "Capital and other reserve funds": and 717. "Insurance and other funds."
- 3. For each lessor company, list the investments in the following order and show a total for each group and each class of investments by accounts in numerical order:
  - (A) Stocks:
    - (1) Carriers-active.
    - (2) Carriers-inactive.
    - (3) Noncarriers-active.
    - (4) Noncarriers-inactive
  - (B) Bonds (Including U.S. Government bonds):
  - (C) Other secured obligations:
  - (D) Unsecured notes:
  - (E) Investment advances:
  - 4. The subclassification of classes (B), (C), (D), and (E) should be the same as that provided for class (A).
- 5. The kinds of industry represented by respondent's investments in the securities of other companies should be shown by symbol opposite the names of the issuing corporations, the symbols and industrial classifications to be as follows:

Symbol

Kind of Industry

- 1. Agriculture, forestry, and fisheries.
- II. Mining.
- Ili. Construction.
- IV. Manufacturing.
- V. Wholesale and retail trade.
- VI. Finance, insurance, and real estate.
- VIII. Transportation, communications, and other public utilities.
- VIII. Services.
- 1%. Government.
- X. All other.
- 6. By carriers, as the term is here used, is meant companies owning or operating railroads, facilities auxiliary thereto such as bridges, ferries, union depots and other terminal facilities, sleeping cars, parlor cars, dining cars, freight cars, express service and facilities, electric railways, highway motor vehicles, steamboats and other marine transportation equipment, pipe lines tother than those for transportation of water), and other instrumentalities devoted to the transportation of persons or property for hire. Telegraph and telephone companies are not meant to be included.
- 7. Noncarrier companies should, for the purposes of these schedules, include telephone companies, telegraph companies, mining companies, manufacturing companies, hotel companies, etc. Purely "holding companies" are to be classed as noncarrier companies, even though the securities held by such companies are largely or entirely those issued or assumed by carriers.
- 8. By an active corporation is meant one which maintains an organization for operating property or administering its financial affairs. An inactive corporation is one which has been practically absorbed in a controlling opporation, and which neither operates property nor administers its financial affairs; if it maintains an organization it does so only for the purpose of complying with legal requirements and maintaining title to property or franchises.

### 217. INVESTMENTS IN AFFILIATED COMPANIES

Give particulars of investments in stocks, bonds, other secured obligations, unsecured notes, and investment advances of companies affiliated with respondent, included in accounts Nos. 715. "Sinking funds", 716, "Capital and other reserve funds", 721, "Investments in affiliated companies", and 717, "Insurance and other funds."

Enter the name of a reporting lessor company in the body of the schedule and give, thereunder, particulars of its investments in affiliated companies before listing those of a second lessor. These names should be listed in the order in which they appear on the balance sheet.

Entries in the schedule should be made in accordance with the definitions and general instruc-

Lessor Initials

tions given on page 23, classifying the investments by means of letters, figres, and symbols in columns (a), (b), and (c).

Indicate by means of an arbitrary mark in column (d) the obligation in support of which any security is pledged, mortgaged, or otherwise encumbered, giving names and other important particulars of such obligations in footnotes.

Give totals for each class and for each subclass, and a grand total for each account.

Entries in columns (d) should show date of maturity of bonds and other evidences of indebtedness. In case obligations of the same designation mature serially, the date in column (d) may be

### 217. INVESTMENTS IN AFFILIATED COMPANIES-Continued

reported as "Serially 19\_ to 19\_..." "In making entries in this column, abbreviations in common use in standard financial publications may be used where necessary on account of limited space. If any of the companies included in this schedule are controlled by respondent, the percent of control should be given in column (e). In case any company listed is controlled other than through actual ownership of securities, give particulars in a footnote. In cases of joint control, give names of other parties and particulars of control.

If any advances reported are pledged, give particulars in a footnote.

Particulars of investments made, disposed of, or written down during the year should be given

in columns (j), (k), and (l). If the cost of any investment made during the year differs from the book value reported in column (j), explain the matter in a footnote. By "cost" is meant the consideration given minus accrued interest or dividends included therein. If the consideration given or received for such investments was other than cash, describe the transaction in a footnote, identify all entries in column (k) which represers a reduction in the book value of securities by symbol and give full explanation in a footnote in each case.

This schedule should not include securities issued or assumed by respondent.

| 12       | Total (lines 40 and 41)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                  |                                                           |                                                                       |                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                  |

### 218. OTHER INVESTMENTS

1. Give particulars of investments in stocks, bonds, other secured obligations, unsecured notes, and investment advances of all corporations other than affiliated companies, included in accounts Nos. 715, "Sinking funds", 716, "Capital and other reserve funds", 722, "Other investments", and 717, "Insurance and other funds." Investments included in account Nos. 715, 716, and 717 held by trustees in lieu of cash deposits required under the governing instrument are to be excluded from this schedule.

2. Enter the name of a reporting lessor company in the body of the schedule and give, thereunder, particulars of its other investments before listing those of a second lessor. These names should be listed in the order in which they appear on the balance sheet.

3. Entries in this schedule should be made in accordance with the definitions and general instructions given on page 23, classifying the investments by means of letters, figures, and symbols in columns (a), (b), and (c), investments in U.S. Treasury bills and notes may be reported as one item.

4. Indicate by means of an arbitrary mark in column (d) the obligation in support of which any security is pledged, mortgaged, or otherwise encumbered, giving names and other important particulars of such obligations in fuortnotes.

5. Give totals for each class and fer each subclass; and a grand total for each account.

Lessor Initials

### 218. OTHER INVESTMENTS—Concluded

6. Entries in column (d) should show date of maturity of bonds and other evidences of indebtedness. In case obligations of the same designation mature serially, the date in column (d) may be
reported as "serially 19\_\_\_\_ to 19\_\_\_\_." In making entries in this column, abbreviations in common use in standard financial publications may be used where necessary on account of limited

Year 19 77

space.

7 If any advances are pledged, give particulars in a footnote.

8. Particulars of investments made, disposed of, or written down during the year should be given in columns (i) to (k), inclusive. If the cost of any investment made during the year differs from the book value reported in column (i), explain the matter in a footnote. By "cost" is meant the consideration given minus accrued interest or dividends included therein. If the consideration given or received for such investments was other than cash, describe the transaction in a footnote. Identify all entries in column (j) which represent a reduction in the book value of securities by sy. hol and give full explanation in a footnote in each case.

| INVESTMENTS /
