### 308. DIVIDENDS DECLARED

Give particulars of each dividend declared by each lessor company included in this report. For par value or nonpar stock, show in column (e) the respective total par value or total number of shares on which dividend was declared and the corresponding rate percent or per share in column (c) and (d). If any such dividend was payable in

anything other than cash; or, if any obligation of any character has been incurred for the purpose of procuring funds for the payment of any dividend or for the purpose of repletisishing the treasury after such payment; or, if any class of stock received a return not reportable in this schedule, explain the matter fully in the remarks column. For

nonpar stock, show the number of shares in column (e) and the rate per share in column (c) or (d). The dividends in column (f) should be totaled for each company. The sum of the dividends stated in column (f) should equal the amount shown in schedule No. 305.

| Line        | Name of lessor company (a)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Name of security on which dividend was declared  (b)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | RATE PERCENT (PAR<br>VALUE STOCK) OR<br>RATE PER SHARE<br>(NONPAR STOCK) |           | Total par value of stock<br>or total number of                     |                            | DATE                    |                                |                         |

Railroad Lessor Annual Report

# 350. RAILWAY TAX ACCRUALS

1. Give particulars called for of the "Other than U. S. Government taxes" and "U. S. Government taxes" accrued and charged to account No. 532, "Railway tax accruals," during the year.

2. Enter in the column headings the names of the lessor companies which accrued the taxes.

3. In section A show for each State the taxes accrued which were levied by the State Governments (or Governments other than

the United States).

4. In section B give an analysis by kind of U. S. Government taxes.

5. Substantial adjustments included in the amounts reported should be explained in a footnote.

#### 350. RAILWAY TAX ACCRUALS-Continued

### C. Analysis of Federal Income Taxes

1. In column (a) are listed the particulars which most often cause a differential between taxable income and pretax accounting income. Other particulars which cause such a differential should be listed under the caption "Other", including State and other taxes deferred if computed separately. Minor items each less than \$100,000 may be combined in a single entry under "Other".

2. Indicate in column (b) the beginning of the year total of accounts 714, 744, 762 and 786 applicable to each particular item in column (a).

3. Indicate in column (c) the net change in accounts 714, 744, 762 and 786 for the net tax effect of timing differences originating and reversing in the current accounting period.

4. Indicate in column (d) any adjustments, as appropriate, including adjustments to siminate or reinstate deferred tax effects (credits or debits) due to applying on recognizing a loss carry-forward or a loss carry-back.

5. The total of line 10 in columns (c) and (d) should agree with the total of the contracharges (credits) to account 533. Provision for deferred taxes and account 531. Provision for deferred taxes - extraordinary and prior period items, for the current year.

6. Indicate in column (e) the cumulative total of columns (b), (c), and (d). The total of column (e) must agree with the total of accounts 714, 744, 762 and 786.

Give brief abstracts of the terms and conditions of the leases under which the above stated rents are derived, showing particularly (1) the name of lessor, (2) the name of lessee, (3) the date of the grant, (4) the chain of title (in case of assignment or subletting) and dates of transfer connecting the original parties with the present parties, (5) the basis on which the amount of the annual rent is determined, and (6) the date when the lease will terminate, or, if the date of termination has not yet been fixed, the provisions governing the termination of the lease. Also give reference to the Commission's authority for the lease, if any. If none, state

the reasons therefor.

Copies of leases may be filed in lieu of abstracts above called for. References to copies filed in prior years should be specific.

NOTE.—Only changes during the year are required.—Indicate the year in which reference was made to the original lease, and also the years in which any changes in lease were mentioned.

#### 383. RENTS FOR LEASED ROADS AND EQUIPMENT

1. Give particulars called for with respect to roads and equipment leased from others during the year, the rent for which is includible in account No. 542, "Rent for leased roads and equipment."

2. Rents payable which are not classifiable under one of the three heads provided should be explained in a footnote.

3. Taxes paid or payable by the respondent as a part of the stipulated rent should be included in column (f) and specifically stated under "Remarks."

4. This account includes amounts payable accrued as rent for roads, tracke, or bridges (including equipment or other railroad property cov-

## 383A. ABSTRACT OF LEASEHOLD CONTRACTS—Concluded

mission's authority for the lease, if any. If none, state the reasons therefor.

In lieu of the abstracts here called for, copies of lease agreements may

be filed. Reference to copies filed in prior years should be given in connection with any changes in terms and conditions of the leasehold contracts.

# 396. YELECTED ITEMS IN INCOME AND RETAINED INCOME ACCOUNTS FOR THE YEAR—Concluded

Each item recorded in accounts 606 and 616 amounting to \$10,000 or more should be stated; items less than \$10,000 may be combined in a single entry, designated "Minor items, each less than \$10,000."

## 411. TRACKS OWNED AT CLOSE OF YEAR

(For lessors to other than switching and terminal companies)

Give particulars of the noteage owned by each lessor company included in this report. If a comapay of this class controls any mileage by lease, and, in turn, subleases such mileage to another company, give particulars in a footnote. In giving "files of road", column (c), state the actual single-track distance by tween termini.

The classes of tracks are defined as follows:

The South Western R.R. Co. Macon, Ga. to Eufaula, Ala.

Name of road

Line

No.

Running tracks.—Running tracks, passing tracks, cross-overs, etc., including turn-outs from those tracks to clearance points.

Way switching tracks.—Station, team, industry, and other switching

tracks for which no separate switching service is maintained.

Yard switching tracks.—Yards where separate switching services are maintained, including classification, house, team, industry, and other

Miles of road

(c)

142.28

Termini between which road named extends

tracks switched by vard locomotives.

Miles of passing tracks, cross-overs, etc.

RUNNING TRACKS, PASSING TRACKS, CROSS-OVERS, ETC.

Miles of second

main track

(d)

Miles of all other main tracks (e)

In the lower table, classify the mileage of road owned at close of year by States and Territories. The figures should apply to single-track mileage only. Enter names of States or Territories in the column headings. Lengths should be stated to the nearest WHOLE mile adjusted to accord with footings, i.e.: counting one-half mile and over as a whole mile and disregarding any fraction less than one-half mile.

#### 581. CONTRACTS, AGREEMENTS, ETC.

Hereunder give a concise statement of each important contract, agreement, arrangement, etc., with other companies or persons, together with important revisions, modifications, terminations, and other changes thereof, which became effective during the year, and concerned in any way the transportation of persons or things at other than tariff rates, or the purchase of equipment under conditional sales plans without the issuance of securities by respondent, making such statements in the following order:

- 1. Express companies.
- 2. Mail.
- 3. Sleeping, parlor, and dining car companies.
- 4. Freight or transportation companies or lines.
- 5. Other railway companies.
- 6. Steamboat or steamship companies.
- 7. Telegraph companies.
- 8. Telephone companies.
- 9. Equipment purchased under conditional sales contracts.
- 10. Other contracts.

Under item 9, give particulars of conditional sales agreements, lease or rental contracts, and other similar instruments, entered into by respondent for the purchase of equipment, which provide for payment in installments and do not involve the issuance of securities by respondent. State the names of the parties to the contracts or agreements, the number of units of each class of equipment covered, and the terms and conditions of payment.

Ir "mation concerning contracts of minor importance may be omitted. A contract of minor importance is defined as one involving receipts or payments of less than \$10,000 per year, and which by its terms is otherwise unimportant.

In lieu of giving abstracts, copies of contracts may be filled. Every copy of a contract furnished in connection with the foregoing requirement should be listed hereunder.

The basis for computing receipts and payments should be tully states in the case of each such contract, agreement, or arrangement.

Compliance with the requirements of this schedule does not relieve the re: pondent of the duty placed upon common carriers by section 6 (5); Part I, of the Interstate Commerce Act, which reads as follows:

"Every common carrier subject to this part shall also file with said Commission copies of all contracts, agreements, or arrangements with other common carriers in relation to any traffic affected by the provisions of this part to which it may be a party. Provided, however, that the Commission, by regulations, may provide for exceptions from the requirements of this paragraph in the case of any class or classes of contracts, agreements, or arrangements, the filing of which, in its opinion, is not necessary in the public interest."

NONE

#### 591. CHANGES DURING THE YEAR

Hereunder state the matters called for. Make the statements explicit and precise, and number them in accordance with the inquiries; each inquiry should be fully answered, and if the word "none" truly states the fact it may be used in answering any particular inquiry. Changes in mileage should be reported by classes and stated to the nearest hundredth of a mile.

- All increases and decreases in mileage, classifying the changes in the tables below as follows:
- (Class 1) Line owned by respondent.
- (Class 2) Line owned by proprietary companie

- 2. For changes in miles of road, give dates of beginning or abandonment of operation. If any changes reportable in this schedule occurred under authority granted by the Commission in certificates of convenience and necessity, issued under paragraphs (18) to (22) of section I of the Interstate Commerce Act or otherwise, specific reference to such authority should in each case be made by docket number or otherwise as may be appropriate.
- All consolidations, mergers, and reorganizations effected, giving particulars.
  - This statement should show the m. eage, equipment, and cash valu

of property of each company as well as the consideration received by each company party to the action. State the dates on which consolidated, etc., and whether the prior companies have been dissolved. Copies of the articles of consolidation, merger, or reorganization should be filed with this report.

- Adjustments in the book value of securities owned, and reasons therefor.
- Other financial changes of more than \$50,000, not elsewhere provided for, giving full particulars.

The item "miles of road constructed" is intended o show the mileage of first main track laid to extend respondent's road, and should not include tracks relocated and tracks laid to shorten the

distance between two points, without serving any new territory. By "road abandoned" is meant permantly abandoned, the cost

of which has been or is to be written out of the investment accounts.

Section 10 of the Clayton Antitrus: Act (15 U.S.C. 20) states that "no common carrier engaged in commerce shall have any dealings in securities, supplies or other articles of commerce, or shall make or have any contracts for construction or maintenance of any kind, to the amount of more than \$50,000, in the aggregate, in any one year, with another corporation, firm, partnership or association when the said common carrier shall have upon its board of directors or as its president, manager or as its purchasing or selling officer, or agent in the particular transaction, any person who is at the same time a director, manager, or purchasing or selling officer of, or who has any substantial interest in, such other corporation, firm, partnership or association, unless and except such purchases shall be made from, or such

dealings shall be made with, the bidder whose bid is the most favorable to such common carrier, to be ascertained by competitive bidding under regulations to be prescribed by rule or otherwise by the Interstate Commerce Commission." The specification for competitive bids is found in the Code of Federal Regulations, Part 1010-Competitive Bids through Part 1010.7 - Carriers Subject to the Interstate Commerce Act.

In column (g), identify the company awarded the bid by including company name and address, name and title of respondent officers, directors, selling officer, purchasing officer and/or general manager that has an affiliation with the seller.

| ine lo. | Nature of bid | Date<br>Published<br>(b) | Contract<br>number NOTES AND REMARKS

#### VERIFICATION

The foregoing report must be verified by the oath of the officer having control of the accounting of the respondents. It should be verified, also, by the oath of the president or other chief officer of the respondents, unless the respondents state on the last preceding page of this report that such chief officer has no control over the accounting of the respondents. The oath required may be taken before any person authorized to administer an oath by the laws of the State in which the same is taken. While the President and Board of Directors have the right to exercise control of the accounting of this Company, they have delegated to the Comptroller the supervision of the books of account and the control of the manner in which such books are OATH kept.
