200. COMPARATIVE STATEMENT OF FINANCIAL POSITION - EXPLANATORY NOTES

The notes listed below are provided for the purpose of disclosing supplementary information concerning matters which have an important effect on the linencial condition of the carrier. The carrier shall give the particulars called for herein and where there is nothing to report, insert the word none, and in addition rhereto shall enter in separate notes with suitable particulars other matters involving material amounts of the carrier commonly disclosed in financial statements under generally accepted accounting and reporting principles, except as shown in other schedules. This includes explanatory statements explaining (1) service interruption insurance policies and indicate the amount of indemnity to which respondent with he entitled for work stoppage losses and the quaximum amount of additional premium respondent may be obligated to pay in the event such losses are sustained by other railroads. (2) particulars concerning obligations for stock purchase options granted to officers and employees, and (3) what entries have been made for net income or retained income restricted under provisions of mortgages and other arrangements.

- 1. Amount (estimated, if necessary) of net income or retained income which has to be provided for capital expenditures, and for sinking and other funds pursuant to provisions of reorganization plans, mortgages, deeds of trust, or other contracts.
- 2. Estimated amount of future earnings which can be realized before paying Federal income taxes because of unused and available net operating loss carryover on January 1 of the year following that for which the report is made s. None
- 3 (a) Explain the procedure in accounting for pension funds and recording in the accounts the current and past service pension costs, indicating whether or not consistent with the prior year. See Note below
- (b) State amount, if any, representing the excess of the actuarially computed value of vested benefits over the total of the pension
 - (c) Is any part of pension plan funded? Specify Yes . No
 - (i) If funding is by insurance, give name of insuring company
 - (ii) if funding is by trust agreement list trustee(s). Date of trust agreement or latest amendment
 - If respondent is affiliated if any way with the trustee(s), explain affiliation
- (d) List affiliated companies which are included in the pension plan funding agreement and describe basis for allocating charges under the agreement
- (e)(i) Is any part of the pension plan fund invested in stock or other securities of the respondent or any of its affiliates? Specify.
 - If yes, give number of the shares for each class of stock or other security
- 4 State whether a segregated political fund has been established as provided by the Federal Election Campaign Act of 1971 (18 U.S.C.

Pension costs are charged to operating expenses on an accrual method, which includes normal costs and amortization of prior service cost over a 35-year period ending January 1, 2001, plus interest on the recorded unfunded pension liability. Pension charges are funded over a 30-year period ending January 1, 2006.

The pension plan was amended, effective January 1, 1976, and now includes substantially all "non-scheduled" (non-union) employees and conforms the plan to the requirements of the Employee Retirement Income Security Act of 1974.

The pension plan and fund includes the Missouri Pacific Railroad and the following affil(ated companies - ART, DK&S, Mo.Impv., MP Trk.Lines, MP Airfreight, Merchants Cold Storage, UT, WMW&NW and CHTT. The actuary determines costs and contributions of each of the participating companies. There is no separation of the fund by companies. The actuarially computed value of vested benefits and benefits pertaining to retired employees exceeds the market value of the pension fund for the Missouri Pacific Railroad and its affiliates by approximately \$24,629 at December 31, 1978.

210. RESULTS OF OPERATIONS

705. IMPORTANT CHANGES DURING THE YEAR

Hereunder state the following matters, numbering the statements in accordance with the inquiries, and if no changes of the character below indicated occured during the year, state that fact. Changes in mileage should be stated to the nearest hundredth of a mile. If any changes reportable in this schedule occurred under authority granted by the Commission in certificates of convenience and necessity, issued under paragraphs (18) to (22) of section 1 of the Interstate Commerce Act or otherwise, specific reference to such authority should in each case be made by docket number or otherwise, as may be appropriate

1. All portions of road put in operation or abandoned, giving (a) termini. (b) length of road, and (c) dates of beginning operations or of

abandonment.*

2. All other important physical changes, including herein all new tracks built 6

3. All leaseholds acquired or surrendered, giving (a) dates. (b) length of terms. (c) names of parties. (d) rents. and (e) other conditions.

4. All agreements for trackage rights acquired or surrendered, giving (a) dates, (b) length of terms, (c) names of parties, (d) rents, and (e) other conditions

5. All consolidations, mergers, and reorganizations effected, giving particulars

6. All stocks issued, giving (a) purposes for which issued. (b) names of stocks, and (c) amounts issued, and describing (d) the actual consideration

realized, giving (e) amounts and (f) values; give similar information concerning all stocks retired (if any).

7. All funded debt issued, giving (a) purposes for which issued. (b) names of securities and (c) amounts issued, and describing (d) the actual consideration realized, giving (e) amounts and (f) values, also give particulars concerning any funded debt paid or otherwise retired, stating (a) date acquired. (b) date retired or canceled. (c) par value of amount retired.

9. All changes in and all additions to franchise rights, describing fully (a) the actual consideration given therefor, and stating (b) the parties from whom acquired: if no consideration was given, state that fact

10. In case the respondent has not yet begun operation, and no construction has been carried on during the year, state fully the reasons therefor,

11. All additional matters of fact (not elsewhere provided for) which the respondent may desire to include in its report.

Merged with Missouri Pacific Railroad Nov. 1, 1978. Docket No. 28586 (Sub.-No. 1)

*If returns under items 1 and 2 include any first main track owned by respondent representing new construction or permanent abandonment give the following particulars:

Miles of road abandoned

The item "Miles of road constructed" is intended to show the mileage of first main track laid to extend respondent's road, and should not include tracks relocated and tracks laid to shorten the distance between two points, without serving any new territory.

710. INVENTORY OF EQUIPMENT

INSTRUCTIONS

- 1. Give particulars of each of the various classes of equipment which respondent owned or leased during the year.
- 2 In column (c) give the number of units of equipment purchased, built in company shops, or otherwise acquired.
- 3. Units leased to others for a period of one year or more are reportable in column (i), units temporarily out of respondent's service and rented to others for less than one year are to be included in column (e); units rented from others for a period less than one year should not be included in column (f). Units installed during the year and subsequently leased to others for a year or more should be shown as added in column (c), as retired in column (d), and included in column (i)
- 4. For reporting purposes, a "locomotive unit" is a self-propelled vehicle generating or converting energy into motion, and designed solely for moving other equipment. An "A" unit is the least number of wheel bases with superstructure designed for use singly or as a lead locomotive unit in combination with other locomotive units. A "B" unit is similar to an "A" unit, but not equipped for use singly or as a lead locomotive unit. A "B" unit may be equipped with hostler controls for independent operating at terminals.
- 5. A "self-propelled car" is a rail motor car propelled by electric motors receiving power from third rail or overhead, or internal combustion engines located on the car itself. Trailers equipped for use only in trains of cars that are self-propelled are to be included as self-propelled equipment.
- 6. A "Diesel" unit includes all units propelled by diesel internal combustion engines irrespective of final drive, and whether power may at times be supplied from external conductor. Units other than diesel-electric, e.g., diesel-hydraulic, should be identified in a footnote giving the number and a brief description. An "Electric" unit includes all units which receive electric power from an overhead contact wire or third rail, and use the power to drive one or more electric motors that propel the vehicle. An "Other self-powered unit" includes all units other than diesel or electric. e.g., steam, gas turbine. Show the type of unit, service and number, as appropriate, in a brief description sufficient for positive identification. An Auxiliary unit" inleudes all units used in conjunction with locomotives but which draw their powr from the "mother" unit, e.g., boosters, slugs,
- 7. Column (h) should show aggregate capacity for all units reported in column (g), as follows: For locomotive units, report the manufacturers rated horsepower (the maximum continuous power output from the diesel engine or engines delivered to the main generator or generators for tractive purposes), or tractive effort of steam locomotive units; for freight-train cars report the nominal capacity (in tons of 2,000 fbs.) as provided for in Rule 86 of the AAR Code of Rules Governing Cars in Interchange. Convert the capacity of tank cars to capacity in tons of the commodity which the car is intended to carry customarily; for passenger-train cars report the number of passenger seats available for revenue service, counting one passenger to each berth in sleeping cars.
