1101 Vermont Avenue, N. W., Washington, D. C. 20005

TO THE

INTERSTATE COMMERCE COMMISSION

FOR THE

YEAR ENDED DECEMBER 31, 1970

NOTICE

1. This Form for annual report should be filled out in triplicate and two copies returned to the Interstate Commerce Commission, Bureau of Accounts, Washington, D.C., 20423, by March 31 of the year following that for which the report is made. One copy of the report should be retained by the respondent in its files. Attention is especially directed to the following provisions of Part I of the Interstate Commerce Act:

Sec. 1(3). The term "person" as used in this part includes an individual, firm, copartnership, corporation, company, association, or joint-stock association; and includes a trustee, receiver, assignee, or personal representative thereof.

Sec. 20(6). The Commission or any duly authorized special agent, accountant, or examiner thereof shall at all times have authority to inspect and copy any and all accounts, books, records, memoranda, correspondence, and other documents, of persons which furnish cars or protective service against heat or cold to or on behalf of any carrier by railroad or express company subject to this part: Provided, however, That such authority shall be limited to accounts, books, records, memoranda, correspondence, or other documents which pertain or relate to the cars or protective service so furnished. The Commission shall further have authority, in its discretion, to prescribe the forms of any or all accounts, records, and memoranda which it is authorized by this paragraph to inspect and copy, and to require the persons furnishing such cars or protective service, as aforesaid, to submit such reports and specific and full, true, and correct answers to such questions, relative to such cars or service, as the Commission may deem necessary. Persons furnishing such cars or protective service shall submit their accounts, books, records, memoranda, correspondence, or other documents, to the extent above provided, for inspection or copying to any duly authorized special agent, accountant, or examiner of the Commission upon demand and the display of proper credentials.

Sec. 20(7) (a). In case of failure or refusal on the part of any carrier, lessor, or other person to keep any accounts, records, and memoranda in the form and manner prescribed, under authority of this section, by the Commission, or to submit any accounts, books, records, memoranda, correspondence, or other documents to the Commission or any of its authorized agents, accountants, or examiners for inspection or copying, as required under this section, such carrier, lessor, or person shall forfeit to the United States not to exceed \$500 for each such offense and for each day during which such failure or refusal continues.

Sec. 20(7) (b). Any person who shall knowingly and willfully make, cause to be made, or participate in the making of, any false entry in any annual or other report required under this section to be filed, * * * or shall knowingly or willfully file with the Commission any false report or other document, shall be deemed guilty of a misdemeanor and shall be subject, upon conviction in any court of the United States of competent jurisdiction to a fine of not more than five thousand dollars or imprisonment for not more than two years, or both such fine and imprisonment: * * *

Sec. 20(7) (c). Any carrier or lessor, or person furnishing cars or protective service, or any officer, agent, employee, or representative thereof, who shall fail to make and file an annual or other report with

the Commission within the time fixed by the Commission, or to make specific and full, true, and correct answer to any question within thirty days from the time it is lawfully required by the Commission so to do, shall forfeit to the United States the sum of one hundred dollars for each and every day it shall continue to be in default with respect thereto.

2. The instructions in this Form should be carefully observed, and each question should be answered fully and accurately. If any inquiry is inapplicable to the person in whose behalf the report is made, such notation as "Not applicable" should be used in answer thereto. Where the word "None" truly and completely states the fact, it should be given as the answer to any particular inquiry or any particular portion of any inquiry. Where dates are called for, the month and day should be stated as well as the year. Customary abbreviations may be used in stating dates.

3. If it be necessary or desirable to insert additional statements, typewritten or other, in a report, they should be legibly made on durable paper and, wherever practicable, on sheets not larger than a page of the Form. Inserted sheets should be securely attached, preferably at the inner margin; attachment by pins or clips is insufficient.

4. All entries should be made in permanent black ink, except those of a contrary character, which should be indicated in parenthesis. Items of an unusual character should be indicated by appropriate symbol and footnote. Money items (except averages) throughout this annual report Form should be shown in units of dollars adjusted to accord with footings.

5. Throughout this report the Commission means the Interstate Commerce Commission; the respondent means the person or company in whose behalf the report is made; the year means the year ended December 31 for which the report is made; the close of the year means the close of business on December 31 of the year for which the report is made or, in case the report is made for a shorter period than one year, it means the close of the period covered by the report; the beginning of the year means the beginning of business on January 1 of the year for which the report is made or, in case the report is made for a shorter period than one year, it means the beginning of the period covered by the report; the preceding year means the year ended December 31 of the year next preceding the year for which the report is made; the Uniform System of Accounts means the system of accounts published as Part 1205 of Title 49, Code of Federal Regulations, as amended.

6. Annual Report Form B-2 is provided for persons furnishing cars or protective service to railroad or express companies and owning 10 or more cars—excluding refrigerator car lines owned or controlled by railroads.

7. Should there be doubt as to the reporting of any item or items or parts thereof, or advice is desired relative to the preparation of the report, address an inquiry to the Bureau of Accounts for consideration and decision.

SPECIAL NOTICE

The attention of the respondent is directed below to certain particulars, if any, in which this report form differs from the corresponding form for the preceding year; but it should be understood that mention is not made of necessary substitutions of dates, or in general, of such other things as simple modifications intended to make requirements clearer, other minor adjustments, and typographical corrections.
