- entire operations for the year of the report including intrastate and exempt interstate transportation. If operations are for a period less than a year, the report should so indicate
- 5. Full and accurate replies should be made to all items and schedules. If an item is not applicable to the respondent, or if the word "none" fairly and completely applies, the report should so indicate. If records are not available for any item or part thereof, which give the information called for, respondent should report the best estimate possible and mark such items "estimated."
- 6. Wherever the space provided is insufficient to permit full and complete reply to the requested information, such replies should be prepared on inserts, appropriately referenced and securely attached to the report or the reply can be continued in the space in the report for "Remarks."
- 7. If respondent prepares statements of its income, surplus, general balance-sheet or operations for the year or any part thereof of the report, one copy of each such statement shall be filed with this report or submitted to the Commission as and when available.
- 8. Inquiries relative to the preparation and filing of the report should be addressed to the Byreau of Accounts at above address.
