NORFOLK SOUTHERN COMBINED RAILROAD SUBSIDIARIES

SCHEDULE 250 – PART B
Year 2005
Determination of Nonrail Taxes

This table is designed to facilitate the calculation of taxes that are not rail-related, the amount to be reported on Schedule 250, Line 3.

PART I – DETERMINE TAXES ON NONRAILROAD INCOME FOR ALL COMBINED/CONSOLIDATED RAILROADS (EXCLUDES ALL RAIL-RELATED AFFILIATES)

(1) Determine Combined/Consolidated Adjusted income from continuing operations (before taxes) for all affiliated railroads (all classes). Do not include rail-related affiliates that are not railroads in this part. This represents the total combined/consolidated amounts for all items listed below for all railroads in the reporting entity.

$000's

Income from continuing operations (before taxes) should be the equivalent of the numbers contained in the R-1 Schedule 210, Line 46 adjusted to include all railroads in the reporting entity ................................................................. $ 1,412,758

- Equity in undistributed earnings, which represents the total Schedule 210, Line 26 for all railroads in the reporting entity ................................................................. (262)

- Dividends in affiliated companies. (If the affiliate is 80% or more controlled by the parent railroad, then deduct 100% of the affiliate’s dividend. If the affiliate is less than 80% controlled by the parent railroad, then deduct 80% of the affiliate’s dividend ....... 7,322

= Adjusted income from continuing operations (before taxes). This represents “A” in item (3) below ........................................................................................................... $ 1,405,698

(2) Determine Combined/Consolidated Adjusted Pretax NROI for all railroads in the reporting entity

Combined/Consolidated Pretax NROI for the entire entity, which equals the amount shown on Schedule 250, Line 1 ........................................................................................................................................... $ 1,607,800

+ Current provision for taxes, which represents the consolidated amounts of Schedule 210, Line 51 for all railroads in the reporting entity. (This figure includes both Account 556, Income Taxes on Ordinary Income and Account 557, Provision for Deferred Taxes) .................................................................................. 325,485

+ Interest income on working capital allowance, which represents the total consolidated interest income relative to the working capital component of the net investment base and should equal the amount shown in Schedule 250, Line 2 for all railroads in the reporting entity ......................................................................................................................... 2,627

+ Release of premiums on funded debt, which represents the consolidated total of release of premiums on funded debt as shown on Schedule 210, Line 22 for all railroads in the reporting entity ......................................................................................................................... --

- Total fixed charges, which represents the consolidated total of fixed charges as shown on Schedule 210, Line 42 for all railroads in the reporting entity ......................................................................................................................... 190,100

- Railroad-related income from affiliates (other than railroads) which was included in consolidated NROI (Schedule 250, Line 1) ......................................................................................................................... --

= Combined/Consolidated Pretax Adjusted NROI for all railroads. This represents “B” in Item (3) below ......................................................................................................................... $ 1,745,812
NORFOLK SOUTHERN COMBINED RAILROAD SUBSIDIARIES
SCHEDULE 250 – PART B
Year 2005
Determination of Nonrail Taxes
Page 2

(3) Calculate the railroad-related tax ratio: “B/A” ................................................................. 100.00%

(4) Compute the nonrailroad-related complement: (1 – Railroad-related income ratio) which equals the nonrailroad-related tax ratio. .................................................................

(5) Compute the nonrailroad portion of the total provisions for both taxes. This equals:

The nonrailroad-related tax ratio (Item (4) above) times the total current income taxes accrued on ordinary income (Account 556) which represents the consolidated amounts of Schedule 210, Lines 47, 48 and 49 for all railroads in the reporting entity. ................................................................. $______

PART II – DETERMINE NONRAILROAD-RELATED TAXES FOR ALL RAIL-RELATED AFFILIATES (EXCLUDES ALL AFFILIATED RAILROADS)

(6) This is calculated by dividing the nonrailroad-related income for combined rail-related affiliates by the total pretax net income for all combined rail-related affiliates and multiplying this result by the total taxes (current provision plus deferred). This equals the taxes on nonrailroad income for all affiliated companies. ................................................................. $______

PART III – DETERMINE TOTAL NONRAILROAD-RELATED TAXES

(7) This is determined as follows:

Total income taxes on nonrailroad-related income for all railroads in the reporting entity (Item 5 above). ................................................................. $--

+ Total nonrailroad-related taxes for rail-related affiliates (Item 6 above). .........................

Equals total nonrailroad-related taxes. (This amount should be transferred to Schedule 250, Part A, Line 3). ................................................................. $--

NOTES AND REMARKS

Principles of Combined Reporting
Norfolk Southern, Combined Railroad Subsidiaries (NS Rail) includes the affiliated railroads under the COMMON CONTROL of Norfolk Southern Corporation (NS). The major subsidiary is Norfolk Southern Railway Company and consolidated subsidiaries (NSR). See listing of companies included in combined rail reporting below. Nonrailroad subsidiaries whose assets and operations are not deemed to be an integral part of rail operations are included in this combined report in the following classifications:
- Balance Sheet - Fixed Capital Assets - ”Property Used in Other Than Carrier Operations”
- Results of Operations - ”Other Income” and ”Miscellaneous Deductions From Income”

All significant intercompany balances and transactions have been eliminated in combination.

This form of Combined reporting was approved by the ICC Accounting and Valuation Board on March 23, 1987, as indicated in Chairman William F. Moss, III’s letter.
